

## 5. Marriage, a path to sanctity

---

- The sacrament of marriage grants to the spouses the graces necessary to sanctify themselves and others.
- It is the duty of the whole family – of the children too – to foster in a natural way the Christian atmosphere of a bright and cheerful home, sacrificing themselves to obtain the human and supernatural virtues proper to a family which was made holy by a sacrament from its beginning.

## **Marriage A Path To Sanctity:**

*Marriage* Javier Abad,2002      *Sanctity in Marriage and Family* Mary Mohen Kuruvilla,2017-08-21 Our allegiance to God makes us aware of the importance of safe guarding the permanence and unity of marriage The spouses made to the image of God enjoy the authentic dignity of persons God s mission for marriage is a call to communion to bring joy commitment to raise children and fullness of life      **Marriage as a Path to Holiness** David Ford,Mary Ford,1994-01      *16 Marriages That Made History* Gerard Castillo,2017-03-31      **The Conjugal Act as Personal Act** Donald P. Asci,2011-05-09 In contrast to the popular view of human sexuality the Catholic Church promotes an understanding that not only includes unique considerations on the ethical level but also appreciates the most profound aspects of sexuality In this insightful study Donald Asci shows how the Catholic concept of sexuality and sexual intercourse articulates the ethical norms by which these profound realities are preserved The teachings of the Church open the path to a fulfillment that only the deepest aspects of sexuality can supply Beyond the moral norms of the Church s sexual ethics lies a theology of sexuality that recalls what is at stake in the realm of sexual activity Thus the Church not only affirms marriage as the only morally acceptable context for sexual intercourse but also develops a specific concept of the conjugal act for husband and wife Asci s study is a great help in showing the beauty of the Church s teaching on the truly personal character of the conjugal act as love giving life giving grace giving and in providing the wider theological understanding of the human person male and female that serves as the context for this teaching William E May Author *Marriage The Rock on Which the Family is Built*      Sanctified Sex Noam Sachs Zion,2021-08 Sanctified Sex draws on two thousand years of rabbinic debates addressing competing aspirations for loving intimacy passionate sexual union and sanctity in marriage What can Judaism contribute to our struggles to nurture love relationships What halakhic precedents are relevant and how are rulings changing The rabbis of course seldom agree Underlying their arguments are perennial debates What kind of marital sex qualifies as ideal sacred self control of sexual desire or the holiness found in emotional and erotic intimacy Is intercourse degrading in its physicality or the highest act of spiritual mystical union And should women or men or both wield ultimate say about what transpires in bed Noam Sachs Zion guides us chronologically and steadily through fraught terrain seminal biblical texts and their Talmudic interpretations Talmud tales of three unusual rabbis and their marital bedrooms medieval codifiers and mystical commentators ultra Orthodox rabbis clashing with one another over radically divergent ideals and finally contemporary rabbis of varied denominations wrestling with modern transformations in erotic lifestyles and values Invited into these sanctified and often sexually explicit discussions with our ancestors and contemporaries we encounter innovative Jewish teachings on marital intimacy ardent lovemaking techniques and the art of couple communication vital for matrimonial success      **Courting Sanctity** Sean L. Field,2019-05-15 The rise of the Capetian dynasty across the long thirteenth century which rested in part on the family s perceived sanctity is a story most often told through the actions of male figures from Louis IX s

metamorphosis into Saint Louis to Philip IV's attacks on Pope Boniface VIII In *Courting Sanctity* Sean L Field argues that in fact holy women were central to the Capetians' self presentation as being uniquely favored by God Tracing the shifting relationship between holy women and the French royal court he shows that the roles and influence of these women were questioned and reshaped under Philip III and increasingly assumed to pose physical spiritual and political threats by the time of Philip IV's death Field's narrative highlights six holy women The saintly reputations of Isabelle of France and Douceline of Digne helped to crystalize the Capetians' claims of divine favor by 1260 In the 1270s the French court faced a crisis that centered on the testimony of Elizabeth of Spalbeek a visionary holy woman from the Low Countries After 1300 the arrests and interrogations of Paupertas of Metz Margueronne of Bellevillette and Marguerite Porete served to bolster Philip IV's crusades against the dangers supposedly threatening the kingdom of France *Courting Sanctity* thus reassesses key turning points in the ascent of the most Christian Capetian court through examinations of the lives and images of the holy women that the court sanctified or defamed

*Marriage As a Path Holiness* David Ford, Mary Ford, 2013-01-01      **Conversations with Josemaría Escrivá** José María Escrivá de Balaguer, Saint Josemaría Escrivá de Balaguer, 2002      *Confronting Religious Denial of Gay Marriage* Catherine M. Wallace, 2015-10-27

Writing in part for secular humanists non Christians and ex Christians Wallace locates the beginning of religious vilification of LBGTQ Americans these attacks recycle earlier equally reactionary political opposition to racial desegregation and equal rights for women Then step by step she lays out three major flaws in the religious argument against gay marriage First it derives from Plato and Greco Roman sexual anxieties not from Jesus Second opposition to gay marriage takes Bible verses out of context ignoring their roots in Iron Age biology sexual politics in the classic era and pagan ritual practices Third and most importantly this opposition reflects an inadequate moral theology based on a denial of contemporary science and social science Then and only then does she offer her own concept of marriage as a morally rooted creative process laying out common ground easily shared by Christian humanists and secular humanists alike Her nimble accessible account richly leavened by personal stories will facilitate new conversations and alliances among all those believers and nonbelievers alike who affirm the moral dignity of gay marriage      **Human**

