

Married And Gay An Intimate Look At A Different Relationship

Diane Raymond

Married And Gay An Intimate Look At A Different Relationship:

If You Seduce a Straight Person, Can You Make Them Gay? John Dececco, PhD, John Patrick Elia, 2014-05-01 The debate on whether or not people are born homosexual biological essentialist theory or become homosexual during the course of their lives social constructionist theory continues as each side claims to prove the truth through research and clinical findings This breakthrough book shows the fissures in concepts of the gay and lesbian identity and the one sidedness of both biological essentialist and social constructionist versions of both sexual and gender identity The editors present an alternative view sexual and gender expression is a product of complementary biological personal and cultural influences in *If You Seduce a Straight Person Can You Make Them Gay* Through theoretical analysis ethnographic and empirical data and case studies the editors show how the one sidedness of both biological essentialist and social constructionist versions of sexual and gender identity make it difficult if not impossible to conceptually determine the origin of an individual s sexual expression This thought provoking book covers many topics that are sure to cause readers to re evaluate their thinking about the origins of gay and lesbian identity Among the topics examined with this fresh perspective are Childhood Cross Gender Behavior and Adult Homosexuality Gay and Lesbian Teachers and Coming Out Homosexuality Marriage Fidelity and the Gay Community Case of Gay Husbands Can Seduction Make Straight Men Gay Gay and Lesbian Identities in Non industrialized Societies Surinam Dutch New Guinea Turkey Nicaragua and Argentina Political Economic Construction of Gay Male Identities Readers will clearly see that the controversy over the being born gay or becoming gay debate is far from resolved From the beginning the book explores how human beings are less constrained by biology than many would like to believe Social circumstances and economics cause some determination of identity but not exclusively Theoretical introductions to each chapter attempt to synthesize elements on both sides of this most contemporary debate

Bisexuality in the Lives of Men Erich W Steinman, Brett Genny Beemyn, 2014-06-03 Explore the theoretical political psychological and cultural issues surrounding male bisexuality *Bisexuality in the Lives of Men* is the first anthology to focus on men who love both men and women The theoretical scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy promiscuous confused deceptive unfaithful HIV positive the dominant images of bisexual men in our culture Whether portrayed as a coward who can t quite come out into full gayness or a smooth talking serial killer the bisexual man has been vilified in books and movies In scholarly studies they are often ignored or else lumped together with gay men It is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories gay and straight But while the use of the term bisexual has become much more common in the last decade an understanding of bisexuality itself lags far behind A lack of research on how bisexuality is experienced interpreted and encoded in literature film and other aspects of popular culture means that stereotypes stigma and confusion are still prevalent *Bisexuality in the Lives of Men* is a multidisciplinary examination of this neglected topic bringing together expertise reflecting divergent approaches and fields

to show the whole bisexual man Topics include a thoughtful review and analysis of the public health research on the role of bisexual men in HIV transmission a study of the marital consequences of a husband s bisexuality including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi male community an empirical study of the ways that bi negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality Bisexuality in the Lives of Men is an essential resource for anyone interested in the theoretical political and cultural issues of male bisexuality **Lesbian, Gay, and Bisexual**

Identities over the Lifespan Anthony R. D'Augelli,Charlotte J. Patterson,1995-02-09 Over the last fifteen years psychological research regarding sexual orientation has seen explosive growth In this book Anthony R D Augelli and Charlotte J Patterson bring together top experts to offer a comprehensive overview of what we have discovered and what we still need to learn about lesbian gay and bisexual identities Writing in clear nontechnical language the contributors cover a range of topics including conceptions of sexual identity development over the lifespan family and other personal relationships parenting and bigotry and discrimination Lesbian Gay and Bisexual Identities Over the Lifespan is essential reading for researchers students social scientists mental health practitioners and general readers who seek the most up to date and authoritative treatment of the subject available *Psychological Perspectives on Lesbian, Gay, and Bisexual Experiences* Linda Garnets,Douglas Kimmel,2003-05-14 Designed for both the undergraduate and graduate classroom this selection of important articles provides a comprehensive overview of current thought about the psychological issues affecting lesbians bisexuals and gay men The editors have revised and updated the introduction and included a new set of articles for the second edition most of which have been published since the release of the first edition of Psychological Perspectives The book is divided into eight sections that deal with the meaning of sexual orientation the psychological dimensions of prejudice discrimination and violence identity development diversity relationships and families adolescence midlife and aging mental health and the status of practice research and public policy bearing on homosexuality and bisexuality in American psychology

