Martin Leake The First Man Ever To Be Awarded The Victoria Cross Twice:

VCs of the Second World War Stephen Wynn, 2020-08-30 Dramatic accounts of ten Victoria Cross recipients and what they did to earn this highest of honors during WWII During the Second World War the Victoria Cross the highest honor to be given to British or Commonwealth forces was awarded on 182 occasions to 181 recipients 85 of which were bestowed posthumously Presented here are ten examples of those who showed the utmost gallantry and bravery in the presence of the enemy with each individual case and the circumstances in which the award was won examined in close detail One example is the story of Charles Upham 2nd Division New Zealand Expedition Force who was the only recipient of two Victoria Crosses the first awarded during the Battle of Crete in 1941 and the second during fighting at El Ruweisat Ridge Egypt in 1942 Others include Premindra Singh Bhagat of the Indian Army who rapidly cleared fifteen minefields despite close enemy fire and personal injury and RAF pilot Leonard Cheshire who received the honor after his fourth tour of duty These and other rousing and dramatic stories are true profiles in courage Hertfordshire Soldiers of The Great War Paul Johnson, Dan Hill, 2020-05-30 Collected first hand accounts of British men and women serving their country during World War I as discovered through the Herts At War community project In Hertfordshire Soldiers of The First World War the authors explore a series of individual case studies of Hertfordshire men who served in various theaters during the First World War all of which had been uncovered as part of the Herts At War community project This unique collection of largely unknown accounts includes stories from the Western Front Gallipoli Salonika Mesopotamia East Africa Egypt and even Russia in the fight against the Bolsheviks in 1919 The Herts At War team uncovered many letters and objects in the course of their research including men who were Victoria Cross winners to those whose courage or bravery went unrecognized as well as stoicism on the Home Front One of the most moving of these surrounds a photograph which was found in the hands of Sergeant Percy Buck as he lay fatally wounded in a shell hole in 1917 On the back of the photograph of his wife and young son he had written his address and asked for whoever found the image to post it to his loved ones in the event of his death Sergeant Buck would have assumed it would be a British comrade who would find the photograph but the person who recovered it was a German soldier who subsequently sent it on to the grieving but grateful family The war memorials of Hertfordshire contain the names of over 23 000 men and women who gave their lives whilst in the service of their country during the Great War some of their tales are uncovered here Indeed the poignant collection of stories anecdotes and artifacts revealed in this book bring the First World War to life in an unusual and highly moving fashion *World War I* Spencer C. Tucker, 2014-10-28 Offering exhaustive coverage detailed analyses and the latest historical interpretations of events this expansive five volume encyclopedia is the most comprehensive and detailed reference source on the First World War available today One hundred years after the beginning of World War I in 1914 this conflict still stands as perhaps the most important event of the 20th century World War I toppled all of the existing empires at the time transformed the Middle East and vaulted the United

States to becoming the world's leading economic power. Its effects were profound and lasting and included outcomes that led to World War II. This multivolume encyclopedia provides a wide-ranging examination of World War I that covers all of the important battles, key individuals, both civilian and military, weapons and technologies, and diplomatic, social, political, cultural, military, and economic developments. Suitable as a reference tool for high school and undergraduate students as well as faculty members and graduate-level researchers, *World War I: The Definitive Encyclopedia and Document Collection* offers accessible, in-depth information and up-to-date analyses in a format that lends itself to quick and easy use. The set comprises alphabetically arranged, cross-referenced entries accompanied by further reading selections as well as a comprehensive bibliography. A fifth volume provides chronologically arranged documents and an A-Z index. **Chavasse, Double VC** Ann Clayton, 2006-12-07. Many heroes emerged during the First World War, but only one man was twice awarded the Victoria Cross during that conflict. This was Captain Noel Godfrey Chavasse, serving in the Royal Army Medical Corps as Medical Officer to the 10th Battalion, the Kings Liverpool Regiment, the Liverpool Scottish. The author has unearthed a forgotten archive of his letters from the front and been allowed access to the Chavasse family correspondence, photographs, and other documents. The result is a fascinating study of a man who, while typical in almost every way of the Victorian-Edwardian middle class, stands out for his simple courage and unflinching devotion to duty. This is a deeply moving story about a modest but heroic man seen against the background of his devoted family and the grim realities of the First World War. *Victoria Cross Heroes: Volume II* Michael Ashcroft, 2016-11-08. Foreword by Lance Sergeant Johnson Beharry VC. THE VICTORIA CROSS is Britain and the Commonwealth's most prestigious gallantry medal for courage in the face of the enemy. It has been bestowed upon 1,355 heroic individuals from all walks of life since its creation during the Crimean War. Lord Ashcroft, who has been fascinated with bravery since he was a young boy, now owns 200 VCs, by far the largest collection of its kind in the world. Following on from the bestselling *Victoria Cross Heroes* first published in 2006 to mark the 150th anniversary of the award, *Victoria Cross Heroes Volume II* gives extraordinary accounts of the bravery behind the newest additions to Lord Ashcroft's VC collection: those decorations purchased in the last decade. With nearly sixty action-packed stories of courageous soldiers, sailors, and airmen from a range of global conflicts, including the Indian Mutiny of 1857-58, the Second Anglo-Boer War of 1899-1902, and the First and Second World Wars, this book is a powerful testament to the strength of the human spirit and a worthy tribute to the servicemen who earned the Victoria Cross. Their inspirational deeds of valour and self-sacrifice should be championed and never forgotten. Martin-Leake Ann Clayton, 1995-07-15. Only three men have ever won a bar to the Victoria Cross, but only two lived to wear the medal and bar: the other, Noel Chavasse, being awarded his bar posthumously. Of the three, the third being Charles Upham of the New Zealand Military Forces, Arthur Martin-Leake and Chavasse were non-combatants, being members of the RAMC. Born in 1874 and brought up in comfortable circumstances in rural Hertfordshire, Martin-Leake trained as a doctor and spent much of his life working for an Indian railway company, but the urge to be where

