

Religious Philosophy Of Rudolf Otto

Antoon Vergote

Religious Philosophy Of Rudolf Otto:

Rudolf Otto Philip C. Almond, 2017-11-01 Almond places Otto's theory of religion within the context of his life 1869-1937 looking closely at the significant influences on Otto's thought among them thinkers as different as Kant and the German Pietists Elements of Otto's theories are shown to be closely related to the social and intellectual milieu of Germany both before and after World War I Almond examines Otto's conception of the Holy of rational and nonrational elements of religion and compares his views with those of his contemporaries Originally published 1984 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Rudolf Otto's Interpretation of Religion** Robert Franklin Davidson, 1947 **The Numinous and Modernity** Todd A. Gooch, 2012-08-09 The author traces the development of Rudolf Otto's attempt to construct a normative science of religion This should respond to concerns facing Protestant theologians in Germany at the turn of the century Moreover he examines the reception of Otto's ideas after World War One The volume contains name and subject indexes **The Idea of the Holy** Rudolf Otto, 2021-06-27 Naturalism and Religion Rudolf Otto, 2020-03-16 In Rudolf Otto's book Naturalism and Religion the author delves into the philosophical debate between naturalism and religion Through a scholarly examination of the two worldviews Otto explores the tensions and intersections between scientific explanations of the natural world and religious beliefs His writing style is methodical and rigorous incorporating philosophical arguments and insights from various religious traditions Otto's work provides a valuable contribution to the intersection of science philosophy and religion offering a deeper understanding of the complexities of human belief systems Naturalism and Religion is essential reading for anyone interested in the philosophical implications of the relationship between science and religion Rudolf Otto a renowned theologian and philosopher brings a wealth of knowledge and expertise to this nuanced exploration of naturalism and religion His background in both theology and philosophy lends credibility to his analysis making this book a must read for scholars and academics in the field of religious studies and philosophy **Religious Philosophy Of Rudolf Otto** , **Religious Philosophy of Rudolf Otto**, Sibnath Sarma, 1996 **Rudolf Otto and the Foundation of the History of Religions** Yoshitsugu Sawai, 2022-02-10 This book provides an up to date treatment of Rudolf Otto and his work placing him in the context of comparative religion theology and the philosophy of religion Yoshitsugu Sawai shows how Otto has three faces the Lutheran Theologian the Philosopher of Religion and the Comparative Religionist The book also shows how of these Otto saw himself primarily as a Lutheran Theologian and provides an account of Otto's engagement with India and the centrality that Hindu theology had on his thinking In Otto's theory of religion his well known concepts including wholly other and numinous constitute a multiple structure of meaning For example his concept of the wholly other das ganz Andere no doubt has the meaning of God in his

Christian theological studies At the same time however from the perspective of comparative religion or the phenomenology of religion this same term semantically implies the ultimate reality of other religious traditions Brahman and God Isvara in Hindu religious tradition as well as God in Christianity **The Philosophy of Religion** Rudolf Otto,1931 **Continental**

Philosophy and Philosophy of Religion Morny Joy,2010-11-05 This is the first book that provides access to twelve Continental philosophers and the consequences of their thinking for the philosophy of religion Basically in the second half of the twentieth century it has been treated from within the Anglo American school of philosophy which deals mainly with proofs and truths and questions of faith This approach is more concerned with human experience and pays more attention to historical context and cultural influences As such it provides challenging questions about the way forward for philosophy of religion in the twenty first century *Religion, Belief and Unbelief* Antoon Vergote,2024-03-11 This book focuses attention on the central elements of human religious existence Vergote s primary aim and viewpoint are clear to examine empirically and to interpret dynamically the psychological factors at work in the field of religion Vergote consistently adheres to the position that psychology is neither philosophy nor theology and that its task is not to explain religion In this work he situates religion as a cultural fact and studies how persons orient themselves to it positively and or negatively Rather than emphasise and juxtapose belief and unbelief as alternative positions he sees them as threads of experiences interwoven throughout the human existence of persons and institutions In this context he studies motivations and their ambivalences religious experiences and their ambiguities conflicts between religious belief and unbelief and the various expressions and practices of religion Philosophy of Religion: The Historic Approaches Max Charlesworth,1972-06-18 Substantially revised and expanded this is a new edition of a core text for undergraduates students and all those interested in philosophy and religion

