

MARTIN  
HEIDEGGER  
AND  
NATIONAL  
SOCIALISM

*Questions and Answers*

GUNTHER NESKE & EMIL KETTERING

INTRODUCTION BY KARSTEN HARRIES

# Martin Heidegger And National Socialism

**Mahon O'Brien**

## **Martin Heidegger And National Socialism:**

**Martin Heidegger and National Socialism** Günther Neske, Emil Kettering, 1990      Ponderings VII-XI Martin Heidegger, 2017-02-06 Through these broad and sprawling notebooks Heidegger offers fascinating opinions on Holderlin Nietzsche Wagner Wittgenstein Pascal and many others The importance of the Black Notebooks transcends Heidegger's relationship with National Socialism These personal notebooks contain reflections on technology art Christianity the history of philosophy and Heidegger's attempt to move beyond that history into another beginning      **On Heidegger's Nazism and Philosophy** Tom Rockmore, 1992-01-01 That Martin Heidegger supported National Socialism has long been common knowledge Yet the relation between his philosophy and political commitments remains highly contentious and recently has erupted into a vociferous debate Boldly refuting arguments that the philosopher's political stance was accidental or adopted under coercion Rockmore argues that Heidegger's philosophical thought and his Nazism are inseparably intertwined that he turned to National Socialism on the basis of his philosophy and that his later evolution is largely determined by his continuing concern with Nazism After developing a framework that clearly outlines the interrelation of Nazism and Heidegger's philosophy Rockmore analyzes the famous rectoral address the philosopher delivered in 1933 upon becoming rector of the University of Freiburg In that speech Heidegger sought to ground politics in philosophy Rockmore examines the inseparable relation of politics and philosophy in Heidegger's *Being and Time* the recently published *Contributions to Philosophy* written from 1936 to 1938 and the interpretations of Holderlin Nietzsche and technology In his conclusion Rockmore considers the ongoing discussion of Heidegger's thought and Nazism in France Combining extensive documentation of the Heidegger controversy with philosophical and historical analysis this book raises profound questions about the social and political responsibility of philosophy That Martin Heidegger supported National Socialism has long been common knowledge Yet the relation between his philosophy and political commitments remains highly contentious and recently has erupted into a vociferous debate Boldly refuting arguments that the philosopher's political stance was accidental or adopted under coercion Rockmore argues that Heidegger's philosophical thought and his Nazism are inseparably intertwined that he turned to National Socialism on the basis of his philosophy and that his later evolution is largely determined by his continuing concern with Nazism After developing a framework that clearly outlines the interrelation of Nazism and Heidegger's philosophy Rockmore analyzes the famous rectoral address the philosopher delivered in 1933 upon becoming rector of the University of Freiburg In that speech Heidegger sought to ground politics in philosophy Rockmore examines the inseparable relation of politics and philosophy in Heidegger's *Being and Time* the recently published *Contributions to Philosophy* written from 1936 to 1938 and the interpretations of Holderlin Nietzsche and technology In his conclusion Rockmore considers the ongoing discussion of Heidegger's thought and Nazism in France Combining extensive documentation of the Heidegger controversy with philosophical and historical analysis this book raises profound questions

about the social and political responsibility of philosophy     The Politics of Being Richard Wolin, 2016-11-15 Martin Heidegger's ties to Nazism have tarnished his stature as one of the towering figures of twentieth century philosophy The publication of the Black Notebooks in 2014 which revealed the full extent of Heidegger's anti-Semitism and enduring sympathy for National Socialism only inflamed the controversy Richard Wolin's The Politics of Being The Political Thought of Martin Heidegger has played a seminal role in the international debate over the consequences of Heidegger's Nazism In this edition the author provides a new preface addressing the effect of the Black Notebooks on our understanding of the relationship between politics and philosophy in Heidegger's work Building on his pathbreaking interpretation of the philosopher's political thought Wolin demonstrates that philosophy and politics cannot be disentangled in Heidegger's oeuvre Volkisch ideological themes suffuse even his most sublime philosophical treatises Therefore despite Heidegger's profundity as a thinker his critique of civilization is saturated with disturbing anti-democratic and anti-Semitic leitmotifs and claims

