The American Steppes David Moon, 2020-04-02 Explores the transnational movements of people plants agricultural sciences and techniques from Russia s steppes to North America s Great Plains

A Russian Paints America Pavel P. Svin'in, Marina Swoboda, William Whisenhunt, 2008-10-17 Pavel Petrovich Svin in 1787 88 1839 was a painter diplomat and journalist who spent two years as part of the first Russian diplomatic mission to the United States Soon after returning to Russia Svin in published a travel narrative of his experiences

Russian and American Cultures Konstantin V. Kustanovich, 2018-11-15 Russia is a great country both in terms of size and its achievements It is the largest country in the world and perhaps the richest one as well if one counts all its natural resources combined The Russian population is well educated and its sciences and technology are quite advanced It is also a country with political legal and economic systems similar to those in Western Europe and North America What then prevents it from joining the community of Western democratic societies What makes it always slide back into the habitual mode of authoritarianism nationalism and permeating corruption even when formal democratic institutions and structures are installed Why does it stubbornly resist any attempts to promote democracy and liberalism Is it because some curse hangs over the country and it always ends up in the hands of a bad government The author of this book is convinced that the Russian government is just a derivative of the entire population the entire culture The book is thus devoted to Russian culture in comparison with Western cultures and the United States in particular The author begins this juxtaposition at the dawn of Russian history the Christianization of Russia in the late tenth century Religion played a tremendous role in shaping Russian tradition from the tenth through the seventeenth centuries Choosing Greek Orthodoxy Russia made the first and decisive step away from Western Christianity

inheriting the Byzantine kind of authoritarianism and banning not only the religious doctrine but also all knowledge coming from the West including Latin. The author also demonstrates how serfdom and the agricultural commune which lasted virtually into the twentieth century fostered the culture of collectivism, nationalism and legal nihilism. The book's last part explores the psychology of Russian perceptions of the United States, a crucial factor in the relationships between the two countries. Russian culture, the author contends, persists due to inculcating children during the early childhood socialization, thus passing values and myths from generation to generation. This book represents a truly interdisciplinary project employing ideas and research results from such disciplines as cultural and psychological anthropology, social psychology, psychology of child development, sociology, semiology, law and history of Russia and Russian religion. **Yankees in Petrograd,**

Bolsheviks in New York Milla Fedorova, 2013-03-15 *Yankees in Petrograd Bolsheviks in New York* examines the myth of America as the Other World at the moment of transition from the Russian to the Soviet version. The material on which Milla Fedorova bases her study comprises a curious phenomenon of the waning nineteenth and early twentieth centuries: pilgrimages to America by prominent Russian writers who then created travelogues. The writers' missions usually consisted of two parts: the physical journey which most of the writers considered as ideologically significant and the literary fruit of the pilgrimages. Until now the American travelogue has not been recognized and studied as a particular kind of narration with its own canons. Arguing that the primary cultural model for Russian writers' journey to America is Dante's descent into Hell, Fedorova ultimately reveals how America is represented as the country of dead souls where objects and machines have exchanged places with people where relations between the living and the dead are inverted. *Russian/Soviet Studies in the United States, Amerikanistika in Russia* Ivan Kurilla, Victoria I. Zhuravleva, 2015-12-09 The contributors in this

interdisciplinary collection address the problem of interconnection between the study of the Other, either Russian or American, and the shaping of national identities in the two countries at different stages of US-Russian relations. The focus of research interests were typically determined by the political and social debates in scholars' native countries. In this book leading Russian and American scholars analyze the problems arising from these intersections of academic, political and sociocultural contexts and the implicit biases they entail. The book is divided into two parts: the first being a historical overview of past configurations of the interrelationship between fields and agendas and the second covering the role of institutionalized area studies in the twentieth and early twenty-first centuries. In both parts the role of the human factor in the study of mutual representations is elucidating. **The Life and Times of Charles R. Crane, 1858-1939** Norman E.

