Separate Ways:

Our Separate Ways Ella L. J. Bell Smith, Stella M. Nkomo, 2003-03-24 In *Our Separate Ways* authors Ella Bell and Stella Nkomo take an unflinching look at the surprising differences between black and white women's trials and triumphs on their way up the corporate ladder. Based on groundbreaking research that spanned eight years, *Our Separate Ways* compares and contrasts the experiences of 120 black and white female managers in the American business arena. In depth histories bring to life the women's powerful and often difficult journeys from childhood to professional success, highlighting the roles that gender, race, and class played in their development. Although successful professional women come from widely diverse family backgrounds, educational experiences, and community values, they share a common assumption upon entering the workforce: I have a chance. Along the way, however, they discover that people question their authority, challenge their intelligence, and discount their ideas. And while gender is a common denominator among these women, race and class are often wedges between them. In *Our Separate Ways*, you will find candid discussions about stereotypes, learn how black women's early experiences affect their attitudes in the business world, become aware of how white women have perhaps unwittingly aligned themselves more often with white men than with black women, and see ways that our country continues to come to terms with diversity in all of its dimensions. Whether you are a human resources director wondering why you're having trouble retaining black women, a white female manager considering the role of race in your office, or a black female manager searching for perspectives, you will find fresh insights about how black and white women's struggles differ and encounter provocative ideas for creating a better workplace environment for everyone.

Our Separate Ways, With a New Preface and Epilogue Ella Bell Smith, Stella M. Nkomo, 2021-08-10 Named to the shortlist for the 2021 Outstanding Works of Literature (OWL) Award in the Women in Business Category, *Addressing Gender Alone Won't Help Women Rise to the Top*. Although women come from widely diverse backgrounds, they share a common assumption upon entering the workforce: I have a chance. Along the way, however, they discover that people question their authority, challenge their intelligence, and discount their ideas. And while gender is a common denominator among these women, race and class are often wedges between them. In *Our Separate Ways*, Ella Bell Smith and Stella M. Nkomo take an unflinching look at the surprising differences between Black and White women's trials and triumphs on their way to the top. Based on groundbreaking research, the book compares and contrasts the experiences of 120 Black and White female managers in America. Powerful stories bring to life the women's often difficult journeys from childhood to professional success, highlighting the roles that gender, race, and class played in their development. Now with an updated preface and epilogue, the book provides candid discussions of the continuing challenge of achieving race and gender equality in the midst of deep political and ideological divides. You'll discover how White women have perhaps unwittingly aligned themselves more often with White men than with Black women, and how systemic racism and biases still exist in organizations. But you'll also learn what to do to leverage the talents of all.

women and eliminate systemic racism for good Whether you lead an organization or simply want to better understand the dynamics at play in business today you ll discover provocative ideas for creating a better workplace and encouraging equality for everyone

Our Separate Ways Dana H Allin, Steven N Simon, 2016-06-07 Anger and distrust have strained the U S Israeli alliance as the Obama administration and Netanyahu government have clashed over Israeli settlements convulsions in the Arab world and negotiating with Iran Our Separate Ways is an urgent examination of why the alliance has deteriorated and the dangers of its neglect Powerful demographic cultural and strategic currents in Israel and the United States are driving the two countries apart In America the once solid pro Israel consensus is being corroded by partisan rancor which also pits conservative Jews against the more liberal Jewish majority In Israel surveys of young Jewish citizens reveal a disdain for democracy and in some cases a readiness to curb the civil liberties of non Jews Prospects for preserving a liberal Zionism against the pressures for Greater Israel are dimming as hopes for a two state solution fade The acrimony between President Barack Obama and Prime Minister Benjamin Netanyahu has been a symptom not cause of the deeper crisis If the alliance becomes just a transactional arrangement then the moral emotional and largely intangible bonds that have long tied the two countries together will continue to weaken Going separate ways at a time of Middle East chaos and despite profound historical commitment would be an immense tragedy The partnership must restore the shared vision that created it

