Martha Martha Freud:

Martha Freud Katja Behling, 2006-03-17 Who was Martha Bernays the Hamburg born woman who after a long and turbulent engagement and against the opposition of her mother married the Viennese doctor Sigmund Freud and lived at his side for more than fifty years as wife and mother of six How did she feel coming from a traditional Jewish family but living in a household with no religious background How did she cope with the challenge of being married to the man whose work revolutionized our ways of thinking about human sexuality In this the first biography of Martha Freud Katja Behling portrays this remarkable woman whose loyalty and steadfastness contributed in no small measure to the extraordinary success of psychoanalysis as it went from strength to strength and spread from Vienna to the four corners of the earth **Martha Freud** Katja Behling, 2006 Alors que dans ses textes fondateurs Freud a th oris sa propre histoire jamais sinon dans sa correspondance il n a fait allusion la femme qui lui ouvrit les premi res perspectives sur le champ de l rotisme dans la psychanalyse du XXe si cle son pouse pendant plus de cinquante ans et la m re de ses six enfants Martha Bernays 1861 1951 originaire d une famille juive orthodoxe de Hambourg Elle supporta contre la volont de sa m re une longue et prouvante p riode de fian ailles avec un m decin viennois ath e et plus riche d espoirs professionnels que de revenus Elle n exprima jamais le moindre int r t intellectuel pour ses recherches Quel fut son r le v ritable aux c t s de Freud Confidente voire inspiratrice ou simple ducatrice des enfants Amoureuse d ue pouse r sign e ou pouse panouie A partir de ces questions cl s Katja Behling psychoth rapeute et journaliste dresse le portrait d une femme modeste et remarquable dont le d vouement et la force de caract re servirent de point d appui l laboration des principes fondamentaux du discours sur l inconscient d velopp par Sigmund Freud *The Freud Scenario* Jean-Paul Sartre, 2013-03-12 In 1958 the US director John Huston asked Jean Paul Sartre to write a scenario for a film about Sigmund Freud Huston wanted Sartre to concentrate on the conflict ridden period of Freud s life when he abandoned hypnosis and invented psychoanalysis The Freud Scenario discovered in Sartre s papers after his death is the result a deft portrait of a man engaged in a personal and intellectual struggle that would prove a turning point in twentieth century thought Sartre did not regard this script as a diversion from his larger intellectual project Freud s preoccupations with female hysteria and the father relationship touched on major themes in his own work and Loser Wins The Family Idiot and Words some of Sartre s most celebrated publications are all in some way derived from his work for Huston Written for a Hollywood audience The Freud Scenario demonstrates that in addition to a towering intellect Sartre enjoyed a genuine popular touch Already widely acclaimed in France The Freud Scenario stands as a valuable testament to two of the most influential minds in modern history *Mrs. Freud: A Novel* Nicolle Kress-Rosen, 2005 Imagines a long correspondence between Martha Freud the eighty five year old widow of psychoanalyst Sigmund Freud and an American journalist in which Martha examines her life struggling to answer the question of why she let herself be upstaged throughout it by her husband her sister and her daughter *Freud* Joel Whitebook, 2017-01-16 The life and work of Sigmund Freud

continue to fascinate general and professional readers alike Joel Whitebook here presents the first major biography of Freud since the last century taking into account recent developments in psychoanalytic theory and practice gender studies philosophy cultural theory and more Offering a radically new portrait of the creator of psychoanalysis this book explores the man in all his complexity alongside an interpretation of his theories that cuts through the stereotypes that surround him The development of Freud's thinking is addressed not only in the context of his personal life but also in that of society and culture at large while the impact of his thinking on subsequent issues of psychoanalysis philosophy and social theory is fully examined Whitebook demonstrates that declarations of Freud's obsolescence are premature and with his clear and engaging style brings this vivid figure to life in compelling and readable fashion

The Bloomsbury Handbook to Literature and Psychoanalysis Jeremy Tambling, 2023-03-09 Providing the most comprehensive examination of the two way traffic between literature and psychoanalysis to date this handbook looks at how each defines the other as well as addressing the key thinkers in psychoanalytic theory Freud Klein Lacan and the schools of thought each of these has generated It examines the debts that these psychoanalytic traditions have to literature and offers plentiful case studies of literature's influence from psychoanalysis Engaging with critical issues such as madness memory and colonialism with reference to texts from authors as diverse as Shakespeare Goethe and Virginia Woolf this collection is admirably broad in its scope and wide ranging in its geographical coverage It thinks about the impact of psychoanalysis in a wide variety of literatures as well as in film and critical and cultural theory

