A Devil's Dictionary Wayne Kyle Spitzer,2019-07-30 An omnibus of science fiction fantasy and horror stories from Wayne Kyle Spitzer author of the Witch Doctor and Dinosaur Apocalypse series It is raining That s the first thing I notice the first thing that tells me I am no longer in the cockpit The second is that I m bleeding bleeding from the leg which is making it difficult to press the attack The third is that I m dying as is my opponent dying beneath a blood red sky It is finished he says stumbling forward and back his blood flowing freely his hair matted in sweat Look at you Your broadsword is shattered Your armor is compromised Why is it you continue But I do not know why I continue only that I was a Crash Diver once and will be so again and so must face the vision endure its consequences Endure them so that future generations may bridge the gulf of galaxies At last I say Are you better off We die together Sir Aglovere Surely you But I am baffled by my own voice so familiar and yet strange and by my own words which have materialized from nowhere And then he is charging hacking at me wildly and I am forced back along the hedgerow until I lose my footing over a protruding root and topple headlong into the mud and bramble whereupon my opponent falls on what s left of my sword and is promptly run through his entrails unspooling like loops of linked sausage and his eyes turning to empty glass At length he says We kill ourselves and laughs even as I push him off me And then we just lay there staring at the sky neither of us saying anything as our blood pools together and spirals down the slope As the clouds continue to rumble pouring rain into our dying eyes
