Remembering Hypatia A Novel Of Ancient Egypt:

Hypatia Silvia Ronchey, 2023-09-18 This study reconstructs Hypatia's existential and intellectual life and her modern Nachleben through a reception oriented and interdisciplinary approach Unlike previous publications on the subject Hypatia explores all available ancient and medieval sources as well as the history of the reception of the figure of Hypatia in later history literature and arts in order to illuminate the ideological transformations deformations of her story throughout the centuries and recover the true story The intentionally provocative title relates to the contemporary historiographical notion of false or fake history as does the overall conceptual and methodological treatment Through this reception oriented approach this study suggests a new reading of the ancient sources that demonstrates the intrinsically political nature of the murder of Hypatia caused by the phthonos violent envy of the Christian bishop Cyril of Alexandria This is the first comprehensive treatment of the figure of Hypatia addressed to both academic readers in Classics Religious Studies and Reception Studies and a learned non specialist readership Revised edition in paperback Brian Trent, 2009-10-16 A riveting character study and a haunting vision of an enlightened society on the brink of the Dark Ages Yale Bookstore Author Series _____ On a November night in Egypt 414 A D one of history's most brilliant individuals was assassinated Her name was Hypatia teacher and scientist of the fabled Great Library of Alexandria and the last glimmer of hope before the Dark Ages _____ The Roman Empire is crumbling the fragments of the classical world regrouping in Egypt when Thasos son of an ill fated scholar meets Hypatia of Alexandria Astronomer mathematician and philosopher at a time when women were shunned from learning Hypatia is a daring visionary in a world about to change forever As an insidious power struggle erupts between church and state Hypatia finds herself at the forefront of battle but she is not alone Those who cherish her who will remember her become her allies including the powerful Governor Orestes who keeps his consuming love for her as secret as she keeps her feelings from him Remembering Hypatia is a vivid retelling of a now forgotten historical tragedy when courage stood against fear when the legacy of the wise vanished in the dark Author Brian Trent resurrects the ancient world's most famous metropolis and explores the final days not just of a brilliant mind but of a lost era BASED ON THE TRUE STORY Women in Leadership Karin Klenke, 2017-12-13 The 2nd edition of this book originally published in 2011 captures many significant recent developments and achievements in women's leadership Women in virtually every context discussed in the book politics sports business technology religion military and international have made dramatic gains in attaining leadership roles and positions **Ipazia** Silvia Ronchey, 2011-05-10 Fu matematica e astronoma sapiente filosofa influente politica sfrontata e carismatica maestra di pensiero e di comportamento Fu bellissima e amata dai suoi discepoli pur respingendoli sempre Fu fonte di scandalo e oracolo di moderazione La sua femminile eminenza accese l'invidia del vescovo Cirillo che ne provocò la morte e la fantasia di poeti e scrittori di tutti i tempi che la fecero rivivere Fu celebrata e idealizzata ma anche mistificata e fraintesa Della sua vita si è detto di tutto ma ancora di più della sua morte Fu aggredita