Married and Gay Brenda Maddox,1982 Education, Research, and Practice in Lesbian, Gay, Bisexual, and Transgendered Psychology Gladys L. Croom,2000 The Fifth Volume in the annual series Psychological Perspective on Lesbian and Gay Issues is devoted to providing a basic collection of resources for educators practitioners and researchers in Lesbian Gay Bisexual and Transgendered Psychology The volume and the series are sponsored by Division 44 of the American Psychological Association Academic psychologists have been challenged to make psychology curricula more inclusive Program changes involve revising undergraduate and graduate course material and content to represent the full spectrum of sexual orientation identity development and life dilemmas Similarly trainers and educators responsible for training in related mental health disciplines mental health agencies and other venues that deliver psychological services to Lesbian Gay

Bisexual And Transgendered Psychology individuals have been appropriately challenged to make training competent practitioners a priority Many practitioners who have had no training in Lesbian Gay Bisexual And Transgendered Psychology find themselves confronted with clients that they feel ill equipped to address They often have the desire to develop clinical competencies in this area but don't know where to begin This volume is intended to serve as a basic resource with information on salient lesbian gay bisexual and transgendered psychology issues and to provide the reader with a range of references and other resources to explore key identity development and other subjects

Reading the Rocks Brenda Maddox, 2017-11-21 A rich and exuberant group biography of the early geologists the people who were first to excavate from the layers of the world its buried history The birth of geology was fostered initially by gentlemen whose wealth supported their interests but in the nineteenth century it was advanced by clergymen academics and women whose findings expanded the field *Reading the Rocks* brings to life this eclectic cast of characters who brought passion eccentricity and towering intellect to the discovery of how Earth was formed Geology opened a window on the planet's ancient past Contrary to the Book of Genesis the rocks and fossils dug up showed that Earth was immeasurably old Moreover fossil evidence revealed progressive changes in life forms It is no coincidence that Charles Darwin was a keen geologist Acclaimed biographer and science writer Brenda Maddox's story goes beyond William Smith the father of English geology Charles Lyell the father of modern geology and James Hutton whose analysis of rock layers unveiled what is now called deep time She also explores the lives of fossil hunter Mary Anning the Reverend William Buckland Darwin and many others their triumphs and disappointments and the theological philosophical and scientific debates their findings provoked *Reading the Rocks* illustrates in absorbing and revelatory details how this group of early geologists changed irrevocably our understanding of the world

Nora Brenda Maddox, 2000 In 1904 having known each other for only three months a young woman named Nora Barnacle and a not yet famous writer named James Joyce left Ireland together for Europe unwed So began a deep and complex partnership and eventually a marriage which endured for thirty seven years This is the true story of Nora the woman who transformed by Joyce's imagination became Molly Bloom arguably the most famous female character in twentieth century literature It is also the story of Ireland a social history encapsulated in the vivid recreation of Joyce and his small Irish entourage abroad Ultimately it is the portrait of a relationship of Nora's complicated committed and at times shocking relationship with a hardworking hard drinking genius and with his work In *NORA THE REAL LIFE OF MOLLY BLOOM* the award winning biographer Brenda Maddox has given us a powerful new lens through which to see both James Joyce and the woman who was in turn his inspiration and his salvation

Later Life, Sex and Intimacy in the Majority World Krystal Nandini Ghisyawan, Debra A. Harley, Shanon Shah, Paul Simpson, 2024-07-22 Literature on sex intimacy and sexuality in later life has been heavily influenced by perspectives from more affluent regions

perpetuating the belief that the West is more sexually progressive and liberal than other cultures This book challenges this belief by exploring diverse cultures and perspectives from the majority world which are often overlooked It highlights the importance of learning from cultures in the global South and East dismantling stereotypes that frame them as sexually conservative or inferior Various drawing on structuralist postcolonial and decolonial theory as well as social anthropology the book critically examines binaries related to culture age sex and intimacy highlighting the need to decentre Western perspectives as the benchmark while other cultures and practices are misunderstood

Looking At Gay & Lesbian Life Diane Raymond,1993-06-30 Discusses gender roles human sexuality prejudice discrimination lesbian and gay politics AIDS gay culture and the homosexual in literature **Subject Catalog, 1982** Library of Congress,1982 **The Sexual**

