## **Married Man:**

*The Essential Guide for the Married Man* E Paul Allerton, 2020-12-02 Marriage and becoming a father are two of the most important Rites of Passage in a man's life Unfortunately our society no longer recognizes them as such nor do the elder men prepare counsel and train the younger men to succeed in these endeavors As a result good men and women enter marriage with false expectations and misconceptions about how to create a successful marriage and a meaningful life There is hope If you are struggling losing faith in your marriage don't quit You can learn and master the principles to be successful end the conflict save your marriage and restore your family If you are not married you can prepare yourself to enjoy the best that a lifelong marriage can bring You can lead your family to thrive providing your children a secure and loving home At the end of the day it all comes down to your ability to lead yourself and then your ability to lead your family based on your actions The direction of your leadership comes from the foundation of your life your purpose Your purpose will determine the qualities of character that you must develop You must consciously choose and master the attitude necessary to sustain the self discipline to navigate the storms of life so that you can serve your purpose If you remain focused on these four attributes of your life and firmly rooted in your values you will create an amazing legacy for yourself your wife your children and your community Truly practical guidance for real success

**Under the Kapok Tree** Alma Gottlieb, 2012-02-24

In this companion volume to *Parallel Worlds* Alma Gottlieb explores ideology and social practices among the Beng people of Côte d'Ivoire. Employing symbolic and postmodern perspectives she highlights the dynamically paired notions of identity and difference symbolized by the kapok tree planted at the center of every Beng village. This book merits a number of readings. An experiment in ethnography that future projects might well emulate. Clarke K. Speed, American Anthropologist. An evocative rich ethnography. Gottlieb does anthropology a real service. Misty L. Bastian, American Ethnologist. Richly detailed. This book offers a nuanced descriptive analysis which commands authority. Elizabeth Tonkin, *Man*. Exemplary. Gottlieb's observations on identity and difference are not confined to rituals or other special occasions; rather she shows that these principles emerge with equal force during daily social life. Monni Adams, *Journal of African Religion*. An excellent study. John McCall, *Journal of Folklore Research*. 1

[Corinthians](#) Dr. Matthew N. O. Sadiku, 2014-12. 1 Corinthians A Pentecostal Commentary. Every serious student of the Bible desires to understand the text, discover biblical principles and apply the truths to his/her life. This commentary is designed to help students, pastors and Bible teachers understand 1 Corinthians in a simple manner. Working from the popular New International Version (NIV), the author provides helpful commentary on the text, verse by verse. This verse by verse commentary is different from others in two respects. First, it is brief while some commentaries are unnecessarily wordy and verbose. Second, it is Pentecostal in outlook. This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible. First Corinthians has been described as the most practical, lengthy epistle Paul wrote. No other epistle covers so many different issues that are relevant to the Church today. [Letters, Volume 2 \(186-368\)](#) (The Fathers of the Church, Volume 28). Saint Basil, 2010-04. No description available. [Gender Practices in Contemporary Vietnam](#) Lisa Barbara Welch Drummond, Helle Rydstrøm, 2004. Confucianism, colonialism and socialism have all contributed significantly to gender relations in Vietnam. More recently, political and social change associated with modernization and globalization have also had an impact. How do the Vietnamese display their social positions and their identities as male or female? This volume examines negotiations and transgressions of gender within Vietnamese society, looking at gender, family, social and work relations. Bodily displays, body language and the occupation of space. Of special interest is a discussion of sexual harassment in schools and the workplace and the strategies women adopt to deal with it. The first discussion of this issue by a Vietnamese scholar.
