Ma chère petite âme Martin Heidegger,2007 Ma ch re petite me c est ainsi que tr s souvent Martin Heidegger commence les lettres qu il crit sa femme Elfride Ce volume dit par leur petite fille Gertrud contient un septi me environ des quelque mille lettres et cartes crites entre 1915 et 1970 dont toutes celles conserv es entre 1933 et 1938 avec de br ves notes factuelles permettant de les situer Compte tenu du cours des choses en France affaire Heidegger il se pourrait que nombre

de lecteurs entrent dans cette correspondance armés d'une unique question dans le genre Voyons s'il y a là dedans du nazisme et de l'antisemitisme Cette entrée s'avérera décevante Car la vraie question tout fait porte par la vie du couple telle que ces lettres nous la montrent est la suivante Heidegger est certainement un grand philosophe qui a été aussi et en même temps un nazi très ordinaire C'est comme ça Que la philosophie s'en débrouille Cette correspondance permet d'accompagner de l'intérieur sur la longue durée les intrants de pensée et les sources d'inspiration Mais la nouveauté la plus éclatante est d'ordre biographique voire existentiel Heidegger Elfride un couple de l'époque existentialiste On est frappé par l'alliance avec laquelle Heidegger accepte le fils adultérin Hermann dont la brève postface ici même est de l'ordre du coming out Pour qui comme Nietzsche est convaincu qu'en définitive une philosophie est la biographie de son auteur le portrait de lui même que Heidegger dessine pour son épouse est clairement déchiffrable comme un clairoissement des procédures de sa pensée C'est bien l'image d'une province catholique allemande et d'un chalet de montagne qu'il faut se représenter l'originel la patrie l'accueil ou le lieu C'est bien l'image d'Elfride qu'il faut se représenter la sainteté latente de l'autre Et inversement on lit dans le recteur excitant l'intrigant des commissions académiques le mari dont les infidélités incessantes trament la fidélité quelque chose qui excède absolument leur apparence qui les noue de façon intime et puissante une pensée neuve

Le problème des réalités dans la philosophie moderne Martin Heidegger, 2024-05-09 Une nouvelle traduction en de l'ouvrage de jeunesse de Heidegger Le problème des réalités dans la philosophie moderne publié l'origine en 1912 sous le titre allemand Das Realitäts Problem in der Modernen Philosophie Cette édition contient une nouvelle postface du traducteur une chronologie de la vie et de l'œuvre de Heidegger un index philosophique des principaux concepts heideggeriens et un guide de la terminologie existentialiste des 19e et 20e siècles Cette traduction est conçue pour être lisible et accessible la philosophie nigmatique et dense de Heidegger Les termes philosophiques complexes et spécifiques sont traduits aussi littéralement que possible et les notes de bas de page académiques ont été supprimées pour faciliter la lecture Cet ouvrage est essentiel pour comprendre son approche initiale de l'ontochronologie qui a conduit ses thèses avancées sur la phénoménologie du temps dans son œuvre majeure être et temps Heidegger soutient ici que le temps dans les sciences historiques n'est pas une série mathématique homogène comme en physique mais plutôt un concept qualitatif dépendant du contexte Il souligne l'importance de comprendre le temps en relation avec les objectifs et les méthodologies spécifiques de la science historique et postule que le temps dans l'histoire a une signification et une fonction uniques profondément liées au contexte culturel et humain des événements historiques Cette approche reflète une enquête philosophique plus large sur la nature de l'être et de la temporalité que Heidegger développera dans ses œuvres ultérieures La métaphysique a triomphé du rationalisme et de l'empirisme en tant que seul domaine orienté vers la seule question qui compte

Correspondence: 1919-1973 Martin Heidegger, Karl Löwith, 2021-11-04 This volume consists of over one hundred epistolary exchanges between Martin Heidegger and one of his earliest students Karl Löwith who became a renowned and accomplished philosopher in his own right The letters span a

period of just over fifty years and range from casual to philosophical in tone. The more philosophically oriented letters shed important light on the ideas and writings of both Heidegger and L with while the more casual letters provide insight into Heidegger the teacher the man and the friend as well as into L with the devoted but reflectively critical student. By providing previously untranslated materials this volume contributes to a greater understanding of the lives and the work of these two crucially important philosophers. Additionally through the various bibliographical and cultural details that are disclosed along the way this volume contributes to a greater understanding of German intellectual and cultural history during the span of its most challenging and devastating years. Martin Heidegger- Erhart Kästner Hubert Carron, 2021-02 **Letters,**

