German university professor whose confrontation with Charles V at the Diet of Worms over freedom of conscience in 1521 shook the Holy Roman Empire. He was a monk, theologian, and church reformer as well. Luther's theology challenged the authority of the papacy by holding that the Bible is the only infallible source of religious authority and that all baptized Christians are a priesthood of believers. According to Luther, salvation was attainable only by true repentance and faith in Jesus as the Messiah, a faith unmediated by the church. These ideas inspired the Protestant Reformation and changed the course of Western civilization. Luther's refusal to submit to the authority of Charles V resulted in his being declared an outlaw of the state as he had been excommunicated from the Roman Catholic Church. Because of the perceived unity of the medieval Roman Catholic Church with the secular rulers of western Europe, the widespread acceptance of Luther's doctrines and popular vindication of his thinking on individual liberties were both phenomenal and unprecedented. His translation of the Bible into the vernacular, making it more accessible to ordinary people, had a tremendous political impact on the church and on German culture. It furthered the development of a standard version of the German language, added several principles to the art of translation, and influenced the translation of the English King James Bible.

Martin Luther, Theologian Monk, is highly recommended for those interested in the history and story of this controversial German monk.

A Short Exposition of Dr. Martin Luther's Small Catechism (1912 English-German Edition)

Martin Luther, 2016-10-12

The deplorable destitution which I recently observed during a visitation of the churches has impelled and constrained me to prepare this Catechism or Christian Doctrine in such a small and simple form. Alas, what manifold misery I beheld! The common people, especially in the villages, know nothing at all of Christian doctrine, and many pastors are quite unfit and incompetent to teach. Yet all are called Christians, have been baptized, and enjoy the use of the Sacraments, although they know neither the Lord's Prayer nor the Creed nor the Ten Commandments and live like the poor brutes and irrational swine. Still they have now that the Gospel has come, learned to abuse all liberty in a masterly manner. O ye bishops, how will ye ever render account to Christ for having so shamefully neglected the people and having never for a moment exercised your office! May the judgment not overtake you! You command communion in one kind and urge your human ordinances, but never ask in the mean time whether the people know the Lord's Prayer, the Creed, the Ten Commandments, or any part of God's Word. Woe, woe unto you everlastingly! Therefore I entreat you all for God's sake, my dear brethren who are pastors and preachers, to devote yourselves heartily to your office and have pity upon the people who are committed to your charge. Help us to inculcate the Catechism upon them, especially upon the young. Let those who are not able to do better take these tables and forms and set them word for word before the people.

The Story of Martin Luther Jared Kennedy, 2024

Martin Luther was caught in storm after storm. Thunder and lightning sent him running to the monastery where the crosswinds in his soul sent him running to God's word. When the young monk discovered the doctrine of justification by faith alone in Paul's letters, his writings created a firestorm of division across Europe and turned the world of the church upside down.
