Marxist Thought In Latin America

Marc Becker

Marxist Thought In Latin America:

Mariátegui and Latin American Marxist Theory Marc Becker, 1993 Jos Carlos Mari tegui the Peruvian political theorist of the 1920s was instrumental in developing an indigenous Latin American revolutionary Marxist theory He rejected a rigid orthodox interpretation of Marxism and applied his own creative elements which he believed could move a society to revolutionary action without the society having to depend upon more traditional economic factors His interpretation of Peruvian history had a profound effect upon subsequent social movements throughout Latin America This volume reviews the essential elements of Mari tegui s thought and important influences on his intellectual development It demonstrates the role he played in defining a Latin american identity the nature of his intellectual contribution to the development of indigenous revolutionary movements in Latin America and the influence he had on successful revolutionary movements in Cuba and Nicaragua An understanding of Mari tegui s thought is fundamental to understanding the nature of revolutionary changes in Latin America

Marxism in Latin America from 1909 to the Present Michael Löwy, 1992 This is the first new anthology of writings by Latin American Marxists to appear in over twenty years Its purpose is to fill this vacuum and to provide a working tool for both students and activists While including theoretical sociological historical and economic writings the majority of the documents center on political struggles throughout the continent The anthology s method is historical considering the evolution of Marxist thought in the context of social and political struggles during the different historical periods in Latin America as well as in connection with developments in the international workers movement Of particular interest are hard to find documents from the early years of the Communist International a number of important and previously untranslated texts by Jose Carlos Mariategui widely considered the most important Marxist thinker of the Americas documents from the 1932 revolt in El Salvador led by Farabundo Marti and selections from the most dynamic elements of the Latin American left including the Central American revolutionary movements the Brazilian Workers Party and liberation theologians

Marxist Thought in Latin America Sheldon B. Liss, 1984

Marxism, Socialism, and Democracy in Latin America Richard L. Harris, 2019-03-04 At a time when the validity of Marxism is being questioned because of the collapse of the Communist regimes in Eastern Europe Richard Harris examines the relevance of Marxism and socialism for Latin America and the Caribbean Dr Harris discusses recent revolutionary regimes and attempts at socialist transformation in the region in terms of Marxist theory comparing them with the historical experiences of the Soviet Union China Yugoslavia and Vietnam The author argues that Marxist theory offers a framework for understanding recent revolutionary transformations as well as the contradictions and limitations of existing democratic regimes in the region Particular attention is given to revolutionary Cuba the Allende administration in Chile the Popular Revolutionary Government in Grenada the Sandinista regime in Nicaragua and contemporary leftist parties and movements throughout Latin America He contends that democratization and the solution of the region s economic and social problems require a democratic socialist project

Translating Marx Martín

Cortés,2019-10-07 To speak of Latin American Marxism is to announce a problem To what extent can Marxism a theoretical universe forged from nineteenth century European experiences also be productive for grasping other realities How can we begin to make sense of the historical disconnection between that specific corpus of ideas and Latin America s popular movements Mart n Cort s addresses these questions by considering the trajectory and works of Jos Aric who sought to rethink and disseminate in Spanish not only the works of Marx himself but also those of foundational socialist thinkers such as Antonio Gramsci Guided by an interest in Marxism s renovation Cort s explores Aric s vital contributions to key topics in political theory such as the nation the state the political subject and hegemony *Marx and Latin America* José M.

Aricó,2013-12-10 In a work centred on Marx s harsh biography of Sim n Bol var Jos Aric examines why Latin America was apparently excluded from Marx s thought challenging the allegation that this expressed some Eurocentric prejudice Aric shows how the German thinker s hostility towards the Bonapartism and authoritarianism he identified in the Liberator coloured his attitude towards the continent and the significance of its independence processes Whilst criticising Marx s misreading of Latin American realities Aric demonstrates contemporaneous countervailing tendencies in Marx s thought including his appraisal of the revolutionary potentialities of other peripheral extra European societies As such Aric convincingly argues that Marx s work was not a dogma of linear progress but a living contradictory body of thought constantly in development English translation of the Marx y Am rica Latina edition Fondo de Cultura Econ mica 2010

Soviet Relations with Latin America, 1959-1987 Nicola Miller,1989-09-14 This book was first published in 1989 The Soviet presence and purposes in Latin America are a matter of great controversy yet no serious study was hitherto combined with a regional perspective concentrating on the nature and regional impact of Soviet activity on the ground and diplomatic analysis examining the strategic and ideological factors that influence Soviet foreign policy Nicola Miller s lucid and accessible survey of Soviet Latin American relations over the past quarter century demonstrates clearly that existing heavily geo political accounts distort the real nature of Soviet activity in the area closely constrained by local political social and geographical factors In a broadly chronological series of case studies Dr Miller argues that American counter influence apart enormous physical and communicational barriers obstruct Soviet Latin American relations and that the lack of economic complementarity imposes a natural obstacle to trading growth even Cuba often cited as proof of Soviet designs upon the area is only an apparent exception *Cultural Identity and Social Liberation in Latin American Thought* Ofelia

Schutte,1993-01-01 El libro tiene dos grandes temas la identidad cultural sobre la que se expresan opiniones balanceadas entre los extremos posibles y la liberacion social entendida en general como liberacion con respecto a estructuras opresivas El itinerario de e **Accumulation and Subjectivi** BENEZRA,2022-09-02 Reconsiders key concepts in Marxist thought by examining the relationship between accumulation and subjectivity in Latin American narrative film and social and political theory *Marx and Freud in Latin America* Bruno Bosteels,2012-08-21 This book assesses the untimely relevance of Marx

and Freud for Latin America thinkers alien to the region who became an inspiration to its beleaguered activists intellectuals writers and artists during times of political and cultural oppression Bruno Bosteels presents ten case studies arguing that art and literature the novel poetry theatre film more than any militant tract or theoretical essay can give us a glimpse into Marxism and psychoanalysis not so much as sciences of history or of the unconscious respectively but rather as two intricately related modes of understanding the formation of subjectivity *Ideas and Ideologies in Twentieth-Century Latin America* Leslie Bethell,1996-09-13 The Cambridge History of Latin America is a large scale collaborative multi volume history of Latin America during the five centuries from the first contacts between Europeans and the native peoples of the Americas in the late fifteenth and early sixteenth centuries to the present Ideas and Ideologies in Twentieth Century Latin America brings together chapters from Volumes IV VI and IX of The Cambridge History to provide in a single volume the economic social and political ideologies of Latin America since 1870 This it is hoped will be useful for both teachers and students of Latin American history and of contemporary Latin America Each chapter is accompanied by a bibliographical essay

Marxist Thought on Imperialism Charles A. Barone,2016-07-08 First Published in 2015 Classic and contemporary Marxist theoretical works on imperialism are systematically summarized and critiqued in this useful survey Throughout the discussion attention is focused analyses of the causes of capitalist foreign economic expansion and the impact of that expansion The study begins with a discussion of Marx s political economy and the work of early theorists of imperialism Vladimir Lenin Rosa Luxemburg Nikolai Bukharin and Rudolf Hilferding This analysis then serves as the basis for a critical survey of the major strands of postwar Marxist thought including the work of Paul Baran and Paul Sweezy Harry Magdoff James O Connor Andre Gunder Frank and more Following the survey are extended critiques of Baran and Sweezy s theory of monopoly capitalism and Arghiri Emmanuel s theory of unequal exchange **Latin America** Leslie Bethell,1998-06-13 The Cambridge History of Latin America is a large scale collaborative multi volume history of Latin America during the five centuries from the first contacts between Europeans and the native peoples of the Americas in the late fifteenth and early sixteenth centuries to the present Latin America Politics and Society since 1930 consists of chapters from Part 2 of Volume VI of The Cambridge History that provide a thorough account of political movements in Latin America Each chapter is accompanied by a bibliographical essay *An Introduction to Latin American Philosophy* Susana Nuccetelli,2020-11-05 This introduction provides a comprehensive and accessible overview of the central topics in Latin American philosophy It explores not only the unique insights offered by Latin American thinkers into pre established fields of Western philosophy but also the many isms developed as a direct result of Latin American thought *Concise Routledge Encyclopedia of Philosophy* Professor Edward Craig,Edward Craig,2013-01-11 The most complete and up to date philosophy reference for a new generation with entries ranging from Abstract Objects to Wisdom Socrates to Jean Paul Sartre Ancient Egyptian Philosophy to Yoruba Epistemology The Concise Routledge Encyclopedia of Philosophy includes More than 2000 alphabetically arranged

accessible entries Contributors from more than 1200 of the world's leading thinkers Comprehensive coverage of the classic philosophical themes such as Plato Arguments for the Existence of God and Metaphysics Up to date coverage of contemporary philosophers ideas schools and recent developments including Jacques Derrida Poststructuralism and Ecological Philosophy Unrivalled international and multicultural scope with entries such as Modern Islamic Philosophy Marxist Thought in Latin America and Chinese Buddhist Thought An exhaustive index for ease of use Extensive cross referencing Suggestions for further reading at the end of each entry **Concise Routledge Encyclopedia of Philosophy** Routledge (Firm),2000 The scholarship of this monumental and award winning ten volume work is available in one affordable book that brings together more than 2 000 entries from the original in a shortened more accessible format Extensively cross referenced and indexed **Marxism and the Transition to Socialism in Latin America** Richard Legé Harris,1987

The Cambridge History of Latin America Leslie Bethell,1984 This is an authoritative large scale history of the whole of Latin America from the first contacts between native American peoples and Europeans in the late fifteenth and early sixteenth centuries to the present day Religion and Politics in Latin America Daniel H. Levine,2014-07-14 This book explores the transformations in religion in conjunction with political change Professor Levine suggests highlights the dynamic and dialectical interaction between religion and politics in general and addresses the more universal problem of relating thought to action Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Philosophy of Latin America** Guttorm Fløistad,2003-08-31 This volume contains articles on topics within a variety of disciplines political philosophy ethics history of philosophy formal logic philosophy of science and technology as well as philosophical interpretation of literature It is relevant to philosophers and researchers in these disciplines It addresses the question of a genuine Latin American local national and continental cultural identity being a challenge to philosophy
