Cultures and Religions in Dialogue Panikkar, Raimon, 2018-12-20

Theology and the Dialogue of Religions Michael Barnes, 2002-03-14 Theology of religions is an area of theological reflection on inter religious relations which raises fundamental questions for all people of faith in a pluralist post modern world How to practise a religious faith with integrity while respecting other claims to ultimate truth Must the other always be regarded as a problematic complication on the fringes of a Christianity centred world Is there a third way between an all dominating exclusivism and a vapid relativism This book contributes to the debate about the place of inter religious relations in the life of the Church by developing a theology of dialogue In offering a critique of much current thinking in this area Michael Barnes SJ proposes instead a theology rooted in the themes of welcome and hospitality He argues for a vision of Christianity as a school of faith a community called not just to teach others but to learn from them as well

Dialogue with the Other David Tracy, 1990 Dialogue with the Other expresses David Tracy s ongoing interest in the other and The Other His reflections enter into dialogue with figures as diverse as Meister Eckhart and William James and traditions as different as those of Buddhism Christianity and Judaism David Tracy is Distinguished Service Professor at the University of Chicago He is Professor of Theology at the Chicago Divinity School and Professor in the Committee on the Analysis of Ideas and Methods Among his better known are Blessed Rage for Order 1975 The Analogical Imagination 1981 and Plurality and Ambiguity 1987

The Intrareligious Dialogue Raimundo Panikkar, Raimon Panikkar, 1999 An expanded and updated edition of a classic by one of the giants in this field Faith and belief in a multireligious experience are discussed with emphasis on understanding one s own religion and tradition before attempting to understand someone else s