Love's Rite R. Vanita,2005-10-20 This is the first book to examine the same sex weddings and same sex couple suicides reported in India over the last two decades Ruth Vanita examines these cases in the context of a wide variety of same sex unions from Fourteenth century narratives about co wives who miraculously produce a child together to Nineteenth century depictions of ritualized unions between women to marriages between gay men and lesbians arranged over the internet Examining the changing legal literary religious and social Indian and Euro American traditions within which same sex unions are embedded she brings a fresh perspective to the gay marriage debate suggesting that same sex marriage dwells not at the margins but at the heart of culture *Love's Rites* by Ruth Vanita is a finalist for a Lambda Literary Award

The Future of Gay Rights in America H.N. Hirsch,2020-03-25 Sandra Day O Connor has called the gay rights movement the first important civil rights struggle of the twenty first century Recent court decisions to overturn sodomy laws and to recognize gay marriage have emboldened activists but have also resulted in a tremendous backlash not the least of which has been a call for a constitutional amendment defining marriage as only between members of the opposite sex Through its historical and legal contextualization of these decisions *The Future of Gay Rights in America* is essential for understanding an epochal moment in the history of gay rights *Bisexualities* Fred Klein,Timothy J. Wolf,1985 An unbiased and revealing look at bisexuality an important variation and aspect of homosexuality

Leading sex researchers of bisexuality look at this often misunderstood sexual minority and explain the major issues affecting bisexual men and women today The authors bring to this book a solid understanding of the issues involving bisexuality and clarify many misconceptions surrounding this controversial area of human sexual identity The Handbook of Life-Span Development, Volume 2 ,2010-08-09 In the past

fifty years scholars of human development have been moving from studying change in humans within sharply defined periods to seeing many more of these phenomenon as more profitably studied over time and in relation to other processes The Handbook of Life Span Development Volume 2 Social and Emotional Development presents the study of human development conducted by the best scholars in the 21st century Social workers counselors and public health workers will receive coverage

of the social and emotional aspects of human change across the lifespan

Growth and Intimacy for Gay Men

Christopher J Alexander, 2014-04-04 *Growth and Intimacy for Gay Men A Workbook* is an educational workbook for gay men that covers a variety of topics including family of origin addiction self image dating and relationships AIDS and multiple loss and spirituality Each chapter provides an overview of the mental health concerns of gay men as well as exercises the reader can do to facilitate his personal understanding of the issues covered While the book is written in nontechnical language making it useful to the general public its wide selection of workbook exercises makes it useful for psychotherapists and counselors working with gay men *Growth and Intimacy for Gay Men* is written to the reader with brief examples from the author's work as a clinical psychologist helping gay men A central goal of the book is to normalize the feelings and experiences the reader has as many gay men feel like they're the only ones with their feelings or experiences The book's problem solving approach addresses family of origin provides exercises to identify and examine gay men's role in the family examine their childhood perceptions of being different and help them map out family patterns and dynamics self image includes self image assessment questionnaires and written exercises that challenge the reader to look at how they're affected by societal perceptions addiction explores why gay men are vulnerable to addictive behavior and offers strategies for change and self assessment exercises dating and relationships covers the unique challenges faced by gay men with exercises for single as well as coupled men AIDS and mental health provides exercises to help the reader examine the impact of AIDS on his own life and to assess the impact of multiple loss and prolonged grief Readers can do the workbook exercises on their own or therapists can assign chapters and exercises as homework with clients bringing the completed assignment to therapy for more in depth exploration and discussion By providing informative chapters and useful exercises *Growth and Intimacy for Gay Men* becomes an avenue through which gay men can understand their identity experiences and goals

The

Routledge Handbook of Family Communication Anita L. Vangelisti, 2021-12-27 This third edition again brings together interdisciplinary contributions to provide a comprehensive and multifaceted resource that reflects the breadth and depth of research on family communication and family relationships Chapters continue to address theoretical and methodological issues influencing current conceptions of family and cover communication occurring in a variety of family forms and across social cultural and physical contexts This third edition includes key updates such as The use and influence of social media and technology in families Parenting and communication in culturally and structurally diverse families Communication and physical health of family members Managing personal information about difficult topics in families The influence of the COVID 19 pandemic on family members This handbook is ideal for students and researchers interested in interpersonal and family communication relationships and family therapy within the disciplines of communication social psychology clinical psychology sociology and family studies

Gender, Sexuality, and Intimacy: A Contexts Reader Jodi O'Brien, Arlene

Stein, 2017-01-13 This new anthology brings together over 90 recent readings on gender sexuality and intimate relationships

from Contexts the award winning magazine published by the ASA Each contributor is a contemporary sociologist writing in the clear concise and jargon free style that has made Contexts the public face of sociology The editors have chosen pieces that are timely thought provoking and especially suitable for classroom use written introductions that frame each of the books three main sections and provided questions for discussion
