Seriously Life Is A Laughing Matter:

Seriously, Life Is a Laughing Matter Thomas James Mullen, Tom Mullen, 1978-03 David Bruce, 2006-06-01 *Bride of The Funniest People in Religion and Families* contains such anecdotes as these When Panamanian salsa singer Rubin Blades married Lisa Lebenzon an Anglo a white American not of Spanish descent non Spanish speaker he asked her to learn Spanish so he could speak his native language at home She finished in only seven months a Spanish course that normally took three years Dr Louis Finkelstein chancellor of the Jewish Theological Seminary of America kept a strictly kosher diet While in Paris he and a group of rabbis ate only in kosher restaurants On leaving Paris Dr Finkelstein joked I can t understand all this fuss people make about French cooking We have the same things at home A Sufi teacher spoke about the virtue of patience As he spoke a scorpion stung his foot repeatedly His followers eventually noticed the scorpion and asked the teacher why he had not moved his foot away from it The teacher replied I was discussing the virtue of patience I could hardly have spoken about patience without also setting an example of patience I would have been ashamed before God **The Joke of Reality** Tristan Burt, 2025-05-06 In his *Critique of Pure Reason* Immanuel Kant noted that the understanding intuits nothing Now the significance of this insight comes to light Tristan Burt explains why our intuition of nothing resolves a central philosophical problem how can we know what is absolutely real The answer to this question is as surprising and amusing as reality itself

Why So Serious: On Philosophy and Comedy Russell Ford, 2018-12-07 The Western philosophical tradition shows a marked fondness for tragedy From Plato and Aristotle through German idealism to contemporary reflections on the murderous violence of the twentieth century philosophy has often looked to tragedy for resources to make suffering grief and death thinkable But what if showing a preference for tragedy philosophical thought has unwittingly and unknowingly aligned itself with a form of thinking that accepts injustice without protest This collection explores possibilities for philosophical thinking that refuses the tragic model of thought and turns instead to its often overlooked companion comedy Comprising of a series of experiments ranging across the philosophical tradition the essays in this volume propose to break or at least suspend the use of tragedy as an index of truth and philosophical worth Instead they explore new conceptions of solidarity sympathy critique and justice In addition the essays collected here provide ample reason to believe that philosophical thinking aligned with comedy is capable of important and original insights discoveries and creations The prejudicial acceptance of tragic seriousness only impoverishes the life of thought it can be rejuvenated and renewed by laughter and the comic This book was originally published as a special issue of *Angelaki* [The Nowhere Novel & 18 Other Short and Shorter Stories](#) David L. Robinson, 2018-07-26 The colorful characters in *The Nowhere Novel* and *18 Other Short and Shorter Stories* are enterprising eccentric vulnerable and unique Read about a writer who uses a secret to force his co author to help finish their novel a well known laugh collector learning that not everyone is happy about his recordings a mischievous fisherman outwitting his contest competitors a young boy bullied by classmates the married couple who encounter a wanted man during

H. M. Gellar-Goad,2020-02-14 Laughing Atoms Laughing Matter Lucretius De Rerum Natura and Satire offers the first comprehensive examination of Roman epic poet Lucretius engagement with satire Author T H M Gellar Goad argues that what has often been understood as an artfully persuasive exposition of Epicurean philosophy designed to convert the uninitiated is actually a mimesis of the narrator s attempt to effect such a conversion on his internal narrative audience a performance for the true audience of the poem whose members take pleasure from uncovering the literary games and the intertextual engagement that the performance entails Gellar Goad aims to track De Rerum Natura along two paths of satire first the broad boulevard of satiric literature from the beginnings of Greek poetry to the plays essays and broadcast media of the modern world and second the narrower lane of Roman verse satire satira beginning with early authors Ennius and Lucilius and closing with Flavian poet Juvenal Lucilius is revealed as a major yet overlooked influence on Lucretius By examining how Lucretius poem employs the tools of satire we gain a richer understanding of how it interacts with its purported philosophical program *No Laughing Matter* Tijani Lamin,2014-04-09 The Book is about Nigerias socio economic and political problems from whence Nigeria attained independence to date I use parody to get my point across to make the message sink in very well especially lampooning the Nigerian elite who are solely responsible for the socio economic and political mess that Nigeria is currently undergoing It is a radical departure from the way most Nigerians writers write about Nigeria or on Nigeria in that there is no holding back in putting blame where blame should be placed