Our Separate Ways Christina Greene, 2006-03-13 In an in depth community study of women in the civil rights movement Christina Greene examines how several generations of black and white women low income as well as more affluent shaped the struggle for black freedom in Durham North Carolina In the city long known as the capital of the black middle class Greene finds that in fact low income African American women were the sustaining force for change Greene demonstrates that women activists frequently were more organized more militant and more numerous than their male counterparts They brought new approaches and strategies to protest leadership and racial politics Arguing that race was not automatically a unifying force Greene sheds new light on the class and gender fault lines within Durham s black community While middle class black leaders cautiously negotiated with whites in the boardroom low income black women were coordinating direct action in hair salons and neighborhood meetings Greene s analysis challenges scholars and activists to rethink the contours of grassroots activism in the struggle for racial and economic justice in postwar America She provides fresh insight into the changing nature of southern white liberalism and interracial alliances the desegregation of schools and public accommodations and the battle to end employment discrimination and urban poverty

GOING OUR SEPARATE WAYS Richard Zukosky, 2023-11-20 Two souls meet by chance in passing and weave an intricate tale of the heart They both lead different lives and after the first encounter they go their separate ways Everyone searches for love and so it is with two people in our story how Paul and Kathleen move forward in their relationship Their paths keep crossing and the paths they take the love they share are all part of the human story of love and loss Destiny intervenes and they go on with their lives each time As time passes they are

brought together again and again and overtime an intense relationship begins to develop They each learn about themselves as they think about the other While also moving on with their lives While dealing with intense emotions of sorrow anguish and defeat They must make the difficult decisions of losing or fighting on for those they love as the years pass The story is one of love and the determination of their love To what ends will each one go to reconcile their relationship The story highlights their love and the depths at which each one is willing to go to rekindle a relationship The connection is deeply fulfilling To them it is worthwhile as they are trying to find their own peace going through their lives learning what it means to remain steadfast While they search for strength at every turn A deep connection aligns and calls to them in a love that transcends time and space A passion smolders and waits for a reunion and joy Will they conquer the demons of fate which keeps interfering in their lives Their struggle is a classic one as every love story has its troubles Will Paul Kathleen s intense relationship survive What will the legend of these two lovers be Time will tell **Native Apostles** Edward E.

Andrews,2013-04-01 As Protestantism expanded across the Atlantic most evangelists were not Anglo Americans but were members of the groups that missionaries were trying to convert Native Apostles reveals the way Native Americans Africans and black slaves redefined Christianity and addressed the challenges of slavery dispossession and European settlement

