## **Marquette's Explorations The Narratives Reexamined:**

Marquette's Explorations: the Narratives Reexamined Raphael N. Hamilton, 1970

## **Marquette's Explorations**

Raphael N. Hamilton, 1970     *Jacques Marquette and Louis Jolliet* Laura M. Chmielewski, 2017-11-10 In this succinct dual biography Laura Chmielewski demonstrates how the lives of two French explorers Jacques Marquette a Jesuit missionary and Louis Jolliet a fur trapper reveal the diverse world of early America Following the explorers epic journey through the center of the American continent Marquette and Jolliet combines a story of discovery and encounter with the insights derived from recent historical scholarship The story provides perspective on the different methods and goals of colonization and the role of Native Americans as active participants in this complex and uneven process

**Books on Early American History and Culture, 1961-1970** Raymond D. Irwin, 2007-02-28 Each entry within this guide outlines scholarly books authors editors and publishers that exhibit the most useful information for research Following each detailed citation is a brief summary of the book Each book listed covers a wide variety of subjects in American history including Native Americans slavery gender and migration to rural life agriculture politics government and communication This volume is part of a series of annotated bibliographies on early American history and culture Extensive indexes thematic chapters and book summaries will assist any researcher in an easy manner Aside from outlining fantastic scholarly books this book includes chapters on general early American history historiography and public history to name a few This is the only comprehensive guide to early American history and culture for this period and it indicates which books from the 1960s have been most influential in the journal literature of the past twenty five years

**Jolliet and Marquette** Mark Walczynski, 2023-08-01 Often viewed in isolation the Jolliet and Marquette expedition in fact took place against a sprawling backdrop that encompassed everything from ancient Native American cities to French colonial machinations Mark Walczynski draws on a wealth of original research to place the explorers and their journey within seventeenth century North America His account takes readers among the region's diverse Native American peoples and into a vanished natural world of treacherous waterways and native flora and fauna Walczynski also charts the little known exploits of the French Canadian officials explorers traders soldiers and missionaries who created the political and religious environment that formed Jolliet and Marquette and shaped European colonization of the heartland A multifaceted voyage into the past Jolliet and Marquette expands and updates the oft told story of a pivotal event in American history

*The Ambiguous Iroquois Empire* Francis Jennings, 1984 Continues The invasion of America 1976 c1975

**Archaeology of the Great River Road** John T. Penman, 1984

*North American Exploration* John Logan

Allen, 1997-01-01 The three volumes of North American Exploration appraise the full scope of the exploration of the North American continent and its oceanic margins from prior to the arrival of Columbus until the end of the nineteenth century More than an assessment of historical events these volumes portray the process of exploration Without forgetting the romance of discovery the authors recognize that exploration encompasses a great deal more than the adventures themselves

All explorers are conditioned by the time place and circumstances of their efforts these determine objectives the behavior of explorers and the consequences of their discoveries The second volume includes the exploration of North America from the Spanish entrada of the sixteenth century to the British and Russian explorations of the Pacific coastal regions at the end of the eighteenth century a time during which North America was largely defined and understood in terms of advancing scientific viewpoints during the European Enlightenment Discovery gave way to Exploration and supposition to understanding

**The American Jesuits** Raymond A Schroth, 2007-10-01 Choice Outstanding Academic Title for 2008 A broad and compelling look at the impact of the largest Catholic order of men on American culture With infectious energy and a genuine gift for storytelling Raymond A Schroth recounts the history of Jesuits in the United States The American Jesuits isn t simply a book for Catholics it s for anyone who loves a well told historical tale For more than 450 years Jesuit priests have traveled the globe out of a religious commitment to serve others Their order the Society of Jesus is the largest religious order of men in the Catholic Church with more than 20 000 members around the world and almost 3 000 in the United States It is one of the more liberal orders in the Church taking very public stands in the U S on behalf of social justice causes such as the promotion of immigrants rights and humanitarian aid including assistance to Africa s poor and against American involvement in unjust wars Jesuits have played an important part in Americanizing the Catholic Church and in preparing Catholic immigrants for inclusion into American society Starting off with the first Jesuit to reach the New World he was promptly murdered on the Florida coast Schroth focuses on the key periods of the Jesuit experience in the Americas beginning with the era of European explorers many of whom were accompanied by Jesuits and some of whom were Jesuits themselves Suppressed around the time of the American Revolution the Society experienced resurgence in the nineteenth century arriving in the U S along with waves of Catholic immigrants and establishing a network of high schools and universities In the mid twentieth century the Society transformed itself to serve an urbanizing nation Schroth is not blind to the Society s shortcomings and not all of his story reflects well on the Jesuits However as he reminds readers Jesuits are not gods and they don t dwell in mountaintop monasteries Rather they are imperfect men who work in a messy world to find God in all things and to help their fellow men and women do the same A quintessential American tale of men willing to take risks for Indians blacks immigrants and the poor and to promote a loving picture of God The American Jesuits offers a broad and compelling look at the impact of this 400 year old international order on American culture and the culture s impact on the Jesuits

**The History of Wisconsin, Volume I** Alice E. Smith, 2013-03-28 Published in 1973 this first volume in the History of Wisconsin series remains the definitive work on Wisconsin s beginnings from the arrival of the French explorer Jean Nicolet in 1634 to the attainment of statehood in 1848 This volume explores how Wisconsin s Native American inhabitants early trappers traders explorers and many immigrant groups paved the way for the territory to become a more permanent society Including nearly two dozen maps as well as illustrations of territorial Wisconsin and portraits of early

residents this volume provides an in depth history of the beginnings of the state

