Work Projects Administration (Ohio), 1940 *Problems of U.S. Office Machine Dealers* United States. Congress. House. Committee on Small Business. Subcommittee on Special Small Business Problems, 1980 *Hollywood Melodrama and the New Deal* Anna Siomopoulos, 2012 While many critics have analyzed the influence of the FDR administration on Hollywood films of the era most of these studies have focused either on New Deal imagery or on studio interactions with the federal government Neither type of study explores the relationship between film and the ideological principles underlying the New Deal This book argues that the most important connections between the New Deal and Hollywood melodrama lie neither in the New Deal iconography of these films nor in the politics of any one studio executive Rather the New Deal figures prominently in Hollywood melodramas of the Depression era because these films engage the political ideas underlying welfare state policies ideas that extended the reach of government into the private realm As the author shows Hollywood melodramas interrogated New Deal principles of liberal empathy consumer citizenship the refeudalization of the state and minimal economic redistribution only to support welfare state ideology in the end **Federal Register** , 2012-05 **Encyclopedia of U.S. Political History** Andrew Whitmore Robertson, 2010 Annotation st1 behavior url ieouui Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H

Lehman CollegeThe colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence VOLUME 2The Early Republic1784 1840Volume Editor Michael A Morrison Purdue UniversityNo period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system **Roosevelt, the Party Leader, 1932-1945** Sean J. Savage, FDR the wily political opportunist glowing with charismatic charm a leader venerated and hated with equal vigor such is one common notion of a president elected to an unprecedented four terms But in this first comprehensive study of Roosevelt s leadership of the Democratic party Sean Savage reveals a different man He contends that far from being a mere opportunist Roosevelt brought to the party a conscious agenda a longterm strategy of creating a liberal Democracy that would be an enduring majority force in American politics The roots of Roosevelt s plan for the party ran back to **Roosevelt to Roosevelt** Dwight Lowell Dumond,1937

Granite ,1917 **Cambridge International AS Level History of the USA 1840-1941 Coursebook** Pete Browning,Patrick Walsh-Atkins,2013-09-05 Cambridge International AS Level History is a suite of three books that offer complete coverage of the Cambridge International AS Level History syllabus code 9389 Written in clear and accessible language this title covers the History of the USA from the period of 1840 1941 Features include key questions timelines definitions of key terms profile of key figures notes to highlight significant points and formative questions to consolidate learning Each chapter reinforces knowledge and builds skills using detailed study of primary and secondary sources to help students achieve their best Exam support is offered in a final Examination Skills chapter offering advice on exam technique and how to approach source investigation and structured essay questions *Political Economy, Linguistics and Culture* Jürgen Backhaus,2007-12-21 During the late 19th and throughout the 20th century social sciences in general and economics in particular have undergone enormous progress This has led to something of an embarrassment of riches While certain topics have been fully researched to the point where the marginal benefit from further research is approaching zero others have remained largely under researched or were being ignored altogether It is this discrepancy which prompted the research paradigm of Crossing Bridges For this volume ten authors have joined forces to address the problem of under researched topics focussing in particular on gaps in interdisciplinary research between economics and other social sciences such as linguistics art and cultural history Making use of interdisciplinary methods and approaches the book makes a case for stronger bonds between the different fields of social science **Congressional Record** United States.
