Byron, 2005-04-08 In Testosterone Inc Tales of CEOs Gone Wild bestselling author and New York Post columnist Chris Byron chronicles the Gatsby like saga of the rise and fall of the celebrity CEO During the height of the 1990s bull market they were America s new heroes the heroes of business They were our bold new leaders cutting the fat pushing for productivity implementing visionary plans and making strategic deals When the bull market turned to bust and the applause turned to cat calls the world was shocked at the truth Drenched in money and public acclaim our CEO heroes mostly white mostly male mostly middle aged turned out to be not much different than a group of twenty something rock stars drunk on power and driven by sex greed and glamour Testosterone Inc goes behind the boardroom doors to show the serial affairs and marriages of these acquisitive corporate titans At the center of this story is Jack Welch the biggest of America s rock star CEOs and the former head of General Electric Co surrounded by mini me CEOs Ron Perelman of Revlon Al Dunlap of Sunbeam and Dennis Kozlowski of Tyco all gone wild in public displays of consumption and predatory appetites writ large Byron gets inside the bars where Welch liked to hang out and pick up women with his early business soul mate buddies Byron hovers unseen at the elbow of Ron Perelman and his mistress aboard the Concorde for a week in Paris in his mistaken belief that his wife knows nothing about his secret affair Byron peeks behind the curtains of a U S Army officers quarters to behold Al Dunlap horrifying his first wife who

claimed in her divorce action that Dunlap would point his knife at her and say I often wondered what human flesh tasted like
 Byron becomes a fly on the wall to chronicle the longing for respect and serial womanizing of Dennis Kozlowski Frequently
 hilarious sometimes heartbreaking Testosterone Inc follows the intertwined lives of these four corporate heroes from
 childhood to their ultimate moments of glory and the crash and burn calamities that followed as man s age old hunger for
 power greed and temptation undid them all From suicide to murder from dysfunctional childhoods to dysfunctional marriages
 in adulthood from business chutzpah to financial suicide here is the ultimate untold business story of our time what went on
 at century s end when testosterone got the best of businessmen everywhere and CEOs went wild *Forthcoming Books*

Law in Spanish Gitano Communities Susan Gay Drummond,2006 Comparative law and legal anthropology have traditionally
 restricted themselves to their own fields of inquiry Mapping Marriage Law in Spanish Gitano Communities turns this
 tendency on its head and investigates what happens when the voices of each discipline are invited to speak to each other
 Susan Drummond forges this hybrid form of comparative work through small and large scale studies of Gitano marriage law
 as it emerges in a Western European state in a modern urban centre and in particular communities and families Drummond s
 mapping of Gitano marriage law is grounded in ethnographic fieldwork in Andalucia The study draws initially from the
 tradition of comparative law to focus on the emergence of Spanish state family law in a predominantly national and
 international context Drummond then adopts the role of legal anthropologist to examine a particular legal culture that exists
 within and also beyond the Spanish state that of the Gitanos and the transnational Roma Ultimately she brings the
 international national and cultural dimensions of law into play with one another and contemplates how all of these influences
 bear on the spirit of Andalusian Gitano marriage law The result is an ethos of marriage law in a thoroughly mixed legal
 jurisdiction Mapping Marriage Law in Spanish Gitano Communities will appeal to scholars and students in comparative law
 and legal anthropology as well as readers interested in Roma studies in general and the Gitanos in particular *Sex and the*
City Nicole Evelina,2022-11-15 An insightful look at the cultural impact of the television phenomenon Sex and the City Back
 in the late 1990s and early 2000s one word was on everyone s lips sex Sex and the City had taken the United States and the
 world by storm Carrie Miranda Charlotte and Samantha influenced how a generation of women think practice and talk about
 sex allowing them to embrace their sexual desires publicly and unlocking the idea of women as sexual beings on par with
 men In Sex and the City A Cultural History Nicole Evelina provides a fascinating in depth look at the show s characters their

relationships and the issues the show confronted From sexuality and feminism to friendship and motherhood Evelina reveals how the series impacted viewers in the 1990s as well as what still resonates today and what has glaringly not kept up with the times The world has changed dramatically since the show originally aired and Evelina examines how recent social movements have served to highlight the show's lack of diversity and throw some of its storylines into a less than favorable light While Sex and the City had problematic issues it also changed the world's perception of single women emphasized the power of female friendship built brands and influenced fashion This book looks at it all from the pilot episode to the spin off movies prequel and reboot that together have built an enduring legacy for a new generation of women
