The Servant-messiah Thomas Walter Manson,1956      *The servant Messiah : a study of the public ministry of Jesus* T. W. Manson,1943      **THE SERVANT MESSIAH** William Manson,1953      **Life of Jesus research** Evans,2019-07-01 Life of Jesus Research offers students and scholars annotated bibliographies for all of the major areas of critical scholarship in the historical Jesus providing complete bibliographical information annotations and brief introductions to the various subjects The work is an indispensable tool for research in this important field of study      **Isaiah's Christ in Matthew's Gospel** Richard Beaton,2002-11-14 Matthew s Jesus is typically described as the humble compassionate messiah This 2002 book argues that this is however only half the story Matthew s theologically rich quotation of Isaiah 42 1 4 traditionally considered one of the four servant songs underscores that manifest in Jesus powerful message and deeds particularly his healings and inclusion of the marginalized is the justice that was thought to accompany the arrival of the kingdom of God The study explores modifications to the text form of the Isaianic citations their relationship to the surrounding context and the rhetorical force of the final form It argues that the quotations are bi referential functioning on both a narrative and theological level and also explores the issues surrounding the troublesome extraneous content It arrives at the conclusion that this citation was central to Matthew s understanding of Jesus life and mission All totalled this study offers a refreshing exploration of Matthew s high ethical Christology      **Life of Jesus Research** Craig A. Evans,1996 This volume offers annotated bibliographies for all the major areas of critical scholarship in the historical Jesus It is an indispensable tool for research in this important field of the study      American Ecclesiastical Review Herman Joseph Heuser,1957      **The Passion of Our Lord** Erich Kiehl,2003-01-14 Though commentaries on the Gospels abound preachers and Bible students have few resources that draw on all four Gospels to tell the story of Christ s final week of ministry Up to date and informative The Passion of Our Lord lets each Gospel writer speak in his inspired account of Jesus passion Substantial background material informs the author s study and he weaves into his text copious insights from historical and archaeological sources He also takes into account Jewish messianic expectations showing how they as well as Roman and Jewish laws shaped events that fateful week Helpful maps diagrams and illustrations support the author s perceptive exposition Research surrounding the final week of Christ s ministry would not be complete without consulting The Passion of Our Lord      *Jesus Christ in World History* Jan A. B. Jongeneel,2009 Based on the author s thesis Th D Leiden University 1971      **The Contemporary Quest for Jesus** N. T. Wright, One of the most prominent voices in New Testament research today concisely explores what he sees as the six major questions historical Jesus research must address including How does Jesus fit into Judaism What were Jesus aims and Why did Jesus die      **The Incarnation of God** Hans Küng,1987-01-01 This work introduces the English speaking reader to the theoretical foundations of Kng s popular works an indispensable prolegomena for every future Christology      The Body of Creation James B. Pendleton,2020-05-15 In the modern period space has predominately been

conceived of as a mere setting for human action ontologically separate from the body. In Markan studies the result has been the multiplication of textual geographies that hide the spatiality of Jesus's narrativized and thus living body. Rather than representing Jesus's body as replicating the spatial configurations of dominant scribal cartographic practice including imperial practice, James B. Pendleton shows that Mark portrays Jesus's body as a living production of space that troubles dominant maps. Against readings of Mark that argue that Jesus is either an imperial or an anti-imperial figure, Pendleton argues that Mark presents Jesus's body and thus his spatiality as both inside as an insider and outside as an outsider simultaneously in what has more commonly been theorized recently as third spatiality or thirdspace. Rather than an imperial or anti-imperial economy of spatial production, Pendleton argues Mark presents Jesus's body within a both/and and more economy that is kenotic, revealing God's own royal yet emptying body. **Bart Ehrman Interpreted** Robert M.

