Martin Buber The Hidden Dialogue:

Martin Buber Dan Avnon,1998 In this volume Dan Avnon analyzes and reconstructs Buber's corpus of mature writings revealing the radical nature of Buber's response to the most fundamental questions of human existence The book invites the reader to reexamine conventional notions of the role of language thought and writing in communicating impressions of reality An essential introduction to Buber's work and his unique approach to writing **Martin Buber. The Life of**

Dialogue, 1956 *Martin Buber* Sarah Scott,2022-12-06 A new collection of essays highlighting the wide range of Buber's thought career and activism Best known for *I and Thou* which laid out his distinction between dialogic and monologic relations Martin Buber 1878-1965 was also an anthologist translator and author of some seven hundred books and papers *Martin Buber: Creaturely Life and Social Form* edited by Sarah Scott is a collection of nine essays that explore his thought and career *Martin Buber: Creaturely Life and Social Form* shakes up the legend of Buber by decentering the importance of the *I-Thou* dialogue in order to highlight Buber as a thinker preoccupied by the image of relationship as a guide to spiritual social and political change The result is a different Buber than has hitherto been portrayed one that is characterized primarily by aesthetics and politics rather than by epistemology or theology *Martin Buber: Creaturely Life and Social Form* will serve as a guide to the entirety of Buber's thinking career and activism placing his work in context and showing both the evolution of his thought and the extent to which he remained driven by a persistent set of concerns **The Challenge to Friendship in Modernity** Heather Devere,Preston King,2013-11-05 In antiquity it was not only Aristotle who assumed the people are more to be understood in relation to one another than as individual or solitary constructs This examination considers the changing attitudes to friendship since antiquity **Martin Buber's Dialogical Thought as a Philosophy of**

Action Asaf Ziderman,2024-10-30 This book promotes a philosophical revival of Buber's dialogical thought by repositioning it as a philosophy of action departing from a long established consensus that narrowly viewed it as a post-Kantian epistemology Based on careful analysis of his writings the book's main thrust is to reconstruct Buber's argument that dialogue is the perfected form of action and a perfect action is necessarily dialogical This reconstruction renders Buber's dialogical thought pertinent to contemporary analytic philosophy by situating it within central discussions in the field of philosophy of action

Martin Buber's Theopolitics Samuel Hayim Brody,2018-02-16 How did one of the greatest Jewish thinkers of the 20th century grapple with the founding of Israel and the Israeli-Palestinian conflict one of the most significant political conflicts of his time Samuel Hayim Brody traces the development of Martin Buber's thinking and its implications for the Jewish religion for the problems posed by Zionism and for the Zionist-Arab conflict Beginning in turbulent Weimar Germany Brody shows how Buber's debates about Biblical meanings had concrete political consequences for anarchists socialists Zionists Nazis British and Palestinians alike Brody further reveals how Buber's passionate commitment to the rule of God absent an intermediary came into conflict in the face of a Zionist movement in danger of repeating ancient mistakes Brody argues that

Buber's support for Israel stemmed from a radically rich and complex understanding of the nature of the Jewish mission on earth that arose from an anarchist reading of the Bible

New Perspectives on Martin Buber Michael Zank, 2006 This volume brings a range of perspectives to bear on the writings and thought of Martin Buber 1878-1965 The contributing authors include renowned Buber specialists who take a new look at Buber's legacy as well as younger scholars who work in a variety of academic disciplines and contexts including biblical studies religious studies philosophy intellectual history sociology the study of education and Jewish thought By relating the legacy of Buber to their respective area of research they are able to articulate what they find of enduring relevance in Buber's thought and writings The purpose is to explore new perspectives on Buber and on themes and issues on which he had something to say that continues to engage us The sixteen essays are grouped in six parts roughly proceeding in the chronological order of Buber's work reflecting shifts in his preoccupation and changes in his orientation The larger themes also represent different approaches to and perspectives on Buber's writings in general including critical retrospectives on his philosophy of dialogue his political utopianism and his approach to Hasidism