Saul, 2012-12-21 In *The Life and Times of Charles R. Crane* Norman E. Saul analyzes the contributions of Charles R. Crane, world traveler, businessman, diplomat and philanthropist, in the setting of his times. Crane acquired his appreciation for Russian culture and life through travel in the country, making a total of twenty-four trips to Russia. He developed friendships and professional relationships with many prominent Russians in political, cultural and artistic spheres in addition to his

connections to important figures in American history such as Woodrow Wilson As the son of a Chicago industrialist with little formal education Charles R Crane enjoyed remarkable success serving as a financial backer and advisor to the Woodrow Wilson administration founding member of the 1917 Root Commission to Russia minister to China and establishing a factory in Russia to manufacture air brakes for the Russian railroad He devoted a considerable amount of his own time and resources to educating Americans about the Russian people He sponsored visiting lecturers subsidized publications and commissioned works by Russian artists Charles Crane was arguably the first true American globalist His activities involved Russia China and the Middle East but Saul emphasizes his travels in Russia and his role in the development and promotion of Russian studies in America Crane represented the United States becoming a world power in business and diplomacy and fostered an American appreciation and knowledge of Russian Asian and Middle Eastern societies By studying this unusual man Saul explores the world in which he lived and traveled The relationship between America and Russia has always been a complex and fascinating one and Saul shines light on a pivotal period in that relationship *Ukraine vs. Darkness* Olexander Scherba,2021-04-30 This book draws on the author s experience from 26 years of Ukrainian diplomatic service in among others Bonn Berlin Washington and Vienna and his work as a speechwriter to most Ukrainian foreign ministers for the last two decades Scherba s captivating essays reflect his views of international affairs from a Ukrainian perspective His deliberations are presented in uncomplicated plain language The articles assembled here have repeatedly caused discussion in Ukraine and abroad By his opponents Scherba is often described as being surprisingly undiplomatic and even provocative For instance his article Why nationalism can t be the national idea of a European Ukraine published on a Ukrainian nationalist website stirred considerable controversy in Ukraine Aside from explaining Kyiv s take on some key issues of international relations these essays provide insights into Ukrainian political thinking since the start of Russia s military aggression in 2014 and into the painful political intramural fights in Ukrainian society ever since New Word Volume 2 Lela Kakulia,2013-01-25 Hereinafter is my book New word the work unique by its contents and in essence This is a book of prediction Years beforehand I described all those necessary expected political events or natural phenomenon related to the whole world Most of them have already precisely come true some of them are now being fulfilled and the rest will come true in future This is a live cosmic information new word that I Georgian prophet Lela Kakulia pronounce by Gods will I was sent to the earth in order to let countries states particular politicians or humankind in general know their future By this means cosmos gave a chance to the universe to soften destined blows and avoid destruction I predict all my life from birth and will predict till I am on the earth A prophet is sent by cosmos once in few centuries when the earth faces a special danger when it is on the edge of the existence I Georgian prophet am sent with the mission to save the world I bring enormous protecting energy for people and countries and hand it out with no regret I often draw cosmic information and my drawings are the source of colossal energy that fill people with hope and peace This is the book that would live for ages and give answer to

