## Sermon Outlines For Lent And Easter:

**Sermon Outlines for Lent and Easter** Charles R. Wood,1994      **Sermon Outlines for Lent & Easter** Brian Haig,1996\*      **Learn of Him** ,1985      **Journey of Stones** Steven Molin,2002 This sermon series for Lent and Easter draws on the rich imagery of rocks and stones in scripture These powerful messages center around the compelling metaphor of stones and our willingness to throw them as representative of our sins As worshipers enter the sanctuary they are invited to pick up stones as a concrete symbol of each sermon s theme then as the message concludes the stones are placed at the foot of the cross When the stones disappear on Easter just like the stone sealing Jesus tomb it s a vivid illustration of how the Lord also removes our stones of sin Each chapter includes several thought provoking discussion questions to spur further reflection With messages for Ash Wednesday five weeks of Lent Maundy Thursday Good Friday and Easter Sunday this is an excellent resource for Lenten midweek programming Molin takes us on a journey of prayerful and honest repentance a powerful and life changing journey of celebration of grace of awe at the miracle of the empty tomb and the promise of life Pastor Molin is one of the best sermon story tellers I ve heard But each sermon and every story also teaches a biblical text These sermons are grounded in the living Word of God from the Foreword Glenndy L Sculley Bishop s Associate Minneapolis Area Synod Evangelical Lutheran Church in America We used the Journey of Stones as a Sunday Morning preaching series with some modifications The book and series was a wonderful way to remind all of us that although we are weighed down with our own sins as represented by the stones each week Christ rolled away the stone that separates us from God at the resurrections and took the weight of our sin upon Himself He took our burden on Himself and give us new life Thanks for being willing to offer such an inspirational book Pastor Jerry Van Auken Steven Molin is the senior pastor of Our Savior s Lutheran Church ELCA in Stillwater Minnesota He has also served parishes in Oregon and South Dakota and been an area director for the youth ministry organization Young Life Molin is a graduate of Concordia University St Paul Minnesota and Luther Theological Seminary      *Latin Sermon Collections from Later Medieval England* Siegfried Wenzel,2005-02-17 Until the Reformation almost all sermons were written down in Latin This is the first scholarly study systematically to describe and analyse the collections of Latin sermons from the golden age of medieval preaching in England the fourteenth and fifteenth centuries Basing his studies on the extant manuscripts Siegfried Wenzel analyses these sermons and the occasions when they were given Larger issues of preaching in the later Middle Ages such as the pastoral concern about preaching originality in sermon making and the attitudes of orthodox preachers to Lollardy receive detailed attention The surviving sermons and their collections are listed for the first time in full inventories which supplement the critical and contextual material Wenzel presents This book is an important contribution to the study of medieval preaching and will be essential for scholars of late medieval literature history and religious thought      **The Lutheran Witness** ,1924      Dickinsons theological quarterly, ed. by J. Kernahan James Kernahan,1883      **The Lutheran Church Review** Henry Eyster Jacobs,Theodore Emanuel

Schmauk,1904      **Sermon Sketches for the Sundays of the Christian Year** E. E. Bradford,1907      **Which Way to Jesus?** Harry N. Huxhold,1996 These fifteen sermons are written for the season of Lent beginning with Ash Wednesday and ending with the Ascension of the Lord Most of them are based on scriptural texts from the gospel of John Harry Huxhold preaches sermons that are punctuated with fascinating illustrations He holds a congregation s attention to the end Within this collection of sermons for Cycle B are such titles as Beware of Your Piety Clean House Easter Jogging You Are My Witnesses Harry N Huxhold has served rural social service suburban campus and central city ministries of the church over a period of 48 years He has taught at the parochial secondary and university levels as well as in seminary and church forums He is the author of many devotional and sermon materials and contributes frequently to theological periodicals and journals

The Church's lessons for the Christian year, 120 new sermons Alfred Garnett Mortimer,1904      **The Literary churchman** ,1880      The Expository Times James Hastings,Ann Wilson Hastings,Edward Hastings,1894      *Redemption to Transformation* Richard Gribble,2017 If the Lenten journey is traversed successfully then we can fully enter into the celebratory time of Easter Yet even as we observe these events we must acknowledge that the challenges of the Christian life are ever present We should never forget British writer G K Chesterton s admonition in What s Wrong with the World 1910 The Christian life has not been tried and found wanting it has been found difficult and left untried The Easter season reminds us that despite the triumph of Christ there will always be challenges to our belief We seemingly cannot believe unless we see yet we know that faith often is beyond proof and thus beyond sight as well We are also challenged to discover ways of transforming problematic situations and what appears to be defeat into triumph through the grace of God Additionally this great season of grace teaches us that we must continually evaluate what we do and keep our eyes fixed on Christ and his mission and message Finally as Jesus ascends to the Father we come to realize that the Lord s work in not complete and therefore each day presents us with the opportunity to do something to complete the master s work The cycle B second lesson sermons of Reverend Richard Gribble s *Redemption to Transformation* The Journey of Lent and Easter represent an understanding of the challenges presented us through this highly significant and very special journey The church in its wisdom gives us this opportunity annually to review where we are and after ascertaining our present position the challenge to move to higher realms that are more consistent with our common Christian call to holiness It is hoped that these reflections will be helpful to you as together we travel the path from Lent to Easter and eventually to Christ and eternal life *Redemption to Transformation* The Journey of Lent and Easter provides a second lesson sermon for every Sunday of cycle B which will provide the following advantages To give busy pastors ideas for their sermon creation To make the day to day life of being a pastor easier To free up time for counseling visitation or just your own leisure Some Sermon Titles Include Suffering Leads to Victory 1 Peter 3 18 21 Enduring the Trails of Faith Romans 4 13 25 The Cost of Discipleship Philippians 2 5 11 Sacrifice Leads to Life Hebrews 10 16 25 Rising to New Life 1 Corinthians 15 1 11 Richard Gribble CSC is a Catholic

priest in the Congregation of Holy Cross He has served at St John Vianney in Goodyear Arizona and as the acting superior at Moreau Seminary at the University of Notre Dame Father Gribble earned his Ph D from The Catholic University of America and has also earned degrees from the United States Naval Academy the University of Southern California and the Jesuit School of Theology at Berkeley He is the author of several books and over 100 articles      **Sermon notes for Sundays and holy-days** James Whittam,1903      **Sermon Notes** Blessed John Henry Newman,Aeterna Press, It is not likely that his preaching suffered much by the change If it had he would have gone back to his old practice He would have preferred it is true to do what most other priests did for he hated singularity in any shape but this was not a sufficient reason for running the risk of even partial failure before mixed congregations in a town where he was a stranger and at a time when from various causes the no Popery feeling was particularly strong Neither does the change though he was past middle life when he made it seem to have been a difficulty to him Apparently he soon discovered that the thoughts that he had in his mind when he entered the pulpit developed themselves and took new shapes while he was speaking for the Notes which are now being published were for the most part written out not before but after the sermon Aeterna Press      Sermon Outlines Michael Ferrebee Sadler,1892      **The Bookseller and the Stationery Trades' Journal** ,1892 Official organ of the book trade of the United Kingdom      The Expository Times ,1894      *The Bookseller* ,1861