Martin Buber Paul Mendes-Flohr, 2002-06-01 This book honors the memory and legacy of Martin Buber one of the most illustrious members of the faculty of the Hebrew University and a leader in the world of philosophy Based on the proceedings of a conference held at the Israel Academy of Sciences and Humanities of which Buber was the founding president this anthology recognizes Buber's singular contribution to the renaissance of Jewish studies and his international stature as a scholar

Martin Buber's Myth of Zion S. Daniel Breslauer, 2019-03-14 The book provides an insightful study of the Jewish theologian Martin Buber and combines a review of the unconventional Zionism he proposed with a sensitivity to myth as the basis of an inclusive civil religion The multifaceted nature of this work examines Buber's embrace of myth and his application of myth to both biblical studies and political theory It pays special attention to the way Buber's thinking about Zion applied to religious ethical issues such as ecology education ritual and as a continuing theme throughout the book to the conflict between those Buber called Jews and Arabs in the land of Palestine

The Vision of Gabriel Marcel Brendan Sweetman, 2008-01-01 This book illustrates the profound implications of Gabriel Marcel's unique existentialist approach to epistemology not only for traditional themes in his work concerning ethics and the transcendent but also for epistemological issues concerning the objectivity of knowledge the problem of skepticism and the nature of non conceptual knowledge among others There are also chapters of dialogue with philosophers Jacques Maritain and Martin Buber In focusing on these themes the book makes a distinctive contribution to the literature on Marcel

Jacques Maritain in the 21st Century Walter Schultz, 2022-03-01 From his rebellious youth through his yearning for sainthood as one of the 20th century's leading Christian philosophers the quest for liberation defines Jacques Maritain 1882-1973 Throughout the 20th century Maritain rejected the egocentric isolation rampant throughout liberal society as well as totalitarian collectivism Maritain promoted the human person open by way of nature and grace to integral liberation and redemption through authentic community This book argues that Maritain contributes to our understanding in the 21st century of the myriad yet coalescing movements seeking to address global economic sustainability the fostering of human rights and participatory democracy Through a series of papers published over the course of more than 20 years from the tail end of the 20th century through the first decades of the 21st century Maritain's social and political thought engages contemporary thinkers and movements with penetrating insight

Tactical Constructivism, Method, and International Relations Brent Steele, Harry Gould, Oliver Kessler, 2019-06-28 This is a book on methods how scholars embody them and how working within from or against Constructivism has shaped that use and embodiment A vibrant cross section of contributors write of interdisciplinary encounters first interactions with the discipline of International Relations discuss engagements in different techniques and tactics and of pursuing different methods ranging from ethnographic to computer simulations from sociology to philosophy and history Presenting a range of voices many constructivist some outside and even critical of Constructivism the volume shows methods as useful tools for approaching research and political positions in International Relations while also containing contingent inexact unexpected and even surprising qualities for opening further research It gives a rich account of how the discipline was transformed in the 1990s and early 2000s and how this shaped careers positions and interactions It will be of interest to both students and scholars of methods and theory in International Relations and global politics

Beyond the Veil of Knowledge Piki Ish-Shalom, 2019-01-28 Is there a need to remodel constructivism to be more politically attuned Author Piki Ish-Shalom calls for an activist academy that engages society and the polity to prevent the watering down of democracy while helping to create a space for criticism In this book he suggests several concrete measures for this engagement within three spheres individual theoretical work the academic community as a whole and within society and the polity Beyond the Veil of Knowledge suggests that essentially contested concepts are a key medium that politicians use to try to minimize public resistance to their political goals For constructivists this means that

the social construction of both social knowledge and the social world can be understood as the sociopolitical construction of knowledge and the sociopolitical world

