items you believe will help you make your point for that Sunday and draw the application that you believe God desires the people in your congregation to hear These sermons were originally written for Christmas Eve providing a rotating set of sermons for that annual service They were added to each time I preached them and over the years came to the form and content they have at present They can be used in that manner or used during the advent season A few of the sermons have almost enough content to be used for four Sundays in the month long season of Advent The sermons offer large amounts of content numerous applications and a variety of different ideas about the various aspects of the Christmas Story Other sermons I have used and have stood the test of time will be available shortly in volume two of the Christmas Sermons Have a blessed time as you minister to your congregation at this and future Christmas Seasons