**Heidegger's Crisis** Hans D. Sluga, 1993 Philosophy and politics make uneasy bedfellows Nowhere has this been more true than in Nazi Germany where the pursuit of truth and the will to power became fatally entangled Though Martin Heidegger's Nazi past is well known and much debated less is understood about the role of philosophy and other philosophers in the rise and development of National Socialism     Martin Heidegger's Changing Destinies Guillaume Payen, 2023-04-18 A portrait of Martin Heidegger as a man and a philosopher In this biography of Martin Heidegger 1889-1976 now available in English historian Guillaume Payen synthesizes the connections between the German philosopher's life and work Critically but without polemics he creates a portrait of Heidegger in his time using all available sources lectures letters and the notorious black notebooks Payen chronicles Heidegger's changing destinies after the First World War an uncompromising Catholicism gave way to a vigorous striving for a philosophical revolution fertile ground for National Socialism The book reflects a life of light and shadow Heidegger was a great philosopher and teacher who cultivated friendships and love affairs with Jews but also was an anti-Semitic nationalist who lamented the Judaization of German intellectual life     **Historical Destiny and National Socialism in Heidegger's Being and Time** Johannes Fritzsche, 2023-04-28

There has been much debate over the relationship of Heidegger's philosophy in particular his book Being and Time to his practical involvement with National Socialism Yet the question has never been addressed through a comparison of Being and Time with other texts on history and politics written at the time Johannes Fritzsche does this providing a detailed interpretation of the relevant passages in Being and Time especially sections 72-77 on fate community and society He analyzes for comparison two other authors who explicitly regarded themselves as rightists Adolf Hitler Mein Kampf and Max Scheler Formalism in Ethics and other writings and two authors on the left Georg Lukács History and Class Consciousness and Paul Tillich The Socialist Decision Fritzsche concludes that Being and Time is a brilliant summary of right-wing politics in general which proposes the destruction of liberal society in order to regenerate an idealized community In

addition Heidegger rejects positions on the right such as Scheler's that enabled their authors to distance themselves from the most extreme political rightists and thus he paves the way for National Socialism. Being and Time Fritzsche demonstrates must be seen as a clear case for the National Socialists and their project of revitalization of the Volksgemeinschaft the community of the people. This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact. Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1999. There has been much debate over the relationship of Heidegger's philosophy in particular his book Being and Time to his practical involvement with National Socialism. Yet the question has never been addressed through a comparison of Being and Time and German Existentialism Martin

Heidegger, 2014-11-04. These pro Nazi speeches by the author Being and Time are collected here to demonstrate the truly dark and shameful turn taken by the eminent philosopher. On the day of German Labor on the day of the Community of the People the Rector of Freiburg University Dr Martin Heidegger made his official entry into the National Socialist Party. And so begins one of the most controversial texts available today. Heidegger a German Nationalist and proud Nazi thoroughly examines the history the philosophy and the rise to power of the Nazi movement in Germany. Martin Heidegger's distinguished Italian colleague Professor Benedetto Croce said of his German contemporary 'This man dishonors philosophy and that is an evil for politics too.' Croce's severe rebuke was not singular at the time when Hitlerism was rampant over Europe. It is true that among the almost one thousand professional philosophers of Germany and Austria only very few actively opposed National Socialism. On the other hand no one degraded his history profession in the way that Heidegger did by becoming a spokesman for National socialism and attempting to mold his theories into one pattern with Hitlerism.

