*For Better Or Worse* Joni and Friends, Inc, 2019 Disability has a way of trying even the best of marriages The cumulative effects of daily routines that never vary social isolation financial pressures unmet expectations and a life that is vastly different from most couples can wear on the spirits of the strongest husband and wife Without Christ firmly in the center of the suffering a spouse can crack under the pressure that disability brings to the marriage Ken Tada husband to Joni Eareckson Tada shares that disability does not have to be the defining word in your marriage Instead disability is an invitation for you and your spouse to depend on Jesus in your weakness and grow closer to each other than you ever thought possible Ken shares how spouses can openly communicate about needs expectations disappointments and then ask God for

the help you need As you ask the transforming love of Jesus will be poured into your own heart so you can be poured out for your spouse Be encouraged that God knows you and your spouse intimately and promises that when you are weak he is strong and will be an ever present help in the trouble you are facing *With this Body* Gillian Parker,1993 Surveys the views of young people who have become disabled after marrying and of their partners regarding care within the marriage Finds that a lack of formal resources in the society at large results in dependence on informal care and that age class gender and power relations within the marriage affect the experience of disability and the degree to which independence from a partner s care is desirable Distributed by Taylor and Francis Annotation copyright by Book News Inc Portland OR
