History, Power, Ideology Donald L. Donham, 2023-09-01 Is Marxism a reflection of the conceptual system it fights against rather than a truly comprehensive approach to human history Drawing on recent work in anthropology history and philosophy Donald Donham confronts this problem in analyzing a radically different social order the former Maale kingdom of southern Ethiopia Unlike capitalist societies wherein inequality is organized by contracts between free individuals in Maale powerful men were thought to beget others through control of biological fertility and material fortune Donham scrutinizes this unusual system of domination in order to sharpen issues in social and cultural theory He concludes that the interpretation of symbols and analysis of historical contingency should be crucial steps in any Marxists investigation The result is a provocative and original re reading of the Marxist tradition and a spirited defense of its continued vitality and relevance Every once in a while there appears a book that opens up new ways of inquiring into the ways of the world Donald Donham has written such a book The style is quiet and judicious but the effect is stunning In putting inherited partisan approaches to the test of explaining the realities of Maale society and culture Donham enriches anthropology and imparts new vigor to the analytical Marxian traditions History Power Ideology embodies a major accomplishment From the Foreword Is Marxism a reflection of the conceptual system it fights against rather than a truly comprehensive approach to human history Drawing on recent work in anthropology history and philosophy Donald Donham confronts this problem in analyzing a radically

An Anthropology of Marxism Cedric J. Robinson, 2019-01-18 An Anthropology of Marxism offers Cedric Robinson's analysis of the history of communalism that has been claimed by Marx

and Marxists Suggesting that the socialist ideal was embedded both in Western and non Western civilizations and cultures long before the opening of the modern era and did not begin with or depend on the existence of capitalism Robinson interrogates the social cultural institutional and historical materials that were the seedbeds for communal modes of living and reimagining society Ultimately it pushes back against Marx's vision of a better society as rooted in a Eurocentric society and cut off from its own precursors Accompanied by a new foreword by H L T Quan and a preface by Avery Gordon this invaluable text reimagines the communal ideal from a broader perspective that transcends modernity industrialization and capitalism Anthropology and Marxism James W.