**Sexuality in the Catholic Tradition** Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality *Human Sexuality in the Catholic Tradition* meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality explore the integration of our sexuality and our spirituality and develop life affirming and life sustaining ways of approaching contemporary sexual issues This book explores sexuality from spiritual psychological moral and ministerial perspectives and addresses specific issues such as sex and marriage celibacy homosexuality and cohabitation

Conversations with Saint Josemaría Escrivá, 2007 These interviews given during the lifetime of St Josemaría Escrivá explain the nature of Opus Dei and describe some basic aspects of its spirit and organization The replies of Opus Dei's founder despite the awkwardness of the inadequate juridical terminology at the time explain its aim to spread in all spheres of society a deep awareness of the universal call to holiness and apostolate in the fulfillment of one's ordinary professional work

Married Saints and Blesseds Ferdinand Holbock, 2017-06-21 Countless saints have been priests or religious living out lives of penance and sacrifice for the good of the Church But many Catholics don't realize that married couples are called to holiness as well Fr Holbock's tells the inspiring stories of over 200 married saints and blesseds from the Virgin Mary and St Joseph to Margaret of Scotland King Louis of France Thomas More and modern examples like Gianna Molla and Louis and Zélie Martin parents of St Thérèse of Lisieux The example of these holy men and women is essential to living a truly Catholic married life Important Church documents and scripture passages are also included to further guide and enlighten the reader Many illustrations

**Rooted in Love: Louis and Zélie Martin** Annette Goulden, 2021-04-27 When Sts Louis and Zélie Martin were canonized in 2015 they were the first spouses to be declared saints as a couple Their lives are proof that God works through ordinary families to draw his future saints like St Thérèse of Lisieux Louis and Zélie's youngest daughter toward holiness Even before their first encounter in the small town of Alençon France God was preparing Louis and Zélie for marriage Later he continued to sustain them powerfully in their married love and family life Rooted in Love Louis and Zélie Martin Models of Married Love Family Life and Everyday Holiness explores the stages of Louis and Zélie's marriage from the joys of parenthood through the sorrows of bereavement and ultimately to the challenges of single parenthood experiences which many families face today Author Annette Goulden demonstrates how amid both the joys and the sorrows of family life these saints grew in their understanding of God's love for them From the initial urge to earn God's favor with sacrifices and sufferings to a deeper understanding of God's unconditional love even in the minutiae of daily life God was their guide on the path to holiness a path that is open to all married couples This book is for both families and

individuals to offer them light and guidance to live their ordinary everyday life in closeness with God No matter one's vocation in life Louis and Z lie exemplify how everyday experiences such as being a working parent running a business or raising a difficult child can be sacramental if one is open to a trusting relationship with God even when he seems to be absent Whatever the situation a married couple find themselves in this saintly couple shows how daily actions and choices however small and ordinary are highly valued by God and can lead to holiness to a close relationship with him and to forming children who are strong in faith maturity and joy

*Heroic Hearts* Jennifer J. **Female Authority and Holiness in Early and Medieval Christianity** Maria Dell'Isola, 2025-05-06 This collective volume investigates the connection between women's holiness and the notion of time from a diachronic perspective By

looking at temporality as intertwined with the construction of social and gendered roles the volume analyses narratives related to the varying articulation of female authority considered against the wider background of Christian ideals of holiness between early Christianity and Byzantium Gendering the Renaissance Meredith K. Ray, Lynn Lara Westwater, 2023-04-14 The essays in this volume revisit the Italian Renaissance to rethink spaces thought to be defined and certain from the social spaces of convent court or home to the literary spaces of established genres such as religious plays or epic poetry Repopulating these spaces with the women who occupied them but have often been elided in the historical record the essays also remind us to ask what might obscure our view of texts and archives what has remained marginal in the texts and contexts of early modern Italy and why The contributors suggesting new ways of interrogating gendered discourses of genre identities and sanctity offer a complex picture of gender in early modern Italian literature and culture Read in dialogue with one another their pieces provide a fascinating survey of currents in gender studies and early modern Italian studies and point to exciting future directions in these fields International Marriages and Marital Citizenship Asuncion Fresnoza-Flot, Gwénola Ricordeau, 2017-07-14 While marriage has lost its popularity in many developed countries and is no longer an obligatory path to family formation it has gained momentum among binational couples as states reinforce their control over human migration Focusing on the case of Southeast Asian women who have been epitomized on the global marriage market as ideal brides and wives this volume examines these women's experiences of international marriage migration and states governmentality Drawing from ethnographic research and policy analyses this book sheds light on the way many countries in Southeast Asia and beyond have redefined marriage and national belonging through their regime of marital citizenship that is a legal status granted by a state to a migrant by virtue of his/her marriage to one of its citizens These regimes influence the familial and social incorporation of Southeast Asian migrant women notably their access to socio political and civic rights in their receiving countries The case studies analysed in this volume highlight these women's subjectivity and agency as they embrace resist and navigate the intricate legal and socio cultural frameworks of citizenship As such it will appeal to sociologists geographers socio legal scholars and anthropologists with interests in migration family formation intimate relations and gender
