Renegade Diplomat

Jeremy Duda

Renegade Diplomat:

Rogue Diplomats Seth Jacobs, 2020-05-21 This book explores a crucial feature of U S foreign policy the extent to which many of America s greatest triumphs resulted from diplomats disobeying orders **If This Be Treason** Jeremy Duda, 2016-10-15 Treason is the only crime explicitly defined in America s Constitution Relatively few Americans have been convicted of it Far more have had the poisonous word thrown at them Through the cases of Americans who whether acting in defense of their country for personal gain or simply when society had redefined treasonous activity were accused of betraying their country though not charged with the ultimate crime against one s nation *If This Be Treason* tackles the complicated question of where dissent ends and betrayal begins Jeremy Duda covers the gamut of American history from the earliest days of the republic when George Logan s act of unauthorized diplomacy kept his fledgling country out of war with France but so outraged his enemies that Congress passed a law to prevent it from ever happening again to today as Edward Snowden remains an international fugitive for exposing the government s spying on its own citizens Among other examples are diplomatic envoy Nicholas Trist who betrayed his president s order to return home so he could negotiate a just treaty with a vanquished foe former congressman Clement Vallandigham who was exiled from his own country for speaking out against Lincoln s prosecution of the Civil War and Richard Nixon who scuttled a peace deal to end the war in Vietnam If this be treason make the most of it So proudly declared Patrick Henry accused of treason for opposing the Stamp Act imposed by Great Britain on its American colonies Throughout history Americans have toed the line between treason and dissent Exactly where that line is has remained difficult to ascertain But these cases serve as a fascinating way to explore and interpret where dissent ends and betrayal begins *American Diplomacy's Public Dimension* Bruce Gregory, 2024-01-12 This is the first book to frame U S public diplomacy in the broad sweep of American diplomatic practice from the early colonial period to the present It tells the story of how change agents in practitioner communities foreign service officers cultural diplomats broadcasters citizens soldiers covert operatives democratizers and presidential aides revolutionized traditional government to government diplomacy and moved diplomacy with the public into the mainstream This deeply researched study bridges practice and multi disciplinary scholarship It challenges the common narrative that U S public diplomacy is a Cold War creation that was folded into the State Department in 1999 and briefly found new life after 9 11 It documents historical turning points analyzes evolving patterns of practice and examines societal drivers of an American way of diplomacy a preference for hard power over soft power episodic commitment to public diplomacy correlated with war and ambition an information dominant communication style and American exceptionalism It is an account of American diplomacy s public dimension the people who shaped it and the socialization and digitalization that today extends diplomacy well beyond the confines of embassies and foreign ministries **The Sultan's Renegades** Tobias P. Graf, 2017-02-23 The figure of the renegade a European Christian or Jew who had converted to Islam and was now serving the Ottoman sultan is omnipresent in

all genres produced by those early modern Christian Europeans who wrote about the Ottoman Empire As few contemporaries failed to remark converts were disproportionately represented among those who governed administered and fought for the sultan Unsurprisingly therefore renegades have attracted considerable attention from historians of Europe as well as students of European literature Until very recently however Ottomanists have been surprisingly silent on the presence of Christian European converts in the Ottoman military administrative elite The Sultan s Renegades inserts these foreign converts into the context of Ottoman elite life to reorient the discussion of these individuals away from the present focus on their exceptionality towards a qualified appreciation of their place in the Ottoman imperial enterprise and the Empire s relations with its neighbours in Christian Europe Drawing heavily on Central European sources this study highlights the deep political religious and cultural entanglements between the Ottoman Empire and Christian Europe beyond the Mediterranean Basin as the shared world par excellence The existence of such trans imperial subjects is not only symptomatic of the Empire s ability to attract and integrate people of a great diversity of backgrounds it also illustrates the extent to which the Ottomans participated in processes of religious polarization usually considered typical of Christian Europe in this period Nevertheless Christian Europeans remained ambivalent about those they dismissed as apostates and traitors frequently relying on them for support in the pursuit of familial and political interests **Pale Twisted Forest** Michael D.

