Bouvé, T.T. The geology of Hingham; Mineralogy; Notes on animal life; The botany of Hingham. Bouvé, E.T. Trees and shrubs of Hingham; Ancient landmarks. Long, J.D. Early settlers. Bouvé, W.L. Military history* Hingham (Mass.), 1893 **The Publishers Weekly** , 1933 Slavery and Politics in the Early American Republic

Matthew Mason, 2009-01-05 Giving close consideration to previously neglected debates Matthew Mason challenges the common contention that slavery held little political significance in America until the Missouri Crisis of 1819 Mason demonstrates that slavery and politics were enmeshed in the creation of the nation and in fact there was never a time between the Revolution and the Civil War in which slavery went uncontested The American Revolution set in motion the split between slave states and free states but Mason explains that the divide took on greater importance in the early nineteenth century He examines the partisan and geopolitical uses of slavery the conflicts between free states and their slaveholding neighbors and the political impact of African Americans across the country Offering a full picture of the politics of slavery in the crucial years of the early republic Mason demonstrates that partisans and patriots slave and free and not just

abolitionists and advocates of slavery should be considered important players in the politics of slavery in the United States
