*Marriage in the Catholic Tradition* Todd A. Salzman, Thomas M. Kelly, John J. O'Keefe, 2004 The greatest scholars in the Catholic West offer these essays on marriage from a Catholic perspective Textbook style and including study questions and useful sidebars Marriage and the Catholic Church Michael G. Lawler, 2002 In this collection of theological essays Michael Lawler confronts difficult questions in the Catholic theology of marriage Lawler addresses questions about marriage and sacrament faith and sacrament divorce and remarriage cohabitation an Catholic models of marriage honestly historically accurately and pastorally He identifies and explores debated issues embraces a position on them and sustains his position with reasoned Catholic insight and pastoral sensitivity With an excellent command of the sources he offers a fresh look at the Catholic theology of marriage for a new millennium **Sex and Marriage in the Catholic Tradition** Douglas Richard Letson, 2001

**Catholic Church Saved My Marriage** Dr. David Anders, 2018-06-14 The Catholic Church saved my marriage and quite possibly my life So begins David Anders in this remarkably forthright book In it David reports that by the early 2000s his marriage was so painful he actually longed for death It wasn't simple incompatibility he and his wife had just one thing in common contempt for each other Today David and his wife are happy together not because of marriage therapy but because they came to know and fully embraced the Catholic Church's teachings on marriage Many people who encounter such teachings are shocked by their rigor Yet the Church offers much more than rules about sexual restraint she offers a way to make marriage into something supernatural even mystical Here Dr Anders shares his personal discovery of the Church's teaching on marriage and offers a robust defense of the Church's most controversial teachings including divorce remarriage gay marriage and contraception With the Church's teachings and the writings of the saints as his guide he also offers practical time tested ways to improve your marriage such as how to live in peace despite an unhappy marriage the value of suffering and ways to overcome your reluctance to forgive grave offenses In a culture that breaks apart marriages and undermines human dignity Dr David Anders offers a hope filled alternative for those who live moral and spiritual lives in union with Christ and His Church **Catholic Marriage** John Burke, 1999 **Marriage in the Catholic Church**, 1984

Marriage and Sacrament Michael G. Lawler, 2017-06-15 At a time in human history when women and men are more concerned about interpersonal relationships and when there is an extensive questioning of the specific relationship between a woman and a man in marriage *Marriage and Sacrament* offers an understanding of how to live out the Christ meaning and Church meaning of that relationship so that by living martially and sacramentally couples can reveal to the world and to the Church the deeper meaning of all human love The book examines the relationship among love marriage and sacrament it examines the meanings of the sacrament of marriage its biblical basis its history and what happens when it comes to an end it examines sexual love indissoluble love fruitful love and ecumenical love in relationship to both marriage and sacrament *Marriage and Sacrament* is an indispensable resource for pastoral ministers and ministry students as well as all who

contemplate or are now partners in marriage      *What Binds Marriage* Timothy Buckley, 2002-01-07 From apostolic times the Church has wrestled with the dilemma of how to defend its belief in the sanctity and permanence of marriage while at the same time ministering the love and compassion of Christ to those traumatised by the experience of marital breakdown Timothy Buckley is a Redemptorist priest who produced a report for the Catholic bishops of England and Wales on the pastoral situation among priests and people argues that the theology of the bond of marriage is responsible for an impasse which often limits the Church's official solutions to the granting of annulments By tracing the history of the teaching on the bond he concludes that the present discipline is based on disputable theology and he proposes a way forward An enlightened sound and original look at marriage today      **Human Sexuality in the Catholic Tradition** Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality *Human Sexuality in the Catholic Tradition* meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality explore the integration of our sexuality and our spirituality and develop life affirming and life sustaining ways of approaching contemporary sexual issues This book explores sexuality from spiritual psychological moral and ministerial perspectives and addresses specific issues such as sex and marriage celibacy homosexuality and cohabitation      **Secular Marriage, Christian Sacrament** Michael G. Lawler, 1985      **The Catholic Tradition, Second Edition** Timothy G. McCarthy, 2012-04-16 This expanded edition of a Loyola Press best seller traces profound changes in Catholicism's institutional intellectual and devotional life in this century Organized by theme authority mission social justice sexual morality and others the book explains Church thinking prior to Vatican II Church thinking now and the how and why of Council changes It shows the Church struggling to find the best way to maintain and hand on the Catholic tradition even as it engages in intrafaith and interreligious dialogue A new chapter on women in the Church their contributions and issues completes the update      *Mixed Marriages in the Catholic Church* Leo Herbert Lehmann, 1948      **Christian Marriage and Family** Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc
