

To Mary

I sleep with thee, and wake with thee,
And yet thou art not there;
I fill my arms with thoughts of thee,
And press the common air.
Thy eyes are gazing upon mine,
When thou art out of sight;
My lips are always touching thine,
At morning, noon, and night.

I think and speak of other things
To keep my mind at rest:
But still to thee my memory clings
Like love in woman's breast.
I hide it from the world's wide eye,
And think and speak contrary;
But soft the wind comes from the sky,
And whispers tales of Mary.

The night wind whispers in my ear,
The moons shines in my face;
A burden still of chilling fear
I find in every place.
The breeze is whispering in the bush,
And the dews fall from the tree,
All sighing on, and will not hush,
Some pleasant tales of thee.

poet *Mary Had a Little Lamb and Other Poems* Sarah Josepha Hale, 2009-10 Sarah Josepha Buell Hale 1788-1879 was an American writer. She is well known as the author of the popular nursery rhyme *Mary Had a Little Lamb*. In 1823 she published a collection of her poems entitled *The Genius of Oblivion*. From 1827 until 1836 Hale served as editor of *Ladies Magazine* in Boston. Her collection *Poems for Our Children* which includes the now famous *Mary Had a Little Lamb* was published in 1830 though its original title was *Mary's Lamb*. In 1837 she began working as editor of *Godey's Lady's Book* in Philadelphia. Her novel *Northwood: A Tale of New England* 1852 was the first novel about slavery. She remained editor at *Godey's* for forty years, retiring almost at the age of ninety in 1877. She also edited several issues of the annual gift book *The Opal*. **New and Selected Poems, Volume One** Mary Oliver, 2013-11-19. When *New and Selected Poems Volume One* was originally published in 1992, Mary Oliver was awarded the National Book Award. In the fourteen years since its initial appearance, it has become one of the best-selling volumes of poetry in the country. This collection features thirty poems published only in this volume, as well as selections from the poet's first eight books. Mary Oliver's perceptive, brilliantly crafted poems about the natural landscape and the fundamental questions of life and death have won high praise from critics and readers alike. Do you love this world, she interrupts a poem about peonies, to ask the reader. Do you cherish your humble and silky life? She makes us see the extraordinary in our everyday lives: how something as common as light can be an invitation to happiness, and that happiness when it's done right is a kind of holiness, palpable and redemptive. She illuminates how a near miss with an alligator can be the catalyst for seeing the world as if for the second time, the way it really is. Oliver's passionate demonstrations of delight are powerful reminders of the bond between every individual, all living things, and the natural world.

The Book of Mary Nicola Slee, 2009-03-01. Of all the women in the Bible, writes Nicola Slee, Mary has been for me the most ambivalent, the most alien, and yet at some level the most alluring. I've taken a long time to come to her, or for her to come to me. I grew up in a religious tradition, low church Methodism, in which Mary hardly featured, other than in the nativity story. Yet it is hardly possible to exist as an inhabitant of the western world with even half an eye open to the visual and cultural heritage of Christendom, and not to have been in some way affected by this woman, the woman of the Christian tradition. With a collection of prayers and liturgical material focused around the figure of Mary and the themes of motherhood, sisterhood, and female faith, this book projects a strong contemporary attitude. It is clearly feminist, affirming the significance of Mary in the faith journey of contemporary Christian and other women, plus it challenges and critiques traditional stereotypes of Mary. The author explores the sorrows of Mary, her defiance and resistance, sexuality, sensuality, aloneness, independence, and freedom, companionship, sisterhood, friendship, ministry, priesthood, contemplation, prayer, and silence, wisdom, authority, faith, risk, and daring. ***Mary Desmond, and Other Poems*** Nicholas J. Gannon, 1873. *Cecil and Mary; Or, Phases of Life and Love. [A Poem.]* Joseph Edward Jackson, 1858. ***Mary Barton*** Elizabeth Gaskell, 2017-07-18. poignant view of the class divide *Helen Treveryan* Henry Mortimer Durand,1892 *Selena* by Mary Tighe Harriet Kramer Linkin,2016-04-01 Mary Tighe's unpublished novel *Selena* is one of the great unknown treasures of British Romanticism Completed in 1803 this brilliant compulsively readable beautifully written and psychologically astute courtship novel is finally available in a scholarly edition that reveals Mary Tighe to have been as talented a fiction writer as she was a poet The history of this amazing work's long journey from manuscript to print is only one of the stories Harriet Kramer Linkin recounts in this scrupulously annotated edition based on the only known copy of the manuscript currently part of the National Library of Ireland's holdings Linkin's introduction situates the novel in its historical context draws attention to significant aspects of the plots and characters and makes a strong case for *Selena*'s importance for understanding the history of the novel fiction by women Anglo Irish fiction silver fork novels and the Romantic period Explanatory notes explain obscure references and contexts identify allusions to other writers and provide translations of any non English or archaic words *Selena* itself is a revelation in its frank treatment of the darker aspects of Tighe's world including parents who mistreat cheat or fail their children and spouses who commit adultery or betray one another emotionally At the same time it is magnificent in its stunning and moving portrayals of romantic love of the possibility and importance of female friendship of the difficult necessity of choosing sense over sensibility and of the need for women and men to choose self enhancing vocations This extraordinary novel is destined to open up new ways of thinking by scholars of the Romantic era and the history of the novel **A Study of Mary Wollstonecraft and the Rights of Woman** Emma Rauschenbusch-Clough,1898
