merchant business which counted Seth's ship among its assets Bess planned to show Seth how it felt to be betrayed if only her own searing attraction for the virile captain did not betray her first He Would Have Her Heart It was five years since the call of duty had swept Seth from Bess's sensuous embrace five years since the fickle vixen had written him off with a cruel letter And here she was aboard his ship even more beautiful and bewitching than before One taste of her sweet sea kissed lips was all it took to rekindle the flames of raging desire And as she filled the long shipboard nights with a blazing passion that consumed his very soul Seth knew he was lost lost in the rapturous wonder of a love that bound him now and forever to his stormy seductive Sea Mistress 100 000 Words **Sea Swept** Leah Cypess, 2025-04-29 The final book in the Sisters Ever After series of fairy tale retellings from the point of view of the siblings in the background this is the captivating of story Daria and her older sister Meria who has left their life under the sea for a human prince But when Meria needs Daria's help she must travel to the human world to save her older sister Daria grew up in Serema an underwater city where merfolk and humans live together in peace She's not interested in life out of the water unlike her older sister Meria who has fallen in love with a human prince Still when Daria gets a distress message from Meria she's willing to trade her mermaid tail for legs if it means getting her sister back below the surface as fast as possible Except Meria has vanished and none of the humans will tell Daria where she is In the strange world above the sea Daria will soon discover that she can't trust anyone and that whatever happened to her sister might happen to her next *Sea Jade* Phyllis A. Whitney, 2017-11-28 From a New York Times bestselling author In nineteenth century New England a desperate young woman's only refuge becomes an inescapable trap It was fitting that Miranda Heath's first glimpse of the forbidding home at Bascomb's Point was in the fury of a thunderstorm Despite her late father's caution to steer clear of his friend Obadiah Bascomb's New England mansion Miranda destitute as she was had no choice but to accept the old captain's charitable request Besides her father and Obadiah's adventurous past was as much a part of her heritage as their legendary ship the Sea Jade But it's beyond Miranda's imaginings when she finds herself swept up in an impetuous marriage with a friend of the Bascomb family a virtual stranger to her More victim than bride and at the mercy of her imposing new mother in law as well as Obadiah's mysterious wife and a threatening housekeeper Miranda fears the invitation to the isolated house was more a matter of revenge than rescue She has no way of knowing that buried in her own past is the key to a tragic mystery that's been left to her to solve if she's to make it out of Bascomb's Point alive The recipient of the Agatha Award for Lifetime Achievement Phyllis A Whitney is a superb and gifted story teller Mary Higgins Clark This ebook features an illustrated biography of Phyllis A Whitney including rare images from the author's estate **The Neptune Factor** Nicholas A. Lambert, 2024-02-15 Winner of the 2024 Samuel Eliot Morison Award for Naval Literature The Neptune Factor is the biography of an idea the concept of Sea Power a term first coined by Capt A T Mahan and the core thread of his life's work His central argument was that the outcome of rivalries on the seas have decisively shaped the course of modern history Although Mahan's scholarship has long been seen as foundational to all

systematic study of naval power Neptune Factor is the first attempt to explain how Mahan's definition of sea power shifted over time Far from presenting sea power in terms of combat as often thought Mahan conceptualized it in terms of economics Proceeding from the conviction that international trade carried across the world's oceans was the single greatest driver of national wealth and thus power in history Mahan explained sea power in terms of regulating access to the common and influencing the flows of trans-oceanic trade A nation possessing sea power could not only safeguard its own trade and that of its allies but might also endeavor to deny access to the common to its enemies and competitors A pioneering student of what is now referred to as the first era of globalization lasting from the late nineteenth century until the First World War Mahan also identified the growing dependence of national economies upon uninterrupted access to an interconnected global trading system Put simply access to the common was essential to the economic and political stability of advanced societies This growing dependence Mahan thought increased rather than decreased the potency of sea power Understanding the critical relationship between navies and international economics is not the only reason why Mahan's ideas remain or rather have once again become so important He wrote in and of a multi-polar world when the reigning hegemon faced new challenges and confusion and uncertainty reigned as the result of rapid technological change and profound social upheaval Mahan believed that the U.S. Navy owed the American people a compelling explanation of why it deserved their support and their money His extensive deeply informed and highly sophisticated body of work on sea power constituted his attempt to supply such an explanation Mahan remains as relevant and needed today as he was more than a century ago

The Dead Sea Scrolls on Sexuality William Loader, 2009-08-05 William Loader here investigates the Dead Sea Scrolls mining every document of potential relevance for understanding ancient attitudes towards sexuality aside from the biblical writings and there are many such documents They include the Temple Scroll 4QMMT the Damascus Document and a number of legal liturgical wisdom and exegetical documents These texts treat a wide range of matters pertaining to sexuality from ritual and cultic concerns to visions of human community and family in future expectation Far from the common view that the writers of the Scrolls held a low view of sexuality and marriage Loader concludes that most of these sources reflect an affirmative stance towards sex and marriage within a framework of clear boundaries marking out where sex did and did not belong The Dead Sea Scrolls on Sexuality offers the first comprehensive treatment of this subject and comprises both detailed exegetical discussion of each work and a synthetic analysis of themes The attention to detail displayed and the helpful summaries included make this book an indispensable resource for both scholar and general reader

The Shining Sea Koji Suzuki, 2022-07-26 IS HOPE ITSELF THE ONLY ANSWER The renowned author of the Ring novels unravels a story of lovers wrestling with the darkness within themselves be it selfishness lust or despair in a deeply introspective romantic mystery that will tug at your mind as well as your heart A seemingly amnesiac woman sits mutely before her psychiatrist Unable or perhaps unwilling to speak the only time she shows any hint of emotion is when she hums a song and the song becomes the

first clue Pregnant but abandoned by her lover who boarded a tuna boat to brave turbulent waters far from home she d waded into the pitch black waves one evening to drown herself because when you feel like you re stranded at sea all by yourself in the dead of the night those waves call for you lulling you to sink into the silence beneath What we go on to discover is a cursed fate a ruthless reality and the dark humor of a world ruled by the indifferent forces of chance They say you never know what the future holds but what if you re told that you only have precisely a fifty fifty chance of attaining happiness

Rabbinic Perspectives: Rabbinic Literature and the Dead Sea Scrolls Steven Fraade,Aharon Shemesh,Ruth Clements,2018-11-01 The studies in this volume examine the intersection of the Dead Sea Scrolls with early rabbinic literature This is a particularly rich area for comparative study which has not heretofore received sufficient scholarly attention While some of the contributions in this volume focus on specific comparative case studies others address far reaching issues of historical and comparative methodology Particular attention is paid to questions of the nature of sectarian and rabbinic law and how each may elucidate the other These studies model the directions that need to be pursued in future scholarship on the lines of continuity and discontinuity that connect and differentiate these two literary corpora and their respective religious cultures and social structures
