## **Marxism And The Mass Media Towards A Basic Bibliography 123 Revised Ed Catalog Numbers 1 453:**

**Marxism and the Mass Media** ,1978      **Marxism and the Mass Media** ,1978      **Forthcoming Books** Rose Army,1984-03      **Marxism and the Mass Media** ,1976      **Marxism and the Mass Media** International Mass Media Research Center,1974      Marxism and the Mass Media ,1978      Mass Media James B. Martin,2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes      **Basic Books in the Mass Media** Eleanor Blum,1972

**Marxism and Communication Studies** Lee Artz,Steve Macek,Dana L. Cloud,2006 There is a timely and urgent need for a reasoned dialogue reassessing how Marxism can advance the study of human communication and transform the social world in which it is embedded Indeed ongoing world historical events including the vigorously organized market globalization the corresponding insurgent global anticorporate movement and the conflicts engendered by the U S invasion of Iraq have underscored the importance of a thorough critique of global capitalism and its telecommunication technologies and practices This important new collection featuring essays by leading scholars and practitioners provides a much needed overview and assessment of Marxism s significance to contemporary thinking in communication and media studies Contributors demonstrate how a Marxist perspective can be usefully applied to specific case studies in communication providing valuable insights and understandings that are not obtainable using other approaches      **Social Foundations of the Mass Media** Walter M. Brasch,Dana R. Ulloth,2001 Social Foundations of the Mass Media is a historical examination of the intellectual debate over the extent of permissible freedom that should be allowed for the expression and discussion of conflicting ideas The treatment begins with the ancient Egyptian concepts extends through Middle Eastern writings treats the Inquisition and concludes with modern concepts in the United States Both the church and the state have long desired to repress dissident opinion fearing that their authority would be undermined They have used persecution laws the courts and public opinion to try to impose their ideas upon an unwilling population Thinkers from Aristotle to Zechariah Chafee Jr the renowned legal scholar at Harvard University and Hugo Black former Associate Justice of the Supreme Court of the United States have had much to say about the role of journalists writers and dissidents Each of their ideas and those of many others appear in the Social Foundations of the Mass Media The debate will continue well into the future but the issues that have been raised over the centuries remain central to the debate today      Marxism and Media Studies Mike Wayne,2003-07-20 This is an accessible guide to key Marxist concepts and how to apply them to contemporary cultural analysis Drawing on Marx Lukacs Gramsci Habermas Jameson and others the book retools and redeems key concepts such as class the mode of

production culture industries the state base superstructure ideology hegemony knowledge and social interests and commodity fetishism It also includes analysis of film television the internet and print media Using case studies including Disney Big Brother to the spirits and spectres in such films as *The Others* *The Devil's Backbone* and *Dark City* it illuminates the fetishisms of culture and society under capital Exploring the relevance of each concept to understanding the media Wayne explains why Marxism is an important critical methodology for the media student to engage with He foregrounds the theoretical and political shifts that have led to its marginalisation in recent years and highlights how and why these trends are changing as once more people return to Marx and Marxism to understand the world around them

**Basic Books in the Mass Media** Eleanor Blum, 1980      *Mass Media and Society in a Changing World* Minabere Ibelema, 2015-04-22 Books on mass media and society are often too elementary or too academic for upper level undergraduate students This anthology occupies the middle ground The articles are both scholarly and readable They represent various methodological approaches including historical and critical cultural studies as well as qualitative and quantitative analyses What the articles have in common is that they provide scholarly insight without overly specialized vocabulary In effect the volume is intended to be accessible to upper level undergraduates while also providing cutting edge scholarship for graduate students and scholars A number of intertwined themes link the articles The most important is the far reaching impact of the libertarian philosophy on the development of the mass media and the latter's intersection with cultural transformation The second is the transactional nature of mass media and society with the two institutions interlocked in a loop of mutual impact Closely related is the impact of communication technology from Gutenberg's printing press in the 15th century to the digital technology of the 21st century The book also includes a summary of the major theories of mass communication Minabere Ibelema Ph D Ohio State University is an Associate Professor of Communication Studies at the University of Alabama at Birmingham where he teaches *Mass Media and Society* among other courses His current research interest is in the press and democratization His book *The African Press Civic Cynicism and Democracy* won the 2009 Society of Professional Journalists Sigma Delta Chi Award for Research in Journalism He has also published several research articles as book chapters or in journals including *Journalism Communication Monographs* *Free Speech Yearbook* *Journal of Development Communication* *Newspaper Research Journal* *Journal of Radio Studies* *Journalism Mass Communication Educator* and *Current History*

**Mass Media, Ideologies and the Revolutionary Movement** Armand Mattelart, 1980      **Marx and the Political Economy of the Media**, 2015-09-29 More than 130 years after Karl Marx's death and 150 years after the publication of his opus magnum *Capital* Critique of Political Economy capitalism keeps being haunted by period crises The most recent capitalist crisis has brought back attention to Marx's works This volume presents 18 contributions that show how Marx's analyses of capitalism the commodity class labour work exploitation surplus value dialectics crises ideology class struggles and communism help us to understand media cultural and communications in 21st century informational capitalism Marx is back This book is a key resource on the

foundations of Marxist Media Cultural and Communication Studies      *Mass Media Research* Roger D. Wimmer, Joseph R. Dominick, 2000 This text begins with an overview of mass communication research and ethics of research It then explores each major approach to research including qualitative content analysis survey research longitudinal research and experimental research The text continues with a section on data analysis and concludes with a forward looking section on research applications covering such topics as research in print and electronic media as well as on the Internet      **Sources**
