Rosen, 2014-05-13 A Sequence for Academic Writing Laurence Behrens, Leonard J. Rosen, 2010 A Sequence for Academic Writing focuses on the key strategies that any academic writer needs to know summary synthesis analysis and critique Building off of the hallmark writing instruction of the best selling Writing and Reading Across the Curriculum this writing guide focuses on the critical reading and writing strategies that students need in order to thoughtfully interpret and incorporate source material into their own papers The text employs high interest readings from a range of disciplines to allow students to practice these strategies and skills while numerous student papers model the kinds of academic texts students are expected to produce **MARKET General Interest Improving Writing** *Academic Writing, Real World Topics - Concise Edition* Michael Rectenwald, Lisa

Carl, 2016-07-20 Academic Writing Real World Topics fills a void in the writing across the curriculum textbook market. It draws together articles and essays of actual academic prose as opposed to journalism; it arranges material by topic instead of by discipline or academic division and it approaches topics from multiple disciplinary and critical perspectives. With extensive introductions, rhetorical instruction and suggested additional resources accompanying each chapter, Academic Writing Real World Topics introduces students to the kinds of research and writing that they will be expected to undertake throughout their college careers and beyond. This concise edition provides all the features of the complete edition in a more compact and affordable format.

Key Features:

- Contemporary cutting edge readings on relevant topics
- Extensive cross referencing between the rhetoric and the reader to help students make connections
- Full length essays rather than excerpts
- Chapter introductions that put readings in context and promote interdisciplinary connections
- Sample student essays to demonstrate student contribution
- As You Read guides to each chapter that encourage readers to locate points of contact among readings
- Questions after each reading that enable comprehension
- Help students identify rhetorical moves and prompt oral and written response
