## **Marxism Vs Ultraleftism The Record Of Healy's Break With Trotskyism:**

**Marxism Vs. Ultraleftism** Joseph Hansen, 1974      **Contemporary Trotskyism** John Kelly, 2018-03-14 Almost 80 years after Leon Trotsky founded the Fourth International there are now Trotskyist organizations in 57 countries including most of Western Europe and Latin America Yet no Trotskyist group has ever led a revolution or built an enduring mass political party Contemporary Trotskyism looks in detail at the influence, resilience and weaknesses of the British Trotskyist movement from the 1970s to the present day The book argues that to understand and explain the development, resilience and influence of Trotskyist groups we need to analyse them as bodies that comprise elements of three types of organization: the political party, the sect and the social movement It is the properties of these three facets of organization and the interplay between them that gives rise to the most characteristic features of the Trotskyist movement: frenetic activity, rampant divisions, inter-organizational hostility, authoritarian and charismatic leadership, high membership turnover and ideological rigidity Trotskyist groups have been involved in a wide range of important social movements including trade unions, student unions, anti-war, anti-racist and anti-fascist groups While their energy and activity in civil society have had some success, their influence has never been reflected in votes or seats at elections even after the financial crisis Drawing on extensive archival research as well as interviews with many of the leading protagonists and activists within the Trotskyist milieu, this is essential reading for students, activists and researchers with an interest in the far-left social movements and contemporary British political history      **Marxism and the U.S.S.R.** Paul Bellis, 1979-08-16      **Marxism Vs. Ultraleftism** Joseph Hansen, 1971-01-01      **Trotskyism in the United States** Paul Le Blanc, Alan Wald, George Breitman, 2016-12-01 In the new edition of this definitive work on the history of the revolutionary socialist current in the United States that came to be identified as American Trotskyism, Paul Le Blanc offers fresh reflections on this history for scholars and activists in the twenty-first century Includes a preface written especially for the new edition of this distinctive work Paul Le Blanc is a professor of History at La Roche College and author of Choice Award-winning book *A Freedom Budget for All Americans*

*The Party is Always Right* Aidan Beatty, 2024-09-20 A very readable and meticulous take-down that will be seen as a must-read source on left-wing politics from the 1930s to the twenty-first century Paul Le Blanc, author of *Lenin*, Aidan Beatty skilfully brings us into this sexist, ultra-hierarchical world highlighting the courageous actions of predominantly female members who exposed decades of sexual assault committed by Healy. Camilla Fitzsimons, author of *Repealed Love*, it or hate it, it's hard to deny that British Trotskyism created some fascinating stories. Finding themselves increasingly irrelevant in modern politics, these political sects often became twisted aberrations of Comrade Trotsky's ideals. Gerry Healy's Workers Revolutionary Party was no exception. This new biography tells the story of Healy's life, picking apart fact from fiction to reveal a man rotten to the core with authoritarian tendencies. Saturating the party with his personality, Healy took advantage of his comrades' trust and revolutionary zeal, eventually forcing a split in 1985. This is a tragic story in the history of

Communism wracked with accounts of abuse collaboration with the state and vicious infighting It also reveals the dangers of male dominated political movements secular cults and celebrity culture and is an important reminder of what can happen when a working class movement is betrayed from within Aidan Beatty is an award winning historian and lecturer at Carnegie Mellon University Pittsburgh Pennsylvania He is the author of Private Property and the Fear of Social Chaos and Masculinity and Power in Irish Nationalism which was awarded the James S Donnelly Sr Prize He has written for Jacobin the Irish Times and the Washington Post

**British Trade Unions and Industrial Politics** John McIlroy,Nina Fishman,Alan Campbell,2018-10-04 First published in 1999 this book discusses trade unionism in Britain from 1964 to 1979 Detailing political change in British politics from union strikes to Thatcherism in the late 1970s and the implications that had on trade unions and industrial politics

**Trotskyism and Maoism** A. Belden Fields,1988 The theory and practice of communism today does not adhere rigidly to the dogma of the Communist Party This book provides a systematic comparison of Trotskyist and Maoist politics in theory and practice Pulling together material from widely scattered sources into a comprehensive framework Trotskyism and Maoism follows the development of the Trotskyist and Maoist movements in France and in the United States from the 1930s to the present Scholars of political theory Western European studies and social history will applaud its publication

**Marxism Vs. **A New Probe by the Workers League Against the Communist Movement** ,1995

**Trotskyism and the Dilemma of Socialism** Chris Z. Hobson,Ronald D.