Revolutionary Saints: Heidegger, National Socialism, and Antinomian Politics, 2002 *Heidegger, the Introduction of Nazism Into Philosophy in Light of the Unpublished Seminars of 1933-1935* Editions Albin Michel, Emmanuel

Faye, 2009-01-01. In the most comprehensive examination to date of Heidegger's Nazism Emmanuel Faye draws on previously unavailable materials to paint a damning picture of Nazism's influence on the philosopher's thought and politics. In this provocative book Faye uses excerpts from unpublished seminars to show that Heidegger's philosophical writings are fatally compromised by an adherence to National Socialist ideas. In other documents Faye finds expressions of racism and exterminatory anti-Semitism. Faye disputes the view of Heidegger as a naive temporarily disoriented academician and instead shows him to have been a self-appointed spiritual guide for Nazism whose intentionality was clear. Contrary to what some have written Heidegger's Nazism became even more radical after 1935 as Faye demonstrates. He revisits Heidegger's masterwork Being and Time and concludes that in it Heidegger does not present a philosophy of individual existence but rather a doctrine of radical self-sacrifice where individualization is allowed only for the purpose of heroism in warfare. Faye's

book was highly controversial when originally published in France in 2005 Now available in Michael B Smith s fluid English translation it is bound to awaken controversy in the English speaking world      **Ponderings XII-XV** Martin

Heidegger,2017-08-07 Ponderings XII XV is third in a series of four Black Notebooks which Martin Heidegger composed in the early years of World War II As always with Heidegger the thoughts expressed here are not superficial reflections on current events but instead penetrate deeply into them in order to contemplate their historical importance Throughout his ponderings Heidegger meditates on the call for an antidote to the rampant technological attitude which views all things with a dismissive consumer mentality Although this volume caused quite a scandal when originally published in German due to references to World Judaism English readers with access to the full text can now judge for themselves what Heidegger means in his use of that term In style this notebook is less aphoristic and more sustained than the previous ones but remains probing challenging and fascinating      *The Nazi Conscience* Claudia Koonz,2005-11-30 Koonz s latest work reveals how

racial popularizers developed the infrastructure and rationale for genocide during the so called normal years before World War II Challenging conventional assumptions about Hitler Koonz locates the source of his charisma not in his summons to hate but in his appeal to the collective virtue of his people the Volk      *Heidegger and the Question of National Socialism* Bernhard Radloff,2007-01-01 The question of being was integral to the philosophy of Martin Heidegger 1889 1976 and was a large factor in the development of his political and aesthetic thought In *Heidegger and the Question of National Socialism* Bernhard Radloff investigates the philosophical foundations and cultural context of Heidegger s conception of being focusing on the idea of gestalt as the guiding thread that determined German conservative thought throughout the 1930s In doing so Heidegger s philosophy is related to the whole of German society at the time a society in which gestalt was the guiding light and the ultimate aspiration of artists technicians and politicians Throughout the book Heidegger s own understanding of gestalt is used as a window to his thoughts on being which is conceived of as incorporated finite and historically situated in beings Concentrating on the years between 1933 and 1942 Radloff seeks to capture the response of Heidegger s philosophy to National Socialism examining key works and relating them to the literature of the German conservative revolution *Heidegger and the Question of National Socialism* is therefore a thorough treatment of his political philosophy as it relates to the question of being Adopting both a historical and phenomenological approach to the subject this book is equally an examination of German conservative ideology a critique of technological determinism and a study of one of the most controversial philosophers of twentieth century      *Heidegger, History and the Holocaust* Mahon O'Brien,2015-09-24

Heidegger *History and the Holocaust* is an important contribution to the longstanding debate concerning Martin Heidegger s association with National Socialism Although a difficult topic this ambitious new work moves the entire debate on the Heidegger controversy forward Following *Being and Time* Heidegger expands on his notion of authenticity and related notions such as historicity and discusses the possibility of an authentic Dasein of a people along structurally consistent lines

to his account of authenticity in *Being and Time* O'Brien argues that the same difficulties which appear to hamstring the early account of authenticity further affect the notion of an authentic Dasein of a people Heidegger's political myopia in the thirties can thus be attributed to an underlying failure to come to terms with some of the difficulties discussed in this study O'Brien concedes that Heidegger's philosophy is influenced by its historical period and context but argues that however inflammatory Heidegger's rhetoric cannot be simply reduced to crude Nazi jingoism This book is a genuinely philosophical approach to the Heidegger controversy and a much needed re-examination of his ideas and influences