Love in Vienna Barry G. Gale, 2015-11-02 For many decades critics and supporters of Freudian theory have debated the exact nature of Freud's relationship with his sister in law This book examines the arguments pro and con in light of recently exposed evidence the first study to do so in depth For many decades controversy has surrounded the exact nature of famed psychoanalyst Sigmund Freud's relationship with Minna Bernays his sister in law Why did Freud and Bernays travel alone together on many occasions Why did she seem to be so much closer to Freud than his own wife Martha The idea that Freud and Minna Bernays had a long standing affair an allegation that Freudians typically deny was first mentioned by Carl Gustav Jung an early supporter of Freud's and later a critic Love in Vienna The Sigmund Freud Minna Bernays Affair provides the first comprehensive look at the relationship and offers conclusions as to its nature and the implications for Freud's life and work Organized logically the book provides background information regarding the two chief antagonists in the story Sigmund Freud and Carl Gustav Jung It then presents and critically analyzes arguments for and against there having been an affair Finally it looks closely at Freud's relationships with both Minna Bernays and his wife Martha Minna's sister and offers conclusions as to the exact nature of Freud's relationship with Bernays Beyond fascinating those studying Freud or his theories this work's subject matter and insights will appeal to readers interested in the history of psychology psychoanalysis and psychiatry the intellectual history of Europe the history of sex and manners the history of ideas the fin de siècle period in Vienna and the history of medicine

Freud: A Life for Our Time Peter Gay, 1998-09-17 A

national bestseller A magisterial contribution to the history of ideas A fresh illuminating perspective on one of the pivotal figures of our time J Anthony Lukas This remarkable biography briskly traces the story of Freud s life and education deftly weaving the familiar narrative with a style that makes it seem fresh and lively Chicago Tribune **Freud, Dora, and Vienna 1900** Hannah S. Decker,1992-09-21 The psychoanalytic encounter of Sigmund Freud at mid life and Dora an emotionally troubled adolescent suffering from hysteria provides a glimpse into the private lives of upper middle class Jews in fin de siecle Vienna their professional concerns familial relations sexual undercurrents and responses to the social forces of anti semitism and the derogation of women Decker places the treatment of Dora in a larger social and historical context and pursues the lives of the two protagonists before and after their meeting Drug Wars Curtis Marez,2004 Inaugurated in 1984 America s War on Drugs is just the most recent skirmish in a standoff between global drug trafficking and state power From Britain s nineteenth century Opium Wars in China to the activities of Colombia s drug cartels and their suppression by U S backed military forces today conflicts over narcotics have justified imperial expansion global capitalism and state violence even as they have also fueled the movement of goods and labor around the world In Drug Wars cultural critic Curtis Marez examines two hundred years of writings graphic works films and music that both demonize and celebrate the commerce in cocaine marijuana and opium providing a bold interdisciplinary exploration of drugs in the popular imagination Ranging from the writings of Sigmund Freud to pro drug lord Mexican popular music gangsta rap and Brian De Palma s 1983 epic Scarface Drug Wars moves from the representations and realities of the Opium Wars to the long history of drug and immigration enforcement on the U S Mexican border and to cocaine use and interdiction in South America Middle Europe and among American Indians Throughout Marez juxtaposes official drug policy and propaganda with subversive images that challenge and sometimes even taunt government and legal efforts As Marez shows despite the state s best efforts to use the media to obscure the hypocrisies and failures of its drug policies be they lurid descriptions of Chinese opium dens in the English popular press or Nancy Reagan s Just Say No campaign marginalized groups have consistently opposed the expansion of state power that drug traffic has historically supported Curtis Marez is assistant professor of critical studies at the University of Southern California School of Cinema Television Longing for Nothingness Andrew Stein,2010-01-25 In Longing for Nothingness Resistance Denial and the Place of Death in the Nursing Home Andrew Stein offers a groundbreaking new psychoanalytic treatment of the depression and other mental conflicts suffered by residents living in nursing homes Freud famously argued that humans had a dual drive toward life and toward death and in this new study Stein shows that residents may suffer because they cannot control one part of that dualism their longing for nothingness Weaving together elements of Freud s life and writings Lacanian and Kleinian notions and clinical material in a new and surprising manner Stein shows that a frightening breakdown of symbolic and imaginary defenses opens nursing home residents to these deeply repressed longings Because they often do not know how to respond the result is an increase