he felt he was most needed coupled presumably with a thirst for adventure though he himself would have been too modest to admit to either took him first to South Africa during the Boer War where he won his first VC then to Albania during the Balkan War of 1912 13 where his presence must surely be classified as outside the call of duty and finally to Flanders where he won the bar to his VC Surprisingly this is the first biography of this most remarkable man for which Ann Clayton has been given access to all the family papers These include hundreds of his letters but she has also unearthed eye witness accounts of his bravery which typically he was at pains to gloss over This is indeed a thrilling story of a life lived to the full by a man who sought little for himself but having been blessed with a fortunate birthright only wanted to repay the debt Ann Clayton is also the author of the widely acclaimed Chavasse Double VC published in 1992 J. Bourne,2000-11 *Thinker, Failure, Soldier, Jailer* Harry Quetteville,2012-11-08 The Telegraph's obituaries pages are renowned for their quality of writing and capacity to distil the essence of a life from its most extraordinary moments A unique mix of heroism ingenuity infamy and the bizarre Thinker Failure Soldier Jailer collects the very best of those obituaries to present an endlessly absorbing compendium of human endeavour Organised day by day around the calendar year with each life presented on the date it ended the book features hundreds of remarkable stories World statesmen jostle with glamorous celluloid stars pioneering boffins sit alongside chart topping rock n rollers while artists and their muses mingle with record breaking sportsmen Victoria Cross winners spies showgirls and captains of industry as well as the titans of rather more esoteric fields Here for instance can be found Britain's greatest goat breeder a hangman who campaigned to abolish the death penalty a priest to Soho's pimps a cross dressing mountaineer and a minister who preached a gospel of avarice donations in notes only please as change makes me nervous A treasure trove of human virtue vice and trivia Thinker Failure Soldier Jailer is the perfect gift for the armchair psychologist in all of us **The Complete Victoria Cross** Kevin Brazier,2015-09-30 This fully revised paperback edition of the complete chronological record of VC holders is an essential work of reference for every student of military history All the British and Commonwealth servicemen who have been awarded the highest honour for exceptional acts of bravery and self sacrifice are commemorated here The first VCs awarded for the Crimean War and in the nineteenth century colonial wars are described as are the VCs awarded in the world wars of the twentieth century and the most recent VCs awarded during present day conflicts in Iraq and Afghanistan The extraordinary exploits recounted in this fascinating book make unforgettable reading Christian Register and Boston Observer ,1915 Victor Horsley Michael J. Aminoff,2022-01-13 Sir Victor Horsley 1857 1916 was a brilliant and pioneering neurosurgeon who also shaped the direction of clinical medicine through his work with the British Medical Association Medical Defence Union and General Medical Council Before the nervous system could be imaged Horsley operated successfully on the brain and spinal cord and performed palliative procedures on patients dying from brain tumours Nevertheless he became a social pariah due to his support for nationalised health insurance child welfare and women's rights amongst other causes In this fascinating biography leading neurologist Dr

Michael J Aminoff places Horsley's life and work in the context of the society in which he lived and explores his influence on the development of neurosurgery and social policies still in effect. The many underlying themes to the book include the interplay of science and politics and the responsibility of physicians to themselves and for the welfare of society.
