The Oxford Handbook of Politics and Performance Shirin M. Rai,Milija Gluhovic,Silvija Jestrovic,Michael Saward,2021-02-19 Political scientists and political theorists have long been interested in social and political performance Theatre and performance researchers have often focused on the political dimensions of the live arts Yet the interdisciplinary

nature of this labor has typically been assumed rather than rigorously explored Further it is crucial to bring the concepts of theatre and performance deployed by other disciplines such as psychology law political anthropology sociology among others into a wider as well as deeper interdisciplinary engagement Embodying and fostering that engagement is at the heart of this new handbook The Handbook brings together leading scholars in the fields of Politics and Performance to map out the evolving interdisciplinary engagement The authors drawn from a wide range of disciplines investigate the relationship between politics and performance to show that certain features of political transactions shared by performances are fundamental to both disciplines and that they also share to a large extent a common communicational base and language The volume is organized into seven thematic sections the interdisciplinary theory of politics and performance performativity and theatricality protest regulation resistance change authority identities race gender sexuality class citizenship indigeneity sites states borders markets law religion scripts accountability authority and legitimacy security ceremony sustainability body voice and gesture representation leadership participation rhetoric disruption and affect media care love empathy comedy populism memory