Williams,2024-03-01 In a fusion of contrasting worlds Pale Twisted Forest uncovers the complex life of a Black albino gay man from Russia with roots in the deep American South during the Jim Crow era As the only openly gay member of the Russian crime syndicate the Bratva his existence is as layered as it is perilous Born out of rape he navigates a complex relationship with his mother and an enduring family secret three generations of hidden homosexuality and bisexuality Despite his rugged exterior and a maze of unconventional relationships he embarks on a quest for authentic love all while fending off insidious enemies determined to annihilate him and his family This spellbinding saga chronicles the Fisk family as they unite in a fierce battle for survival Along the way they find themselves entangled in transformative situations each shaping their individual and collective destinies Through webs of drama and threads of adventure theirs is a journey like no other indeed a pale twisted forest of experiences and revelations *The Plantagenets* Dan Jones,2014-03-25 The New York Times bestseller from the author of Powers and Thrones that tells the story of Britain s greatest and worst dynasty a real life Game of Thrones The Wall Street Journal The first Plantagenet kings inherited a blood soaked realm from the Normans and transformed it into an empire that stretched at its peak from Scotland to Jerusalem In this epic narrative history of courage treachery ambition and deception Dan Jones resurrects the unruly royal dynasty that preceded the Tudors They produced England s best and worst kings Henry II and his wife Eleanor of Aquitaine twice a queen and the most famous woman in Christendom their son Richard the Lionheart who fought Saladin in the Third Crusade and his conniving brother King John who was forced to grant his people new rights under the Magna Carta the basis for our own bill of rights Combining the

latest academic research with a gift for storytelling Jones vividly recreates the great battles of Bannockburn Cr cy and Sluys and reveals how the maligned kings Edward II and Richard II met their downfalls This is the era of chivalry and the Black Death the Knights Templar the founding of parliament and the Hundred Years War when England s national identity was forged by the sword *A King's Ransom* Simon Burrows,2010-03-03 If Charles Th veneau de Morande was a character in a novel he would be considered the ultimate anti hero Morande s historical significance far transcends his success as a blackmailer and scandalous pamphleteer Having extorted the French monarchy he turned coat and during the War of American Independence and throughout the 1780s was France s leading political spy in London In addition he was a highly successful police agent among his fellow exiles and one of the most influential journalists of his time His enemies or victims who invariably suffered intense damage to their reputations included many of the most colourful figures of his day Nevertheless Morande survived the wrath of both Louis XV and the revolution outlived his enemies and died peacefully in his bed Morande s life story is a tale of intrigue blackmail espionage duels kidnap murder politics conspiracy and crime At the same time it offers a chance to examine some of the most important issues of French history and revolution **Maximilian in Mexico** Percy Falcke Martin,1914 **Renegade Regimes** Miroslav Nincic,2005-10-26 Rogue states pursue weapons of mass destruction support terrorism violate human rights engage in acts of territorial aggression and pose a threat to the international community Recent debates and policy shifts regarding Iraq North Korea Syria Iran and Afghanistan reflect the uneven attempts to contend with regimes that pursue deviant behavior In this timely new work Miroslav Nincic illuminates the complex issues and policy choices surrounding clashes between international society and states that challenge the majority s espoused interests and values As conventional approaches to international relations lose their relevance in a changing world Nincic s work provides new and necessary frameworks and perspectives Nincic explores recent events and develops theoretical models of contemporary asymmetrical power relations among states to offer a systematic account of the genesis trajectory and motivations of renegade regimes He discusses how the pursuit of policies that defy international norms is often motivated by a regime s desire for greater domestic control From this starting point Nincic considers states deviant behavior through two stages the first is the initial decision to defy key aspects of the international normative order and the second is the manner in which subsequent behavior is shaped by the international community s responses In addressing attempts to control pariah states Nincic assesses the effectiveness of sanctions and military responses He provocatively argues that comprehensive economic sanctions can lead to a restructuring of the renegade regime s ideology and economy that ultimately strengthens its grip on power In his chapter on military intervention Nincic argues that force or the threat of force against a rogue state frequently triggers a protective reflex among its citizens inspiring them to rally around the government s goals and values Military threats Nincic concludes produce several kinds of consequences and their impact needs to be better understood **A Jewish Jesuit in the Eastern Mediterranean** Robert Clines,2019-10-17

Recounts a Jewish born Catholic priest's effort to prove he was Catholic to anyone who doubted him including himself

Men of Influence Sabine Dullin, 2019-07-26 Sabine Dullin has researched the history of Soviet diplomacy from 1930 1939 through a variety of now accessible diplomatic political administrative and social archives She had added to this mix the memories and testimonies of diplomatic personnel In particular her book sheds light on the role of Maxime Litvinov

White People in Shakespeare Arthur L. Little, Jr., 2022-12-29 What part did Shakespeare play in the construction of a white people and how has his work been enlisted to define and bolster a white cultural and racial identity Since the court of Queen Elizabeth I through the early modern English theatre to the storming of the United States Capitol on 6 January 2021 white people have used Shakespeare to define their cultural and racial identity and authority *White People in Shakespeare* unravels this complex cultural history to examine just how crucial Shakespeare's work was to the early modern development of whiteness as an embodied identity as well as the institutional dissemination of a white Shakespeare in contemporary theatres politics classrooms and other key sites of culture Featuring contributors from a wide range of disciplines the collection moves across Shakespeare's plays and poetry and between the early modern and our own time to interrogate these relationships Split into two parts *Shakespeare's White People* and *White People's Shakespeare* it explores a variety of topics ranging from the education of the white self in *Hamlet* or affective piety and racial violence in *Measure for Measure* to Shakespearean education and the civil rights era and interpretations of whiteness in more contemporary work such as *American Moor* and *Desdemona*

Conquering Character Sarah Lebharr Hall, 2010-03-08 While recent Old Testament scholarship has seen a steady rise in the prominence of narrative approaches to the text little such work has been done on the book of Joshua This book offers a narrative treatment of the conquest accounts with specific attention given to the characterization of Joshua The method employed is eclectic including poetic analysis structural study delimitation criticism comparative literary analysis and intertextual reading Joshua's characterization has received inadequate scholarly attention to date largely because he is seen as a pale character a mere stereotype in the biblical history This two dimensional reading often leads to the conclusion that Joshua is meant to represent another character in the history But this approach neglects the many aspects of Joshua's character that are unique and does not address the text's presentation of his flaws On the other hand some scholars have recently suggested that Joshua's character is significantly flawed This reading is similarly untenable as those features of Joshua's leadership that it portrays as faulty are in fact condoned not condemned by the text itself Close examination of the conquest narratives suggests that Joshua's character is both complex and reliable To the degree that Joshua functions as a paradigm in the subsequent histories this paradigm must be conceived more broadly than it has been in the past He is not merely a royal prophetic or priestly figure but exercises and often exemplifies the many different types of leadership that feature in the former prophets

Hieroglyph of Time Marianne Shapiro, *Japanese Diplomats and Jewish Refugees* Pamela R. Sakamoto, 1998-11-19 In the late 1930s and early 1940s European Jews traveled east to seek

refuge in the West Three thousand refugees transited Japan and China and more than 21 000 spent the war in Japanese occupied Shanghai Japanese diplomats in Europe were caught off guard by the flood of visa applicants and the Foreign Ministry belatedly confronted a refugee problem Unexpected visitors became uninvited guests Vice Consul Sugihara Chiune might have faded into history as a minor diplomat in Lithuania had he not issued thousands of transit visas to refugees including those who fulfilled few visa requirements Sakamoto demonstrates how he helped thousands escape Europe in the end as she points out a number of Japanese diplomats saved Jews by issuing visas but very few issued visas to save Jews Sakamoto focuses on the extensive archives of the Ministry of Foreign Affairs which have not been treated at length before By examining the cable traffic between diplomats and the ministry headquarters she reveals the uncensored reactions of Japanese diplomats to Jewish refugees Through the files of Jewish organizations and the American government she presents the dimensions of the crisis as Germany's emphasis on emigration changed to extermination Interviews with former diplomats refugees and those who knew Sugihara give human dimensions to a fascinating and little known episode of the war

Ireland's Revolutionary Diplomat Barry Whelan, 2019-02-28 Leopold Kerney was one of the most influential diplomats of twentieth century Irish history This book presents the first comprehensive biography of Kerney's career in its entirety from his recruitment to the diplomatic service to his time in France Spain Argentina and Chile Barry Whelan's work provides fascinating new perceptions of Irish diplomatic history at seminal periods of the twentieth century including the War of Independence the Irish Civil War the Anglo Irish Economic War the Spanish Civil War and World War II from an eyewitness to those events Drawing on over a decade of archival research in repositories in France Germany Britain Spain and Ireland as well as through unique and unrestricted access to Kerney's private papers Whelan successfully challenges previously published analyses of Kerney's work and debunks many of the perceived controversies surrounding his career Ireland's Revolutionary Diplomat brings to life Kerney's connections with leading Irish figures from the revolutionary generation including Michael Collins Ernest Blythe George Gavan Duffy Desmond FitzGerald Arthur Griffith and Seán T O Kelly as well as his diplomatic colleagues in the service More importantly the book illuminates the decades long friendship Kerney enjoyed with aon de Valera the most important Irish political figure of the twentieth century and shows how the Chief trusted and rewarded his friend throughout their long association The book offers a fresh understanding of the Department of External Affairs and critically assesses the roles of Joseph Walshe secretary of the department as well as Colonel Dan Bryan director of G2 Irish Army Military Intelligence who both conspired to destroy Kerney's reputation and career during and after World War II Whelan sheds new light on other events in Kerney's career such as his confidential reports from fascist Spain that exposed General Francisco Franco's crimes against his people Whelan challenges other events previously seen by some historians as controversial including Kerney's major role in the Frank Ryan case his contact with senior Nazi figures especially Dr Edmund Veessenmayer and German military intelligence and his libel case against an acclaimed Irish historian

