Real Estate Perspectives:

Real Estate Perspectives Dean Gatzlaff, John B. Corgel, Halbert C. Smith, David C. Ling, 1997-08 *Real Estate Perspectives* Halbert C. Smith, John B. Corgel, 1992 Real Estate Perspectives John B. Corgel, Halbert C. Smith, David C. Ling, 1998 This text provides a clear presentation of the numerous investment decisions involved in real estate such as whether and how to lease buy sell or mortgage a property how to analyze and predict the forces in the market that determine real estate values whether and when to renovate rehabilitate or demolish and when and how to divest a property The authors use Value as a unifying theme supporting their view that students best understand and appreciate the importance of the complex economic social and legal processes that affect real estate markets after they have developed an understanding of how real estate valuation and investment decisions are made The text provides a decision making framework through a greater use of technology and quantitative decision making tools It is organized into five perspectives Investment Market Value Mortgage Finance and Legal *Real Estate Perspectives* Halbert C. Smith, John B. Corgel, 1987 *Risk Premium & Management - an Asian Direct Real Estate (Dre) Perspective* Ho Kim Hin/David, 2020-09-24 This book is concerned with the unique findings contributions and recommendations made on several crucial issues relating to the concomitant subjects of direct real estate DRE risk premiums and DRE risk management Chapter 1 examines the institutional nature of legal origin and the total returns TRs from investing in a country's DRE and via the adoption of a multi factor arbitrage pricing theory APT model Chapter 2 affirms the true historical volatility to be a reasonable estimation of international DRE risk premiums when the autoregressive lag orders of the de smoothed returns and the multi factor model are taken into account Chapter 3's real world of international DRE investing counts on sustainable international DRE investing imperative for the investing organization's willingness and preparedness to effectively manage risk or uncertainty early enough as part of the risk management cycle in pursuing high risk adjusted TRs for DRE assets Chapter 4 recommends a model of the intuitive build up approach of forming the DRE investment hurdle rates for new DRE investing The resultant DRE risk premiums serve a rough guide to ensure that the DRE hurdle rate is stringent and high enough to achieve the risk adjusted and Sharpe optimal portfolio TR Chapter 5 examines the integrated DRE investment strategy for a 13 city Pan Asia DRE portfolio of office industrial real estate and public listed DRE companies adopting the analytic hierarchy process AHP and the Markowitz quadratic programming models Such models enable the versatile strategic asset SAA and the tactical asset TAA allocations Chapter 6 enables the DRE institutional investor to achieve a comprehensive and in depth return and risk assessment at the DRE level for the 4 prime Asia residential sectors of Shanghai SH Beijing BJ Bangkok BK and Kuala Lumpur KL under the DRE VaR incremental DRE VaR and the risk adjusted return on capital RAROC Chapter 7 reiterates that public policies on macroeconomic management have to be consistent and non conflicting in a widely accepted policy compact It is because the policies reinforce the fundamental investment value of large and complex developments affecting the sustainable viability

like the integrated resort IR at Marina Bay Singapore Chapter 8 draws attention to the aftermath of the Asian economic crisis terrorism and viral epidemics that compel more DRE investors to risk diversify their operations beyond their primary market into other parts of Asia However limited studies examine risk reduction diversification strategies via split returns i e decomposing TRs into rental yield returns and capital value CV returns Chapter 9 proposes and recommends the intelligent building IB framework via the fuzzy logic FL engine leading to a robust measure of building intelligence and a standard guideline for a consistent performance based structure for the promotion of the correct IB classification

Real Estate Perspectives John B. Corgel, *Perspectives on Real Estate Investment* Paul F. Wendt, 1982 *Professionals' Perspectives of Corporate Social Responsibility* Samuel O Idowu, Walter Leal Filho, 2009-10-21 Since the general acceptance of the field of corporate social responsibility worldwide corporate entities and those who act for them either as executives or ordinary employees are expected to be socially responsible Being socially responsible has a number of quantifiable and unquantifiable benefits for the entity and its stakeholders It improves the entity's bottom line results protects jobs and is also better for the environment As such it makes good sense for professionals and those that they interact with as colleagues suppliers of goods and services lenders etc to want to take the issue of CSR seriously This perhaps explains why this book has chosen to explore how 19 professions across the world have integrated and continue to impress upon their staff the importance of CSR in their operational activities We are constantly reminded that our world's natural resources are exhaustible we can therefore no longer live for today alone if we do not want to cause substantial problems for future generations

Lamping,2018-02-02 Since the 1990s beliefs ideas or knowledge as well as processes of communicative interactions such as persuasion argumentation and learning have received increasing attention in social science for the understanding of political changes This book makes a significant contribution to this scholarly debate and will be of interest to practitioners showing on one side how climate change has received more and more attention in policy making at the local level and changed the urban agenda and on the other how different the responses of cities to this global challenge are and how these differences between cities can be explained This book was previously published as a special issue of Urban Research and Practice **Handbook**

of Critical Perspectives on Nonprofit Organizing and Voluntary Action Roseanne M. Mirabella,Tracey M. Coule,Angela M. Eikenberry,2024-08-06 This insightful Handbook brings together leading and emerging scholars within the field of nonprofit organization serving as a call to action for academics to interrogate key contemporary issues such as backsliding and authoritarianism It meticulously distinguishes traditional often marginalist perspectives from nuanced counterarguments to balance out the field Property Investment Martin Hoesli,Bryan D. Macgregor,2014-01-09 Property investment markets

and applied property research are now recognised as an increasingly important international phenomenon Written by two of the most respected academics in the field this authoritative guide provides a fresh and much needed perspective on this important subject The book examines the unique characteristics of property investment within the context of other capital markets The emphasis is strongly on the application of analytical tools from other markets to help academics and

practitioners alike understand and apply the investment management of property with that of other asset classes The book is split into three parts each focusing mainly on direct commercial property The characteristics of the various asset classes in the investment background The analyses necessary to develop a property portfolio strategy An examination of property in a wider context This book will be invaluable to all undergraduate and postgraduate students on property courses worldwide It is also an essential tool to understanding this complex and exciting field for students on finance business and accountancy courses which cover property Its practical applied approach means that the book will be a welcome addition to the bookshelf of any researchers or investment managers with an interest in property