Ilan Gur-Ze'ev and Education Alexandre Guilherme, 2019-12-06 Ilan Gur Ze ev and Education Pedagogies of Transformation and Peace critically analyses and introduces the main ideas of Ilan Gur Ze ev reflecting on his continuing theoretical and practical relevance to the field of education This book offers an accessible higher level critical discussion on the thought of Ilan Gur Ze ev with an impressive breadth and contemporary focus The book focuses on Gur Ze ev s counter pedagogy project which brought him much attention and attempts to establish an alternative and non dogmatic form of education Gur Ze ev s views go against critical pedagogy and neoliberalism because while the former advocates achieving a utopia in which there is no oppression the latter defends the idea that wants and desires need to be satisfied through a process of marketisation This book brings to notice Gur Ze ev s concepts of counter education and diasporic education which seek to pursue the truth in everyday life rather than achieving a utopian goal or the promised land This unique and up to date monograph will be of great interest for researchers academics and postgraduate students in the fields of philosophy of education theory of education peace education Jewish education neoliberalism and sociology of education

Homo Temporalis Nitzan Itzhak Lebovic, 2025-01-15 Homo Temporalis focuses on the importance of temporal concepts for four German Jewish thinkers who profoundly shaped twentieth century intellectual history Martin Buber Walter Benjamin Hannah Arendt and Paul Celan By analyzing the concept of time Nitzan Lebovic explores Buber s stress on the temporality of the dialogue between I and Thou Benjamin s now time and dialectics in standstill Arendt s understanding of democracy as natality or a permanent revolution and the breathturn that informs Celan s poetry Framing the reception of German Jewish thinking in the second half of the twentieth century as a parallel story to the rise of the modern humanities Homo Temporalis also highlights how these foundational temporal concepts illuminate the causes of the present crisis in the humanities and its disciplinary limitations in the age of biopolitics and the Anthropocene

Relational Leadership in Education David L. Giles, 2018-10-03 When is leadership not relational When is education not relational When is life not relational Relationships always matter to our living educating and leading Relational Leadership in Education considers this Relational Leadership within the context of education critiquing the current ideological context and contemporary understandings of its influence Employing a phenomenological approach this book explores the relational nature of education Relational Leadership and the organizational culture to provide a more sophisticated exploration of practice based wisdom It offers an extensive range of activities for further thinking on the experiential nature of Relational Leadership grouped around a number of themes Relational Leadership and sensibilities organizational culture professional development curriculum pedagogy and assessment and the reconstruction of a postgraduate Educational Leadership and Management programme for experienced emergent and aspiring leaders Relational Leadership is not about describing yet another style of leadership but rather about a relational way of being in leadership that utilizes refined relational sensibilities Relational Leadership is also a

The Jewish Diaspora after 1945 S. Behnaz Hosseini, 2020-10-27 For Jews across the Middle East and North Africa the 1948 establishment of the State of Israel was a transformational period in both the build up to it and its aftermath Using this momentous event as its focal point this book takes the reader on a journey to remote destinations in the 20th century Jewish experience examining aspects of Jewish history that have hardly ever been discussed in one place and in such an intriguing combination Jews have played an integral role in the Arab world Turkey Iran and North Africa for millennia Their lives were intertwined with those of the majority non Jewish communities among whom they dwelt their mass expulsion and emigration after World War II ended the existence of a vital part of nearly all the societies in the region

Educational Philosophy and New French Thought David R. Cole, Joff P.N. Bradley, 2017-08-25 Contemporary French philosophy perhaps reached a high point during the 1970s with the likes of Gilles Deleuze Michel Foucault and Jacques Derrida Since that time thinkers such as Francois Laruelle Bernard Stiegler Quentin Meillassoux and Catherine Malabou have continued on in this strong tradition while deepening and rethinking many of the parameters that have made contemporary French philosophy so powerful and useful for understanding the contemporary condition For example new French thought has reengaged with the relationships between thought science and universal commercial interests and has investigated purposefully the possibilities of post capitalist theorising This book while not exhaustive takes the most pertinent aspects of new French thought and applies them to the philosophy of education In contemporary philosophies of education the repetitions of evidence based and neoliberal theories abound This book serves as an antidote to the levelling off and exhaustion in thought that a capitalist takeover implies while keeping sight of the crucial relationships between science the arts and metaphysical speculation Furthermore this book represents a thoroughgoing thinking through of philosophy of education's relationships with neuroscience new scientific paradigms feminist materialisms anti correlationism technology and the socius and as such constitutes a new philosophy of education This book was originally published as a special issue of Educational Philosophy and Theory
