The Sacrament and Other Plays of Forbidden Love Hugo Claus, 2007-10 Hugo Claus generally recognized as the greatest living writer in the Dutch language became famous in the theater for several early works of particular force and daring This volume includes three of those remarkable early plays *Bride in the Morning* *Sugar* and *The Sacrament* All three plays boast unforgettable characters trapped in a world of oppressive social mores The central figures are all subject to sexual and creative impulses towards objects of forbidden love that bring disapproval and censure crashing in on them subsequently bringing about their own ruin **The Marx Brothers** Wes D. Gehring, 1987-07-28 This bio bibliography was designed to present a combined biographical critical and bibliographical portrait of the Marx Brothers It examines their significance in film comedy in particular and as popular culture figures in general The book is divided into five sections beginning with a biography which explores the public and private sides of the Marx Brothers The second section is concerned with the influences of the Marx Brothers as icons of anti establishment comedy as contributors to developments in American comedy as early examples of saturation comedy and as a crucial link between silent films and the talkies Three original articles two by Groucho and one by Gummo comprise part three A bibliographical essay which assesses key reference materials and research collections is followed by two bibliographical checklists Appendices containing a chronological biography with a timeline a filmography and a selected discography complete the work Phenomenological Approaches to Popular Culture Michael Thomas Carroll, Eddie Tafoya, 2000 Within popular culture studies one finds discussions about quantitative sociology Marxism psychoanalysis myth criticism feminism and semiotics but hardly a word on the usefulness of phenomenology the branch of philosophy concerned with human experience In spite of this omission there is a close relationship between the aims of phenomenology and the aims of popular culture studies for both movements have attempted to redirect academic study toward everyday lived experience The fifteen essays in this volume demonstrate the way in which phenomenological approaches can illuminate popular culture studies and in so doing they take on the entire range of popular

Hoberman,2021-10-07 The Marx Brothers are universally considered to be classic Hollywood's preeminent comedy team and Duck Soup is generally regarded as their quintessential film A topical satire of dictatorship and government in general the movie was a critical failure and box office let down on its initial release in 1933 J Hoberman's study of the film traces its reputation history from the initial disappointment of its release to its rise to cult status in the 1960s when the Marx's anarchic anti establishment humor seemed again timely Hoberman places Duck Soup alongside analogous comedies Dr Strangelove 1964 the Beatles films Morgan 1966 The President's Analyst 1967 and The Producers 1968 It attained canonical stature as a touchstone for Woody Allen and would be recognized by the Library of Congress in the 1990s Hoberman's analysis provides a historical and political context as well as an in depth production history drawing on primary sources and emphasizing director McCarey's prior work along with the Marx Brothers as well as the situation at Paramount a substantial synopsis and an account of the movie's initial reception concluding with its subsequent elevation to comic masterpiece

Master of the Two Left Feet Richard Meyer,2022-09-13 An account of the life and work of a once famous self taught American artist of the 1940s and a study of how artists go missing from public memory The exhibition Morris Hirshfield Rediscovered at the American Folk Art Museum in New York City curated by the author and developed as an extension of the book is on view from September 22 2022 to January 27 2023 A garment worker and slipper manufacturer with no training in art Morris Hirshfield was never expected to make history Against all odds his wildly stylized paintings of female figures often nude animals and landscapes became internationally known in the 1940s Admired by Pablo Picasso Piet Mondrian and the French surrealists his peak moment of visibility occurred in 1943 when the Museum of Modern Art mounted a one man show of his work The exhibition was widely reviewed though mostly reviled by the press who jeeringly crowned Hirshfield Master of the Two Left Feet for his tendency to display the female body in that unorthodox fashion After the artist s death in 1946 his work was largely forgotten but in Master of the Two Left Feet art historian Richard Meyer rediscovers Hirshfield for twenty first century audiences offering full color reproductions that capture the vibrant imagination and sheer visual pleasure of Hirshfield s paintings The book also features a catalog of works compiled by curator Susan Davidson which provides the most comprehensive documentation of the artist s work ever assembled Ten years in the making Master of the Two Left Feet presents Hirshfield s unlikely career as a painter not only as a missing episode in the history of twentieth century art but as a case study of the ways in which artists go missing from historical knowledge and public memory By looking closely at Hirshfield and his milieu in 1940s Brooklyn Meyer demonstrates how much we have yet to learn and to see of the visual past
