Marriage Covenant Or Contract:

Marriage Craig Hill, Craig S. Hill, 1992 **Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context** Yordan Kalev Zhekov, 2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B Hays Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on marriage as covenant The relevant NT passages are examined through historical critical and narrative critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system **Divorce and Remarriage in the Bible** David Instone-Brewer, 2002-06-07 Through a careful exploration of the background literature of the Old Testament the ancient Near East and ancient Judaism Instone Brewer constructs a biblical picture of divorce and remarriage that is directly relevant to modern relationships **Christian Marriage and Family** Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Defining Marriage**, 2024-01-02 Defining Marriage Sketching the difference between Covenant and Contract will help those influenced by an Islamic society live out a covenant marriage Defining Marriage provides practical steps in how to apply the biblical covenant relationship The examples in Defining Marriage give actionable tips to help your marriage while reinforcing your biblical perspective The research by way of interviews will provide a practical insight into how others have observed differences between a Covenant and a Contractual marriage For others this contrast will clarify to Christians how the Bible promotes oneness and intimacy Defining Marriage will help those in and near an Islamic Society 1 Gives a Scriptural basis for why marriage is a covenant 2 Perceive how much Islamic marriage is a contract 3 See the necessity of a covenant spouse identity that believers need to apply 4 Analyze critical areas of difference like headship and submission 5 Provide a template for renewing one's marriage to the covenant ideas COVENANT THEOLOGY: A Critical

What God Has Joined Together Robert H. Vasoli, 1998 The United States is home to only 6% of the world's Catholics Robert Vasoli points out but it now accounts for 75% of all Church annulments two thirds of which are granted on ostensibly psychological grounds The real scandal though is not simply the numbers but that Church marriage courts annul thousands of marriages that are actually valid according to Catholic teaching Drawing on considerable research the author details precisely how these courts let divorced Catholics and many non Catholics as well bypass Catholic teaching and law The result has been a tidal wave in 1968 the American Church granted fewer than 600 annulments today it hands out more than 60 000 a year But Rome has not smiled on the performance of U S tribunals of those psychological annulments appealed to the Roman Rota the Vatican's highest marriage tribunal more than 90% are overturned
