Karl Marx Frank W. Elwell,Brian Andrews,Kenneth S. Hicks,2020-12-15 Karl Marx A Reference Guide to His Life and Works covers all aspects of his life and works Marx was a philosopher a crusading journalist as well as a political organizer and activist advocating democratic reforms working class political organizations and the establishment of a socialist political order Includes a comprehensive historical timeline of major events involving or related to MarxThe A to Z section includes the major events works and concepts related to MarxBibliography of major works by and about Marx and events surrounding his life and worksThe index thoroughly cross references the chronological and encyclopedic entries *MARX : HIS THEORY AND ITS CONTEXT ; POLITICS AS ECONOMICS ; AN INTROD. AND CRITICAL ESSAY ON THE POLIT. ECONOMY OF KARL MARX* Angus Walker,1979 Marx's Theory of Ideology (RLE Marxism) Bhikhu Parekh,2015-04-17 Although Marx s concept of ideology has been a subject of considerable discussion much of the debate has proved to be rather disappointing There has been no systematic attempt to examine why Marx needed the concept of ideology why it was an important concept for him and how it related to his views on truth and objectivity This book first published in 1982 considers these and other neglected questions It explains why Marx continued to use the term ideology throughout his life to mean both idealism and apologia and traces the complex ways in which according to Marx such talented writers as Hegel became apologists In conclusion the book outlines the lessons Marx learnt from his investigations into the nature and mechanism of ideology and discusses his theories of objectivity and truth **Karl Marx and the Philosophy of Praxis** Gavin Kitching,2015-04-17 In this major

study first published in 1988 Professor Kitching builds on recent scholarship on Marx and Wittgenstein to provide an incisive readable account and critique of the whole of Marx s work He presents the philosophical economic and political Marx as one thinker and argues that the key to understanding Marx is his commitment to a philosophy of praxis This sees thought as just part of that purposive activity or praxis which distinguishes human beings from other creatures This is the first book to analyse all of Marx s thought from a Wittgenstein perspective in doing so it clarifies and deepens our understanding of Marx

Marx's Concept of Money Anitra Nelson,2012-11-12 This work relates Marx s theory of money to his overall political economy and places it firmly within the wider context of his political and philosophical thought It has for some time been held that there exists an epistemological break between the early humanist and later scientific Marx However in this ground

breaking study Anitra Nelson links Marx's concept of money to his early key concepts with particular reference to alienation

The A to Z of Marxism David Walker, Daniel Gray, 2009-08-13 Marxism one of the few philosophies that turned into an effective movement not so long ago was the official ideology in one form or another of much of humanity It was promulgated initially by the Soviet Union then imposed on much of Central and Eastern Europe later emerged in the People's Republic of China and gradually spread to other parts of Asia and even bits of Africa and Latin America Although declining in its initial popularity it still remains strong in several countries and is supported by numerous communist and other parties and countless individuals around the world The A to Z of Marxism covers the history of Marxism and all its thinkers and schools of thought in a comprehensive manner This is done through a chronology an introductory essay a bibliography and hundreds of cross reference dictionary entries on basic terms and concepts significant thinkers and doers and also the parties and countries that followed it

Marx, Methodology and Science David M. Walker, 2017-07-12 This title was first published in 2001 The book aims to give a clear and accessible account of Marx's method and an assessment of its scientific validity and relevance to contemporary social science The key methodological themes of Marx's work and their development are shown with particular attention paid to the elements of dialectics and materialism Four models of science are outlined positivism critical rationalism scientific conventionalism scientific realism and the arguments and evidence both for and against Marx's method corresponding to any of them examined The conclusion arrived at is that Marx's method is a good example of social scientific practice according to the scientific realist model and that it has a positive contribution to make to social science today realism

Marx's Scientific Dialectics Paul Paolucci, 2007 This book examines both problems in traditional readings of Marx's texts and how he used several methods of science to inform his dialectical thinking historical materialist research political economic analyses and his communist project A case is made for Marx's continuing methodological relevance

Marx's Theory of Crisis Simon Clarke,2016-07-27 The theory of crisis has always played a central role within Marxism and yet has been one of its weakest elements Simon Clarke s important new book provides the first systematic account of Marx s own writings on crisis examining the theory within the context of Marx s critique of political economy and of the dynamics of capitalism The book concentrates on the scientific interpretation and evaluation of the theory of crisis and will be of interest to mainstream economists as well as to sociologists political scientists and students of Marx and Marxism

Marx Angus Walker,1978 **Marxist Political Economy and Marxist Urban Sociology** Kieran McKeown,1987-02-16

J.S. Mill on Civilization and Barbarism Michael Levin,2004 John Stuart Mill s best known work is *On Liberty* 1859 In it he declared that Western society was in danger of coming to a standstill To understand how Mill came to this conclusion requires one to investigate his notion of the stages from barbarism to civilisation and also his belief in imperialism as part of the civilising process This study encompasses discourses on the blessings curses and dangers of modernisation from approximately the time of the American and French revolutions to that of the so called mid Victorian calm in which *On Liberty* was written Current political issues concerning the West and Islamic countries have heightened interest in just the kind of question that this book discusses that of how the West relates to and assesses the rest of the world *Karl Marx and Friedrich Engels (RLE Marxism)* Cecil L. Eubanks,2015-04-17 The project to publish the works of Marx and Engels continues and this book published in 1984 puts together a comprehensive bibliography of their works either written in or translated into English including books monographs articles chapters and doctoral dissertations together with the works of their interpreters The inclusion of the secondary literature makes this a particularly valuable bibliography and contributes greatly to the understanding of the thought of Marx and Engels Historical Dictionary of Marxism Elliott Johnson,David Walker,Daniel Gray,2014-09-09 The second edition of the *Historical Dictionary of Marxism* covers of the basics of Karl Marx s thought the philosophical contributions of later Marxist theorists and the extensive real world political organizations and structures his work inspired that is the myriad political parties organizations countries and leaders who subscribed to Marxism as a creed This text includes a chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities both thinkers and doers political parties and movements and major communist or ex communist countries This book is an excellent access point for students researchers and anyone wanting to know more about Marxism