in their suffering and tendency to despair Longing for Nothingness makes an impassioned plea for all people not only residents of nursing homes to fully acknowledge the role of death in the structures of their desires By doing this they will be spared the unnecessary suffering caused by the struggle to keep their longings for death repressed Stein presents an alternate strategy bringing the longings for death a little more into consciousness where they can be addressed without fueling debilitating symptoms like depression and rage *Freud and Moses* Emanuel Rice, M.D.,1990-10-02 **The Americanization of Narcissism** Elizabeth Lunbeck,2014-03-10 American social critics in the 1970s seized on narcissism as the sickness of the age But they missed the psychoanalytic breakthrough that championed it as the wellspring of ambition creativity and empathy Elizabeth Lunbeck's history opens a new view on the central questions faced by the self struggling amid the crosscurrents of modernity *Sigmund Freud* Alistair Ross,2022-04-29 Sigmund Freud's name is known throughout the world He opened up the world of the unconscious so people can understand themselves so much better than before His unique ideas are discussed in academic circles His psychoanalytic techniques influenced mental health counselling psychotherapy and psychiatry His words form part of everyday language Lying on a couch and having dreams interpreted by an analyst is an iconic picture of modern life and popular culture *Sigmund Freud A Reference Guide to Her Life and Work* captures his eventful life his works and his legacy The volume features a chronology an introduction a comprehensive bibliography and the dictionary section lists entries on Freud his family friends and foes colleagues and the evolution of psychoanalysis *Quixotic Desire* Ruth Anthony El Saffar,Diana de Armas Wilson,2019-06-07 In this venturesome collection scholars representing a variety of approaches contribute fifteen essays that shed new light not only on the uses of psychoanalysis for reading Cervantes but also on the relationship between Freud's reading of Cervantes in the summer of 1883 and the very foundation of psychoanalytic paradigms **Freud 2000** Anthony Elliott,1999 *Freud 2000* is a bold defense of the relevance and importance of Freud to contemporary culture offering a highly readable and lucid application of Freudian concepts to current theoretical issues in the social sciences and the humanities Issues addressed include the impact of Freud on our understandings of identity and sexuality the relationship between psychoanalysis and feminism problems of epistemology and method the analysis of political violence and international relations the temporal and spatial constitution of social practices the coherence of law and jurisprudence the interpretation of biography and autobiography and the dynamics of modernity and postmodernism **On the Couch** Andrew Blauner,2024-05-14 Sigmund Freud is known as the father of psychoanalysis and champion of the talking cure who charted the human unconscious He is also a polarizing figure with many defenders and detractors Some of the concepts associated with Freud include free association transference Oedipus complex repression the unconscious and a model of psychic structure comprising id ego and super ego Andrew Blauner envisions this book as a fresh new assessment of Freud's relevance and resonance Blauner puts Freud on the couch analyzing the great analyst exploring who he was why he did what he did and his lasting impact on

Western thought culture and society both as a psychiatrist and as a writer He has contributions from a diverse group of 25 writers with different views and perspectives *Living in the Shadow of the Freud Family* Sophie Freud, 2007-04-30 I had to do something to escape Hitler's clutches writes Esti Freud Yet she waits with her then 16 year old daughter Sophie in Paris until German canons can be heard in the distance before deciding to escape by bicycle across France as Sophie keeps looking back to see whether German tanks will overtake them Both women survive and in their own ways come to feel a need to keep a personal record of those tumultuous times Thus in a memoir written at age 79 Esti Freud daughter in law of Sigmund Freud and wife of his oldest son Martin looks back on her life starting before the 20th century lived on three continents and stretched through two world wars and the Holocaust Twenty years after her mother's death daughter Sophie turned to Esti's memoir as the scaffold for this book expanding it through family letters archival material and her own diary penned as a teenager Out of these documents Sophie Freud has created a many voiced mosaic including letters and insights from a wide cast of characters who tell the story of a famous family and of a century This work gives an insider's in law view of the family Freud its foundations and flaws The relationship between Esti daughter of a wealthy Vienna attorney and her husband Martin Freud is foreshadowed by the young lovers fathers At first meeting Esti Sigmund told his son the glamorous woman was too beautiful for the clan meaning her splendor belied a lifestyle not conducive to the frugal Freud ways And Esti's father on hearing of her love for Martin expressed regret she was involved with a man who was not a financially favorable linkage and that his family was not respectable since patriarch Sigmund was just another psychiatrist and one who writes pornography books at that Thus begins the ill fated relationship that would rock two families and a generation of children to come Sophie weaves into the text letters she inherited including letters from Martin while he was a prisoner of war and excerpts from her own diary kept as an adolescent The resulting mosaic will fascinate and perhaps disturb readers interested in Freud and psychoanalysis as well as those intrigued by relationships and family **An Anatomy of Addiction** Howard

Markel, 2012-07-03 Acclaimed medical historian Howard Markel traces the careers of two brilliant young doctors Sigmund Freud neurologist and William Halsted surgeon showing how their powerful addictions to cocaine shaped their enormous contributions to psychology and medicine When Freud and Halsted began their experiments with cocaine in the 1880s neither they nor their colleagues had any idea of the drug's potential to dominate and endanger their lives *An Anatomy of Addiction* tells the tragic and heroic story of each man accidentally struck down in his prime by an insidious malady tragic because of the time relationships and health cocaine forced each to squander heroic in the intense battle each man waged to overcome his affliction Markel writes of the physical and emotional damage caused by the then heralded wonder drug and how each man ultimately changed the world in spite of it or because of it One became the father of psychoanalysis the other of modern surgery Here is the full story long overlooked told in its rich historical context *Freud's Dora* Marge