**On Heidegger's Nazism and Philosophy** Tom Rockmore, 1997-01-01 American philosopher Tom Rockmore boldly refutes suggestions that German philosopher Martin Heidegger's political stance was accidental or adopted under coercion Rockmore argues that Heidegger's thought and his Nazism are inseparably intertwined Combining extensive documentation with philosophical and historical analysis this book raises profound questions about the social and political responsibility of philosophy

**The Shadow of that Thought** Dominique Janicaud, 1996 Janicaud draws a firm connection between Heidegger's philosophical position and his political engagement He thus goes beyond those writers who attempt to handle the issue of Heidegger's Nazism simply on the level of his personal political judgment in isolation from his philosophy by attempting to distinguish rigorously between Heidegger the thinker and Heidegger the man

**Martin Heidegger** Rüdiger Safranski, 1998 The story of Heidegger's life and philosophy a quintessentially German story in which good and evil brilliance and blindness are inextricably entwined and the passions and disasters of a whole century come into play is told in this brilliant biography

The Duplicity of Philosophy's Shadow Elliot R. Wolfson, 2018-04-24 Martin Heidegger 1889-1976 is considered one of the most influential philosophers of the twentieth century in spite of his well-known transgressions his complicity with National Socialism and his inability to show remorse or compassion for its victims In *The Duplicity of Philosophy's Shadow* Elliot R. Wolfson intervenes in a debate that has seen much attention in scholarly and popular media from a unique perspective as a scholar of Jewish mysticism and philosophy who has been profoundly influenced by Heidegger's work Wolfson sets out to probe Heidegger's writings to expose what remains unthought In spite of Heidegger's explicit anti-Semitic statements Wolfson reveals some crucial aspects of his thinking including criticism of the biological racism and militant apocalypticism of Nazism that betray an affinity with dimensions of Jewish thought the triangulation of the concepts of homeland language and peoplehood Jewish messianism and the notion of historical time as the return of the same that is always different inclusion exclusion and the status of the other the problem of evil in kabbalistic symbolism Using Heidegger's own methods Wolfson reflects on the inextricable link of truth and untruth and investigates the matter of silence and the limits of speech He challenges the tendency to bifurcate the relationship of the political and the philosophical in Heidegger's thought but parts company with those who write off Heidegger as a Nazi ideologue Ultimately *The Duplicity of Philosophy's Shadow* argues the greatness and relevance of Heidegger's work is that he presents us with the opportunity to think the unthinkable

as part of our communal destiny as historical beings      **Heidegger's Roots** Charles R. Bambach, 2003 There is a gap in the literature for an investigation of the shared themes between Heidegger's thought and that of the ideologists of National Socialism The author reads Heidegger's writings from 1933-45 in historical context showing his engagement with the National Socialists      **Heidegger's Confrontation with Modernity** Michael E. Zimmerman, 1990-05-22 Writing in a lively and refreshingly clear American English Zimmerman provides an uncompromisingly honest and judicious account of Heidegger's views on technology and his involvement with National Socialism One of the most important books on Heidegger in recent years John D Caputo superb Thomas Sheehan The New York Review of Books thorough and complex Choice excellent guide to Heidegger as philosopher Radical Philosophy engrossing rich in substance makes clear Heidegger's importance for the issue of technology ethics and politics Religious Studies Review The relation between Martin Heidegger's understanding of technology and his affiliation with and conception of National Socialism is the leading idea of this fascinating and revealing book Zimmerman shows that the key to the relation between Heidegger's philosophy and his politics was his concern with the nature of working and production

Eventually, you will entirely discover a additional experience and success by spending more cash. nevertheless when? attain you understand that you require to get those all needs bearing in mind having significantly cash? ## **Martin Heidegger And National Socialism Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Martin Heidegger And National Socialism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Martin Heidegger And National Socialism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Martin Heidegger And National

Socialism free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Martin Heidegger And National Socialism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Martin Heidegger And National Socialism any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Martin Heidegger And National Socialism Books

1. Where can I buy Martin Heidegger And National Socialism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Martin Heidegger And National Socialism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Martin Heidegger And National Socialism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Martin Heidegger And National Socialism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
