Serious And Violent Juvenile Offenders Risk Factors And Successful Interventions:

Serious and Violent Juvenile Offenders Rolf Loeber, David P. Farrington, 1998-01-27 Detailed and comprehensive this volume presents authoritative discussions by leading scholars on issues surrounding serious and violent juvenile offenders. This population is responsible for a disproportionate percentage of all crime and poses the greatest challenge to juvenile justice policymakers. This volume integrates knowledge about risk and protective prevention programs so that conclusions from each area can inform the other.

Serious & Violent Juvenile Offenders, 1999 Using an integrative approach this detailed and comprehensive treatment of key issues related to serious and violent juvenile offenders focuses on topics such as race and ethnicity, youth gangs, and prevention and intervention programmes.

Essential Readings in Health Behavior Mark Edberg, 2010-10-22 Health Behavior Education Promotion

Juvenile Justice Richard Lawrence, Craig Hemmens, 2008-03-13 Juvenile Justice combines a text with carefully selected accompanying readings. The readings will have a policy orientation giving them a real world applied character. The book contains extensive coverage of the juvenile justice system focusing on law enforcement, court, and correctional responses to juvenile offending with an overview of the causes of delinquency. This unique approach of combining a text and a reader will provide students with an understanding of the juvenile justice system and an introduction to some of the best original research articles by experts in the field.

Never Too Early, Never Too Late Rolf Loeber, David P. Farrington, 1998

Serious and Violent Juvenile Offenders United States. Office of Juvenile Justice and Delinquency Prevention, 1998

Less Hype, More Help Richard A. Mendel, 2000 Details the wealth of new knowledge about the causes and cures for delinquency and youth violence that has been generated by researchers and practitioners over the past 2 decades, including powerful new models that are dramatically reducing recidivism by youthful offenders and the onset of delinquency by high risk youth. Examines 2 popular notions that youth crime is growing worse due to a generation of juvenile superpredators and that adult time for adult crime should be the basis for juvenile crime policy. Looks in detail at our nation's juvenile justice systems and our varied efforts to prevent delinquency and violence. Includes recommendations.

Serious and Violent Juvenile Offenders, 1998 Examines a broad range of prevention and intervention programmes from those that focus on early childhood to those focusing on late adolescence.

A Handbook for Evidence-Based Juvenile Justice Systems James C. Howell, Mark W. Lipsey, John J. Wilson, Megan Q. Howell, Nancy J. Hodges, 2019-09-18 This revised edition features updated research, new developments in technology, and recent policy on juvenile delinquency and youth violence. The authors underscore the enormous payoff in targeting potential serious, violent, and chronic juvenile offenders at the earliest opportunity and provide a framework for evidence-informed state juvenile justice systems: the Comprehensive Strategy for Serious, Violent, and Chronic Juvenile Offenders. This strategy recognizes first that a relatively small proportion of those who enter the juvenile justice system will prove to be serious, violent, or chronic offenders, but that group accounts for a large proportion of overall delinquency. Second, this strategy builds

on the fact that serious violent or chronic delinquency emerges along developmental pathways allowing earlier identification of juveniles most at risk for later serious offending A third component of this approach is effective intervention capable of reducing the recidivism of those juveniles most at risk for further delinquency This framework emphasizes an evidence based approach to reducing the recidivism of those juveniles most likely to reoffend from intake onward to probation community programs confinement and reentry

Preventing and Reducing Juvenile Delinquency James C. Howell, 2003-02-24 This book aims to inform students about the latest research and the most promising and effective programs and for understanding preventing and controlling juvenile delinquency The book is geared to preparing students for a career in juvenile justice or related social service systems and becoming research or program development specialists The history of current juvenile justice system policies and practices are examined including the juvenile violence epidemic Key myths about juvenile violence and the ability of the juvenile justice system to handle modern day juvenile delinquents are critically examined Developmental theories of juvenile delinquency are applied to understanding how juvenile offender careers evolve Effective prevention and rehabilitation programs and what does not work are reviewed A comprehensive framework for building a continuum of effective programs is presented in Part III

Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations for 2001: Justification of the budget estimates, Department of Justice United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies, 2000

Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations for 2001 United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies, 2000

Youth Violence United States. Public Health Service. Office of the Surgeon General, 2000 This report from the United States Surgeon General is the result of a review of the scientific literature and analyses of new data relating to youth violence It identifies and quantifies factors in particular settings of combinations that increase the probability that violence will occur It also presents an array of interventions of well documented effectiveness in helping young people whose lives are already marked by a propensity for violence as well as in preventing others from viewing violence as a solution to needs wants or problems This report is divided into six chapters The first serves as an introduction and offers chapter conclusions for chapters two through five Those chapters discuss the magnitude of youth violence the developmental dynamics of youth violence risk factors for youth violence and prevention and intervention The final chapter examines a vision for the future Each chapter includes a list of references The executive summary of this report is included in a separate booklet Contains an index MKA

The Juvenile Sex Offender Howard E. Barbaree, William L. Marshall, 2008-06-19 From leading scientists and practitioners this authoritative work examines what is known about the nature and development of juvenile sexual offending the consequences for both victims and perpetrators and approaches to assessment intervention and relapse prevention Pathways of normal sexual development are described

and the biological social and psychological processes that lead to sexual conduct problems are investigated The book explores how juvenile offenders are dealt with in the mental health and criminal justice systems reviews available psychological and pharmacological treatment approaches and provides research based recommendations for improving existing practices **Federal Register** ,2000-10-02 **Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations for 2000** United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies,1999

Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations for 2000: Justification of the budget estimates, Department of Justice United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies,1999 **Handbook of Crime Prevention and Community Safety** Nick Tilley,2013-05-13 This book provides a comprehensive authoritative and wide ranging account of the background theory and practice of crime prevention and community safety It will be essential reading for anybody with interests in these fields and will be the major work of reference on this subject for those engaged in the practice study or teaching of crime prevention The book provides a detailed overview of the main theories and perspectives informing crime prevention policy and practice and includes chapters covering efforts to address a number of the main types of crime problem It also includes chapters relating to research methodologies used in conducting and evaluating crime prevention initiatives **Blackwell Handbook of Adolescence** Gerald R. Adams,Michael Berzonsky,2008-04-15 This volume brings together a team of leading psychologists to provide a state of the art overview of adolescent development Leading experts provide cutting edge reviews of theory and research Covers issues currently of most importance in terms of basic and or applied research and policy formulation Discusses a wide range of topics from basic processes to problem behavior The ideal basis for a course on adolescent development or for applied professions seeking the best of contemporary knowledge about adolescents A valuable reference for faculty wishing to keep up to date with the latest developments in the field Now available in full text online via xreferplus the award winning reference library on the web from xrefer For more information visit www.xreferplus.com *Handbook of Adolescent Behavioral Problems* Thomas P. Gullotta,Robert W. Plant,Melanie A. Evans,2014-10-14 The Second Edition of the Handbook of Adolescent Behavioral Problems clarifies the current state of treatment and prevention through comprehensive examinations of mental disorders and dysfunctional behaviors as well as the varied forces affecting their development New or revised chapters offer a basic framework for approaching mental health concerns in youth and provide the latest information on how conditions e g bipolar disorder suicidality and OCD and behaviors e g sex offenses gang activities dating violence and self harm manifest in adolescents Each chapter offers diagnostic guidance up to date findings on prevalence biological genetic aspects risk and resilience factors and a practical review of prevention and treatment methods Best practice

recommendations clearly differentiate among what works what might work what doesn't work and what needs further research across modalities including pharmacotherapy Key topics addressed include Families and adolescent development Adolescent mental health and the DSM 5 Oppositional Defiant Disorder and Conduct Disorder Autism spectrum disorder Media and technology addiction School failure versus school success Bullying and cyberbullying The Second Edition of the Handbook of Adolescent Behavior Problems is a must have reference for researchers clinicians allied practitioners and professionals and graduate students in school and clinical child psychology education pediatrics psychiatry social work school counseling and public health
