Marxism And Christianity:

The Challenge of Marxism Klaus Bockmühl,1980 *Marxism and Christianity* Alasdair MacIntyre,1984-03-15
Contending that Marxism achieved its unique position in part by adopting the content and functions of Christianity MacIntyre details the religious attitudes and modes of belief that appear in Marxist doctrine as it developed historically from the philosophies of Hegel and Feuerbach and as it has been carried on by latter day interpreters from Rosa Luxemburg and Trotsky to Kautsky and Lukacs The result is a lucid exposition of Marxism and an incisive account of its persistence and continuing importance Marxism, an American Christian Perspective Arthur F. McGovern,1980 **World Christianity and Marxism** Denis Janz,1998 All the diverse philosophical and political manifestations of Marxism were ultimately rooted in Marx's thought and supporters based their greater or lesser hostilities toward Christianity on their reading of his critique Janz follows this with an overview of Christian responses to Marx extending from the mid 19th century to the onset of the Cold War *Church and Revolution* Simon Hewitt,2020-03-15 Simon Hewitt argues that Marxism and Christianity have much to learn from each other and explores four themes that can provide starting points and common ground for continuing the conversation **On Synthesizing Marxism and Christianity** Dale Vree,1976 **Marxism and Religion** David McLellan,1987 *Marxism and Christianity* Denys Turner,1983 Turner approaches the problem of the relation of Marxism and Christianity in a novel and important way An important contribution to the ongoing Christian Marxist dialogue Highly recommended **Christianity and Marxism** Alan Scarfe,Patrick Sookhdeo,1982 *Marxism and Christianity* Herbert Aptheker,1968 **Christianity and Marxism** Andrew Collier,2013-04-15 Andrew Collier analyses recent cooperation between Christianity and Marxism after earlier years of antagonism He first discusses the nature of Christianity and Marxism and their place amongst contemporary world views before looking at areas of apparent conflict and possible reconciliation This groundbreaking work will be of interest to those involved in philosophy theology politics and Marxism **Marxist Analysis and Christian Faith** René Coste,1985 **Marxism and Christianity** Józef Tischner,1987 **Christian Political Theology** Joseph M. Petulla,1972 Discussion of terms of Christian policies that work for the common good according to Marx's doctrines **Jesus and Marx** Jacques Ellul,2012-03-01 At what point does a theology become an ideology How can a Christian distinguish the two Jacques Ellul has always taken pains to differentiate them but in this book he provides both a theoretical framework and important examples Some popular theologies particularly those that attempt to intertwine biblical theology with Marxist thought fall into the trap of reaching theological conclusions by other means Ellul believes so that we cannot consider them as true theologies From both a biblical theological and sociopolitical perspective Ellul examines the attempt to relate Christianity to Marxist thought By reviewing in detail several key Marxist Christian books Ellul exposes the weaknesses of so called Marxist Christianity which he says is neither Marxist nor Christian and argues that the biblical perspective takes exception to all political power leaving Christian anarchism as the realistic

revolutionary option The preface by translator Joyce Main Hanks provides an excellent introduction to the book showing how it fits into Ellul s thought and how it relates to Ellul s previous work **Marxism and Christianity** Alasdair C. MacIntyre,1983 Marxism and Christianity Herbert Aptheker,1968 **The Urgency of Marxist-Christian Dialogue** Herbert Aptheker,1970 Herbert Aptheker s new book is a striking pragmatic argument for reconciliation He begins by setting forth views of Marx Engels and Lenin on religion and then discusses the most prevalent distortions of these views Current re examinations of Marxism by such theologicans as J rgen Moltmann Paul Lehmann and Charles West are also analyzed and discussed From back cover **Marxism and Christianity** Jozef Tischner,1986 *Marxism, Christianity, and Islam* Julian Roche,2024-02-20 Roger Garaudy was for many years at the centre of the French Communist Party but was eventually expelled for his liberal views In the Seventies he strove to bring Marxism and Christianity together to include all humanity in a project to set all people free What emerges from Garaudy s project is a very modern Marxism with its emphasis on the individual its ecological politics and in its insistence on religion as central to human emancipation Although Garaudy himself became frustrated by the failure of Marxism and converted to Islam eventually resulting in his work being discredited in the West it is certainly possible that Garaudy s project represents a good perhaps even the best starting point for Marxism in today s world