Philosophy and Religion M.J. Charlesworth,2013-10-01 This title presents a core text for undergraduates and those interested in the relationship between philosophy and religion Five chapters track the many different theories of philosophy and religion from medieval times through the Enlightenment to the latest postmodern theories Covering thinkers from Aristotle to Al Ghazali and Kant to Wittgenstein this work is intended for both students and general readers **Aesthetics**

and Analysis in Writing on Religion Daniel Gold,2003-06-10 Annotation This is a book that looks at contemporary challenges to studying and writing in religion rethinking the discipline in a way that takes seriously both the aesthetic dimensions and its need for scientific discipline Gold pursues a new line of thought about the art of religion arguing for something he calls interpretive writing A Philosophy of the Christian Religion Nancey Murphy,2018-10-30 Each field of study comes with its own set of questions each period of time refines and redirects those questions The Christian religion as we find it in the twenty first century presents a unique set of problems to be solved and questions to be answered In this introduction to the philosophy of the Christian religion eminent philosopher and theologian Nancey Murphy applies the tools of philosophical analysis to a set of core yet contemporary religious questions what does our historical moment mean for the

possibility of knowing God Is faith still possible Does God intervene in human history Is there such a thing as universal knowledge of God Written with the needs of students encountering the philosophy of religion for the first time in mind this book provides a comprehensive introduction to the fundamental questions inherent in Christian faith Murphy also provides tools for how to answer those questions **The Oxford Handbook of Philosophy of Religion** William

Wainwright,2004-12-16 The Oxford Handbook of Philosophy of Religion contains newly commissioned chapters by 21 prominent experts who cover the field in a comprehensive but accessible manner Each chapter is expository critical and representative of a distinctive viewpoint **Rudolf Otto on Religion** Gregory D. Alles,2013-12-01 Rudolf Otto exerted a major formative influence on the study of religions in the first half of the 20th century His landmark book *Das Heilige* 1917 translated into English as *The Idea of the Holy* 1923 identified as central to religion the experience of the numinous a word he coined That numinous was in his terms a *mysterium tremendum et fascinans* a fascinating yet terrifying mystery This influential view set the agenda for most professional scholars of religion until well into the 1960s It also introduced a set of concepts that has enjoyed wide cultural currency Still today creative writers and artists occasionally refer to the numinous This book introduces general readers to Otto s thought in *The Idea of the Holy* and helps them develop a fuller understanding of it It presents the problems with which Otto wrestled among them questions about evolution and religion the historical development of Christianity and religion s role in making a better society It sets Otto s ideas about the numinous in the broader currents of thought to which they belong It also examines criticisms of Otto s ideas and concludes with an examination of how scholars today approach the topics Otto addressed [Philosophy of Religion A-Z](#) Patrick

Quinn,2019-08-07 This provides a concise alphabetical guide to the philosophical investigation of religion and the meaning of religious beliefs **Why Philosophy Matters for the Study of Religion - and Vice Versa** Thomas A. Lewis,2015 Work in philosophy of religion is still strongly marked by an excessive focus on Christianity and to a lesser extent Judaism almost to the exclusion of other religious traditions Moreover in many cases it has been confined to a narrow set of intellectual problems without embedding these in their larger social historical and practical contexts *Why Philosophy Matters for the Study of Religion and Vice Versa* addresses this situation through a series of interventions intended to work against the gap that exists between much scholarship in philosophy of religion and important recent developments that speak to religious studies as a whole This volume takes up what in recent years has often been seen as a fundamental reason for excluding religious ethics and philosophy of religion from religious studies their explicit normativity Against this presupposition Thomas A Lewis argues that normativity is pervasive not unique to ethics and philosophy of religion and therefore not a reason to exclude them from religious studies Lewis bridges more philosophical and historical subfields by arguing for the importance of history to the philosophy of religion He considers the future of religious ethics explaining that the field as a whole should learn from the methodological developments associated with recent work in comparative religious ethics and

comparative religious ethics should no longer be conceived as a distinct subfield The concluding chapter engages broader post 9 11 arguments about the importance of studying religion arguing that prominent contemporary notions of religious literacy actually hinder our ability to grasp religion s significance and impact in the world today *Classical Approaches to the Study of Religion* Jacques Waardenburg, 2017-01-23 Waardenburg s magisterial essay traces the rise and development of the academic study of religion from the mid nineteenth to the mid twentieth century outlining the establishment of the discipline its connections with other fields religion as a subject of research and perspectives on a phenomenological study of religion Futhermore a second part comprises an anthology of texts from 41 scholars whose work was programmatic in the evolution of the academic study of religion Each chapter presents a particular approach theory and method relevant to the study of religion The pieces selected for this volume were taken from the discipline of religious studies as well as from related fields such as anthropology sociology and psychology to name a few

Religious Philosophy Of Rudolf Otto Introduction

In today's digital age, the availability of Religious Philosophy Of Rudolf Otto books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religious Philosophy Of Rudolf Otto books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religious Philosophy Of Rudolf Otto books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly,

especially if you need to purchase several of them for educational or professional purposes. By accessing Religious Philosophy Of Rudolf Otto versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religious Philosophy Of Rudolf Otto books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religious Philosophy Of Rudolf Otto books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religious Philosophy Of Rudolf Otto books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religious Philosophy Of Rudolf Otto books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religious Philosophy Of Rudolf Otto books and manuals for download and embark on your journey of knowledge?