**The Routledge Companion to Art and the Formation of Empire** Emily C. Burns,Alice M. Rudy Price,2025-05-30 This companion comprises essays that analyze interactions between art and global imperial relationships from 1800 to World War II The essays in this volume expose and add to historical layers of meaning in their discussions of art and empire Found across much of the globe sites of sedimentary rock allegorize the dynamics of art and empire and frame the section structure for this book Twenty two authors unpack imperial layers in a variety of global and historical contexts through case studies that center art and visual and material culture The authors show how art and aesthetics have operated as tools of empire Interpreting a comprehensive array of media as well as inter media dialogues they analyze and intervene in how we remember and examine entwinements between empire and aesthetic practices In this volume s attention to the role of art in imperial formation as well as the legacy of colonization the essays disentangle sediments of culture as they are moved and shaped by homogenizing forces of empire showing that the aesthetics of empire inflect not only individuals makers and economies but also practices of circulation and collecting The book will be of interest to graduate students researchers and professors and may be used in classes focused on art history imperialism and colonialism

**Dictionary of Midwestern Literature, Volume Two** Philip A. Greasley,2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest s continuing cultural vitality and the stature and distinctiveness of its literature

**An Archaeology of the Soul** Robert L. Hall,1997 The richness and the range of Native American spirituality has long been noted but it has never been examined so thoroughly nor with such an eye for the amazing interconnectedness of Indian tribal ceremonies and practices as in An Archaeology of the Soul In this monumental work destined to become a classic in its field Robert Hall traces the genetic and historical relationships of the tribes of the Midwest and Plains including roots that extend back as far as 3 000 years Looking beyond regional barriers An Archaeology of the Soul offers new depths of insight into American Indian ethnography Hall uncovers the lineage and kinship shared by Native North Americans through the perspectives of history archaeology archaeoastronomy biological anthropology linguistics and mythology The wholeness and panoramic complexity of American Indian belief has never been so fully explored or more deeply understood

**American Encounters** Peter C. Mancall,James Hart Merrell,2000 A collection of articles that describe the relationships and encounters between Native Americans and Europeans throughout American history

**The Catholic Historical Review** ,1973

**Native Land** Mary Ann Wells,1994-01-01 From the Native

American viewpoint a personal yet carefully documented chronicle about the lands that became the state of Mississippi. Virtually all written accounts of Native American history of the southeastern United States came from Europeans. Here filtered through a Native American perspective is a story of early Indian life in a region of the American South. This history for general readers has been assembled from many documentary resources to give the fascinating history of an enduring heritage. In pre-Columbian times the fertile and lushly forested lands that were destined to become the state of Mississippi had a flourishing population of many native tribes: Chickasaw, Taposa, Tunica, Yazoo, Chakchiuma, Koroa, Grigra, Natchez, Choctaw, Acolapissa, Biloxi, Pascagoula, and others. Few accounts have been written from their perspective. Until now there has been no book-length investigation of their history as told from their viewpoint. *An Inventory and Evaluation of Known Archaeological Resources in the Illinois and Michigan Canal National Heritage Corridor, Illinois*, 1985. **French Canadian and Acadian Genealogical Review**, 1971. **Upper Peninsula of Michigan: A History** Russell M. Magnaghi, 2017. Get ready to discover the rich history of the Upper Peninsula of Michigan. From its earliest days it has evoked words of love, beauty, mystery, and legend. Drawing on oral histories, newspapers, census data, archives, and libraries, Russell M. Magnaghi has written the seminal history of a very special place as seen through the eyes of the men and women who have lived here, the famous and not so famous. For the first time in over a century, a complete history of the U.P. from prehistoric origins to the present is available. *The Upper Peninsula of Michigan: A History* is an extraordinary book celebrating this unique sense of place. Back cover. **The Imperial Church** Katherine D. Moran, 2020-05-15. Through a fascinating discussion of religion's role in the rhetoric of American civilizing empire, *The Imperial Church* undertakes an exploration of how Catholic mission histories served as a useful reference for Americans narrating US settler colonialism on the North American continent and seeking to extend military, political, and cultural power around the world. Katherine D. Moran traces historical celebrations of Catholic missionary histories in the upper Midwest, Southern California, and the US colonial Philippines to demonstrate the improbable centrality of the Catholic missions to ostensibly Protestant imperial endeavors. Moran shows that as the United States built its continental and global dominion and an empire of production and commerce in the Gilded Age and Progressive Era, Protestant and Catholic Americans began to celebrate Catholic imperial pasts. She demonstrates that American Protestants joined their Catholic compatriots in speaking with admiration about historical Catholic missionaries: the Jesuit Jacques Marquette in the Midwest, the Franciscan Junípero Serra in Southern California, and the Spanish friars in the Philippines. Comparing them favorably to the Puritans, Pilgrims, and the American Revolutionary generation, commemorators drew these missionaries into a cross-confessional pantheon of US national and imperial founding fathers. In the process, they cast Catholic missionaries as gentle and effective agents of conquest, uplift, and economic growth, arguing that they could serve as both origins and models for an American civilizing empire. *The Imperial Church* connects Catholic history and the history of US empire by demonstrating that the religious dimensions of American imperial rhetoric have been as cross-

confessional as the imperial nation itself