1925-1975 Hannah Arendt, Martin Heidegger, 2004 When they first met in 1925 Martin Heidegger was a star of German intellectual life and Hannah Arendt was his earnest young student. What happened between them then will never be known but both would cherish their brief intimacy for the rest of their lives. The ravages of history would soon take them in quite different directions. After Hitler took power in Germany in 1933 Heidegger became rector of the university in Freiburg delivering a notorious pro Nazi address that has been the subject of considerable controversy. Arendt a Jew fled Germany the same year heading first to Paris and then to New York. In the decades to come Heidegger would be recognized as perhaps the most significant philosopher of the twentieth century while Arendt would establish herself as a voice of conscience in a century of tyranny and war. Illuminating revealing and tender throughout this correspondence offers a glimpse into the inner lives of two major philosophers. **Martin Heidegger à Hannah Arendt** Pio Colonnello, 2014-05-02T00:00:00+02:00

Hannah Arendt fut tout d'abord l'élève puis la muse et l'amie de Martin Heidegger avant de devenir la collègue et la critique s'vante de son ancien maître. À la différence de Heidegger qui pour un laps de temps plutôt bref adhéra au parti nazi lorsqu'il fut le recteur de l'université de Fribourg en 1933 Hannah Arendt fut quant elle contrainte de se réfugier aux États-Unis cause de ses origines juives. Pendant une vingtaine d'années toute relation entre le maître et son élève fut interrompue. En 1950 Hannah Arendt rentra en Europe et contre toute attente voulut revoir son ami d'autrefois. C'est cette époque que reprit leur relation épistolaire. Cet ouvrage reporte le lecteur au tout début de leur amitié retrouvée travers un jeu nigmatique d'allusions et de renvois. Heidegger évoque dans une longue lettre les épisodes majeurs de sa vie politique académique et de penseur l'amour pour son élève et des fragments d'événements oubliés dans le passé retrouvés grâce la puissance de l'imagination et de la mémoire. *Correspondence 1949-1975* Martin Heidegger, 2016 A complete English translation of the correspondence between the philosopher Martin Heidegger and the novelist and essayist Ernst Jünger together with a translation of Jünger's essay *Across the Line*. *Pensées directrices* Martin Heidegger, 2019-05-02T00:00:00+02:00 Heidegger a consacré de nombreux développements réflexions notes projets bauchés des questions sur lesquelles sa pensée a marqué la philosophie du XXe siècle l'essence de la technique moderne son rapport la métaphysique de la puissance et au programme d'objectivation de l'être par la science. Letters to His Wife Martin Heidegger, 2008-09-22 There is something absolute about the letters between you The letter is a form of communion of the soul spirit one that is faded yet unimpeded complete wrote Martin Heidegger to his fiancée Elfride Petri shortly before their wedding In the course of a marriage that lasted almost sixty years Martin and Elfride were often apart and the letter thus remained a vital means of communication right through to the final years The letters he sent her are snapshots of the ups and downs the crises and everyday minutiae from Heidegger's life their engagement the building of the Cabin at Todtnauberg the part he played in the two world wars the difficulties of his early professional career their financial problems his dealings with women and his constant concern with expounding his ideas Apart from three letters now in the hands of the German Literature Archive in Marbach Elfride Heidegger kept all of the countless letters and cards from her husband locked away in a wooden chest After reading them one final time in 1977 she gave the key to this chest to her granddaughter Gertrud Heidegger on condition that she should not open it until after Elfride's death After years spent deciphering transcribing and ordering the letters with the help of her father and her uncle Gertrud Heidegger has here made a selection of them available to the public and added a commentary that provides relevant background material This selection from the many letters written by Martin Heidegger to his wife provides an invaluable insight into their life together their friendships and relationships and sheds fresh light on the ideas and beliefs of one of the twentieth century's greatest philosophers *Martin Heidegger* Friedrich-Wilhelm von Herrmann, Francesco Alfieri, 2018-03-22 Cet ouvrage propose la première critique et systématique des Cahiers noirs de Martin Heidegger Lire s'efforce et rigoureusement ses Cahiers noirs ou carnets sans idée préconçue et sans préoccupation loin de toute instrumentalisation politique et médiatique dont ils ont été le prétexte sans même avoir tenté de déceler patiemment l'économie de leur propos en pointant leur critique constante de la barbarie du national socialisme quitte devoir rappeler qu'il n'y a pas trace en eux d'antisemitisme que Heidegger lui-même qualifie d'insens et blâmable telle est l'ambition de ce travail appelé à faire date dans les études heideggeriennes *Dialogue avec Heidegger*, 1987