Price, 2018-04-24 Arguably no scholar in the 21st century has had more of an impact on public discussion and debate over the historical Jesus and the development of early Christianity than distinguished professor of religious studies Bart D. Ehrman. He has introduced many new readers to crucial questions of biblical criticism in a series of bestselling books. In **Bart Ehrman Interpreted**, theologian and writer Robert M. Price evaluates Ehrman's body of work. Taking a collegial approach and rejecting polemics, Price defends Ehrman's writing against conservative attacks but also suggests a number of points at which Ehrman may be insufficiently or inconsistently critical. No matter one's views toward Ehrman, **Bart Ehrman Interpreted** will prompt much fruitful and positive discussion of his important work and of the popular and scholarly debates that surround it. **The**

**Branch** Preston T. Massey, 2018-07-24 The thesis of the book may be stated simply: it is an argument based upon the four prophetic texts of Jer 23:5, Zech 3:8, 6:12, and Isa 4:2 as a foundational pattern for the four Gospels. These four prophetic texts will be argued mention a King Branch, a Servant Branch, a Man Priest Branch, and a Lord God Branch. This study seeks to show how Matthew presents Jesus as the King Branch, Mark as the Servant Branch, Luke as the Priest Man Branch, and John as the Lord God Branch. Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4:6-7. Given the sum total of this sequence of literary facts, the conclusion of this book will raise a number of possible implications. One of these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts. *Judaism and Christianity* Alan Avery-Peck, Jacob Neusner, 2009-11-30

This volume treats the interrelationship between Judaism and Christianity from the first centuries and into modern times, paying particular attention to these faiths' social, cultural, and theological interactions. The issues covered range from the formation of Jewish and Christian ideology in the context of Roman paganism to the ways in which Christian culture and theology of the medieval and modern periods form a backdrop to the creation of Jewish identity. While the historical periods and issues discussed are diverse, the result is to suggest the importance of our recognizing the close development of Judaism and Christianity. Written by top scholars in Judaic and Christian studies, these essays reflect on how the two faiths related to

and were shaped by each other as they evolved in shared historical and cultural contexts even as each maintained its own distinctive ideologies and beliefs

The Dead Sea Scrolls and the New Testament George J. Brooke, Brooke illuminates the first century world shared by the Qumran community and the writers of the New Testament The Dead Sea Scrolls have provided Old Testament scholars with an enormous wealth of data for textual criticism as well as theology But as Brooke skillfully demonstrates New Testament scholars can use the Scrolls to learn more about the linguistic historical religious and social contexts of Palestine in the first century A wide range of topics and themes is discussed including Matthew's Beatitudes the lost song of Miriam Levi and the Levites women's authority and the use of scripture in the parable of the vineyard

*Exegetical Essays, 3rd Edition* Don Garlington, 2003-10-13 Exegetical Essays is a collection of thirteen biblical studies The purpose of each is to fill a gap in New Testament research or to offer alternate understandings of familiar passages The second edition of these Essays incorporates corrections and updated documentation and presents three new studies The order of the articles follows as closely as possible the canonical biblical text The book commences with a consideration of the biblical theological method followed by an Old Testament essay and then proceeds through the Gospels Paul and Revelation and concludes with review articles of two recent notable books

**The Covenant in Judaism and Paul** Christiansen, 2018-12-10 The Covenant in Judaism and Paul deals with biblical and intertestamental uses of covenant and related rituals challenging the view that baptism replaces circumcision since baptism is entry into the new covenant and showing that ritual boundaries are replaced or redefined since identity has changed The investigation uses social categories identity as a term that offers an explanation for a group's selfunderstanding and boundary as a term for entry rite of affirmation marker Part A looks at the Old Testament background to aspects of the covenant Part B examines covenant identity and rituals in Palestinian Judaism as featured in Jubilees the Temple Scroll the Damascus Document and the Community Rule It includes a brief analysis of the baptism administered by John the Baptist Part C analyses Paul's views on covenant circumcision and baptism against this background

*New Exodus in John* Kyungu Ra, 2019-01-07 This book explores Christ's identity and his works in the Gospel of John in the light of the New Exodus eschatological Passover It especially examines the relationship between the Passover and the firstborn who was substituted

by the paschal lamb The idea of the firstborn especially his death is reflected in some of the major Christological titles These include Only Son Beloved Son Davidic Messianic King Deutero Isaianic suffering Servant of the Lord and Son of Man It is also found in major themes reflected in the narratives of John 1-4 Above all John's Gospel introduces the Logos as the Only Son of God and Son of Man This probably alludes to the idea of the firstborn and the Son of Man figure who fulfils the calling of the Deutero Isaianic suffering Servant of the Lord He achieves the restoration of Israel from exile and the salvation of the gentiles as the sons of God Hence the Paschal New Exodus motif is an important prism for interpreting the Gospel of John and Johannine Christology
