Yardbird Suite Lawrence O. Koch,1988 A comprehensive study of jazz great Charlie Parker including details of record dates more than 200 musical illustrations and biographical material arranged chronologically and linked with Parker s recordings The Bird Stories are all here from Parker s Kansas City roots to his untimely death as well as the seminal journal article on Parker s music Ornithology that appeared in the Journal of Jazz Studies **A History of the Ozarks, Volume 2** Brooks Blevins,2019-09-30 The Ozarks of the mid 1800s was a land of divisions The uplands and its people inhabited a geographic and cultural borderland straddling Midwest and west North and South frontier and civilization and secessionist and Unionist As civil war raged across the region neighbor turned against neighbor unleashing a generation of animus and violence that lasted long after 1865 The second volume of Brooks Blevins s history begins with the region s distinctive relationship to slavery Largely unsuitable for plantation farming the Ozarks used enslaved persons on a smaller scale or in some places not at all Blevins moves on to the devastating Civil War years where the dehumanizing personal nature of Ozark conflict was made uglier by the predations of marching armies and criminal gangs Blending personal stories with a wide narrative scope he examines how civilians and soldiers alike experienced the war from brutal partisan warfare to ill advised refugee policies to women s struggles to safeguard farms and stay alive in an atmosphere of constant danger The war stunted the region s growth delaying the development of Ozarks society and the processes of physical economic and social reconstruction More and more striving uplanders dedicated to modernization fought an image of the Ozarks as a land of mountaineers and hillbillies hostile to the idea of progress Yet the dawn of the twentieth century saw the uplands emerge as an increasingly uniform culture forged for better and worse in the tumult of a conflicted era [Jazz Journal International](#) ,1987 **Children's Fiddling Method Volume 2** Carol Ann Wheeler,2016-04-27 This volume builds on the techniques explained in Children s Fiddling Method Volume 1 While created with children in mind this book is equally well suited for adults violinists and string teachers What sets this method apart from others is that the tunes will first be played slowly unaccompanied so that you can hear the notes and how the tune goes Then an arrangement follows which is more up to tempo with backup All of the tunes will be broken down into parts for easier learning and new fiddling techniques will be explained as they are introduced Often different versions will be offered for the same tune providing variety and a way to learn more concepts skills and ideas that can be used in other tunes the goal is to play along with the two included CDs Special features of this volume are some optional twin fiddle parts and tips on twin fiddling These pieces are great for teachers to use with students or for students to play with friends **Heads of Families at the First Census of the United States Taken in the Year 1790, South Carolina** United States.