Professor Desmond Williams This book offers new observations on how Nazi Germany tried to utilize Kerney unsuccessfully as a liaison between the Irish government and Hitler's regime Captured German documents reveal the extent of this secret plan to alter Irish neutrality during World War II which concerned both Adolf Hitler and the leading Nazis of his regime

The Dream Voyagers T. Davis Bunn, 1999-06-01 Out of This World Fiction from T Davis Bunn When T Davis Bunn originally wrote Dream Voyager Path Finder and Heart Chaser first published under the pen name of Thomas Locke he had no idea the large volume of letters he would receive from readers young and old Combining those three stories into one powerful volume Bunn tells the fascinating tale of Consuela and Wander two kindred spirits caught between two worlds filled with heartache and joy Together they travel the pirated routes of a frozen and menacing land separated by space and time united in the call of their hearts When Wander is taken hostage it is Consuela who braves the darkness and danger to attempt his rescue Hers is a majestic mission of love and loyalty that leads through an endless night where treachery and deceit lie in wait Join the Dream Voyagers on a triumphant quest of the spirit and imagination

Ottoman Empire and European Theatre Vol. I Michael Hüttler, Hans Ernst Weidinger, 2013-06-15 The first volume of the book series Ottoman Empire and European Theatre focuses on the period between 1756 and 1808 the era of W A Mozart 1756 1791 and Sultan Selim III 1761 1808 These historical personalities whose life spans overlap were towering figures of their time Mozart as an extraordinary composer and Selim III as both a politician and a composer Inspired by the structure of opera the forty four contributions of Volume I are arranged in eight sections entitled Ouverture Prologue Acts I V and Epilogue The Ouverture includes the opening speeches of diplomats politicians and scholars as well as a memorial text for the Genius of Opera Turkish prima donna Leyla Gencer 1928 2008 The Prologue The Stage of Politics features texts by distinguished historians who give an historical overview of the Ottoman Empire and Europe in the late eighteenth century from both Turkish and Austrian points of view Act I features texts concerning Diplomacy and Theatre and Act II takes the reader to Europe South West and North Act III has contributions concerning theatre in Central Europe while Act IV deals with Mozart and the world of the seraglio Act V turns our attention to the Ottoman Sultan Selim III and the Epilogue considers literary and theatrical adventures of The Hero in the Sultan's Harem Contributions by Metin And Emre Araci T lay Artan Esin Akalin Thomas Betzwieser Annemarie B nsch Emil Brix Christian Brunmayr Bertrand Michael Buchmann Aysin Candan Helga Dostal Erich Duda Wolfgang Greisenegger Heidemaria G rer Matthew Head Caroline Herfert Bent Holm Frank Huss Michael H ttler Nadja Kayali Hans Peter Kellner Alexandre Lh a Isabelle Moindrot Ilber Ortayli Zeynep Oral Cemal ztas William F Parmentier Matthias J Pernerstorfer Gabriele C Pfeiffer Walter Puchner G nsel Renda Mustafa Fatih Salgar Ulrike Schneider Selin Ipek K the Springer Dissmann Suna Suner Marianne Trav n B Bab r Turna Derek Weber Mehmet Alaaddin Yal inkaya Selim Yenel

Diplomatic Portraits William Penn Cresson, 1923 Negotiating a Settlement in Northern Ireland, 1969-2019 John Coakley, Jennifer Todd, 2020-01-09 Negotiating a Settlement in Northern Ireland From Sunningdale to St Andrews uses

original material from witness seminars elite interviews and archive documents to explore the shape taken by the Irish peace process and in particular to analyse the manner in which successful stages of this were negotiated Northern Ireland's Good Friday Agreement of 1998 marked the end a 30 year conflict that had witnessed more than 3 000 deaths thousands of injuries catastrophic societal damage and large scale economic dislocation This book traces the roots of the Agreement over the decades stretching back to the Sunningdale conference of 1973 and extending up to at least the St Andrews Agreement of 2006 It describes the changing relationship between parties to the conflict nationalist and unionist groups within Northern Ireland and the Irish and British governments and identifies three dimensions of significant change new ways of implementing the concept of sovereignty growing acceptance of power sharing and the steady emergence of substantial equality in the socio economic cultural and political domains As well as placing this in the context of an extensive social science literature the book innovates by looking at the manner in which those most closely involved understood the process in which they were engaged The authors reproduce testimonies from witness seminars and interviews involving central actors including former prime ministers ministers senior officials and political advisors They conclude that the outcome was shaped by a distinctive interaction between the conscious planning of these elites and changing demographic and political realities that themselves were in a symbiotic way consequences of decisions made in earlier years They also note the extent to which this settlement has come under pressure from new notions of sovereignty implicit in the Brexit process