number of themes pertaining to the doctrine of creation and focuses on how creation impacts our understandings of both the immanent and the economic Trinity He also engages newer trends such as ecological theology **Revelation** Gerald L. Stevens, 2014-05-08 This three part study covers the history of interpretation theological foundations and exegesis Copious illustrations from the author's worldwide travels enhance discussion of Rome's emperors empire and ideology as the premier horizon for understanding John's immediate context and meaning Distinctive contributions include Stevens's effort to re-canonicalize Revelation by insisting on gospel concord methodically interpreting all of Revelation through the lens of the seven churches and showing how Revelation's imagery consistently relates more to the incarnation than the Parousia Stevens bypasses traditional millennial options to argue that Revelation is passion millennial the passion of Jesus predicates the passion of the church Under Stevens's hands Revelation becomes eminently sensible to the original audience and powerfully pertinent for today's church John Hervey Wheeler, Black Banking, and the Economic Struggle for Civil Rights Brandon K. Winford, 2019-12-09 WINNER OF THE LILLIAN SMITH BOOK AWARD John Hervey Wheeler 1908-1978 was one of the civil rights movement's most influential leaders In articulating a bold vision of regional prosperity grounded in full citizenship and economic power for African Americans this banker lawyer and visionary would play a key role in the fight for racial and economic equality throughout North Carolina Utilizing previously unexamined sources from the John Hervey Wheeler Collection at the Atlanta University Center Robert W Woodruff Library this biography explores the black freedom struggle through the life of North Carolina's most influential black power broker After graduating from Morehouse College Wheeler returned to Durham and began a decades long career at Mechanics and Farmers M F Bank He started as a teller and rose to become bank president in 1952 In 1961 President Kennedy appointed Wheeler to the President's Committee on Equal Employment Opportunity a position in which he championed equal rights for African Americans and worked with Vice President Johnson to draft civil rights legislation One of the first blacks to attain a high position in the state's Democratic Party Wheeler became the state party's treasurer in 1968 and then its financial director Wheeler urged North Carolina's white financial advisors to steer the region toward the end of Jim Crow segregation for economic reasons Straddling the line between confrontation and negotiation Wheeler pushed for increased economic opportunity for African Americans while reminding the white South that its future was linked to the plight of black southerners *Hexcraft* Johnny Xoxo, 2018-11-27 Filled with plenty of hexes for just every purpose from a general souring of one's life to causing baldness and even death The spells within this book should only ever be used when they are justified This is not for the frivolous practitioner who throws hexes on people for no reason With over 100 hexes a few protection and unhexing recipes this book is everything you've always wanted but were too afraid to ask about **Personal Epistemology and Teacher Education** Jo Brownlee, Gregory Schraw, Donna Berthelsen, 2012-05-23 Personal Epistemology and Teacher Education edited by Joanne Brownlee Gregg Schraw and Donna Berthelsen provides an international perspective on teachers personal epistemology or beliefs about the

nature of knowledge and knowing Research from The Netherlands Cyprus Australia United States Canada Norway and Taiwan is presented to provide diverse viewpoints on personal epistemology for early childhood primary secondary and tertiary teaching contexts The text provides a platform for cutting edge theory and research about how personal epistemology can be applied to the context of teacher education thereby making explicit the connection between personal epistemology and teaching and students learning outcomes Topics include Cultural differences in teacher epistemology and the impact on students learning Teachers epistemological beliefs and inclusion Teachers epistemology and reading lessons citizenship education and teaching science Epistemology in a social context Teachers epistemological beliefs and student autonomy Teacher education and analysis of preservice and practicing teachers Implications of teachers epistemological beliefs Connections to future practice Teacher education and teacher behaviours are foregrounded across the topics with an emphasis on the origin and composition of teachers epistemological beliefs and how universities motivate change through formal teacher education Teaching behaviours are discussed in relation to how teachers beliefs are related to the curricular and pedagogical choices that they make in their classrooms assessment of learning outcomes and classroom management practices

Jesus' Course in Miracles ,2000 The JCIM derives from the Hugh Lynn Cayce version of the Course which was completed by Helen Shucman and Bill Thetford in 1972 Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message Many students consider study of the unabridged JCIM version to be indispensable in their curriculum Text only This edition does not include the Workbook or the Teachers Manual There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html> 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course

Core Values in American Life Arthur G. Neal, Helen Youngelson-Neal, 2014-05-23 What values do Americans hold dear What happens when real world situations cause those values to conflict To better understand the intellectual map of how American society works Arthur G Neal and Helen Youngelson Neal analyze values prominent in American word and deed These values appear in our nation's formal documents rights and privileges prominently emphasized in the US Constitution and inscribed on the Statue of Liberty They have shaped the historical destiny and indeed include those values most extensively propagated by the general population Using these criteria the authors identify individualism the pursuit of happiness freedom consumerism materialism equality of opportunity technology mastery of the environment quality of marriage and national unity as the core American values Core values provide the raw materials for the construction of contemporary society as a moral community wherever that community is located Such values are clusters of ideas that are central to self identities they generate a sense of collective belonging and membership As such core values define the existing social order and advance a set of ideas for depicting a desirable future The analysis presented here helps us understand contemporary conflicts inherent in the American value system and the problems confronted by Americans as they

try to live within the limitations and contradictions of value systems