peoples any question No one on earth owns such information neither particular individual nor analytical centres My prediction has no analogue and thus is unique With respect and love Georgian prophet Lela Kakulia **Letters to Evelyn** John Selman,2025-07-20 In Letters to Evelyn after visiting his parents house an aspiring pilot s life begins to spin out of control when he begins to have hallucinations that may reveal his connection to an alien life form God and a venerable woman named Evelyn Letters to Evelyn by John Selman has upwards of 50 finely crafted deafening zany zesty zoo zingers Jokes Shazaam Yes these are jokes that you can never seemingly stop laughing at and one might be nauseated and or exhausted by the time they re done reading it The jokes told in this story are timeless and can induce hurricane force winds of laughter it can give many reasons for exhilarating exuberance sitting on your property outside or inside and many more countless reasons to dance and celebrate being human without getting tired of laughing at the same thing Even 100 times It s a true Romantic Comedy science fiction action fantasy novella standing by just like Apollo 11 on a launchpad just like Luke Skywalker saying Red Five standing by Maroon 5 standing by d e ad mau 5 standing by standing by someone standing by ready to levitate people off their rocker to get people giggling in disoriented sustained stupefying hee haw laughter Don t miss out on Letters to Evelyn the Romantic Comedy by John Selman and be amazed and be ready to laugh when justice is served on a platter Letters to Evelyn a true love story is a book which when read gives a unique point of view of our earth and ourselves We have so much but yet so little Letters to Evelyn shows us what happens when love finds a navy pilot Letters to Evelyn was a way for me to find a structure of morals which can give people easy and many obvious ethical virtues to live by It is always mind boggling that certain behaviors we see on TV actually exist when we watch the news But an imaginative intellectual and irresistible read will give you many words of verifiable intelligence that give love a chance for anyone willing to look Letters to Evelyn gives a partial solution to the Grand Unifying Theory of Everything It is found using easy mathematics and although incomplete gives motive force to find new technologies from new manufacturing systems and gravitational propulsion to quantum food solidifiers A must read Paperback <https://www.amazon.com/gp/aw/d/173709522X> Hardcover <https://www.amazon.com/Letters-Evelyn-Mr-John-Selman/dp/1737095238> eBook now on sale for 2.99 <https://www.amazon.com/Letters-Evelyn-John-Selman/ebook/dp/B0931R2YQ2> Read for free on Barnes and Noble eBook <https://www.barnesandnoble.com/w/letters-to-evelyn-john-selman/1119415091> ean 2940162378570 Barnes and Noble hardcover <https://www.barnesandnoble.com/w/letters-to-evelyn-john-selman/1119415091> ean 9781737095286 <https://readersfavorite.com/book/review/letters-to-evelyn> **Building a new New World** Jean-Louis Cohen,2021-01-12 An essential exploration of how Russian ideas about the United States shaped architecture and urban design from the czarist era to the fall of the U S S R Idealized representations of America as both an aspiration and a menace played an important role in shaping Russian architecture and urban design from the American Revolution until the fall of the Soviet Union Jean Louis Cohen traces the powerful concept of Amerikanizm and its impact on Russia s built environment from early czarist interest in Revolutionary

America through the spectacular World's Fairs of the 19th century to department stores skyscrapers and factories built in Russia using American methods during the 20th century Visions of America also captivated the Russian avant garde from El Lissitzky to Moisei Ginzburg and Cohen explores the ongoing artistic dialogue maintained between the two countries at the mid century and in the late Soviet era following a period of strategic competition This first major study of Amerikanizm in the architecture of Russia makes a timely contribution to our understanding of modern architecture and its broader geopolitics

America's Abandoned Sons Robert S. Miller, 2012-06-19 QUOTE Tens of thousands of America's WWII Korean Conflict and Vietnam War military servicemen ended up as hostages secretly hijacked into the USSR Today this regrettable saga is still one of America's most closely guarded secrets As WWII ended Stalin captured all of Germany's eastern areas in which tens of thousands of captured American POWs were then being detained by Hitler's armed forces Stalin secretly held them as hostages and denied any knowledge of them as the Cold War began Their status unknown Washington eventually declared them dead when in fact they were still alive in captivity Thousands more were lost the same way when the Korean War ended China and the USSR secretly exploited these hostages for intelligence purposes and then also disposed of them Vietnam saw still more held back by Hanoi after that conflict ended for the same reasons again Today these abandoned sons a few of whom may still be alive in captivity as you read this are considered one of Washington's most closely guarded secrets Now is time to expose this secret and end this unfortunate Cold War saga

[Presenting America's World](#) Tamar Y. Rothenberg, 2016-12-05 National Geographic magazine is probably the most visible and popular expression

of geography in the USA *Presenting America's World* presents a critical analysis of the world portrayed by National Geographic from its formative years in the nineteenth century through to 1945 It situates the National Geographic Society's development within the context of a new American overseas expansionism interrogates the magazine as America's ubiquitous source of wholesome exotica and erotica examines the ways in which it framed the world for its millions of readers and questions its participation in the cultural work of US global hegemony The book argues that National Geographic successfully employed strategies of innocence a contradictory stance of representation which simultaneously asserts innocence either the innocence of just watching or the innocence of altruistic behaviour while naturalizing Western hegemony *Presenting America's World* not only considers the world that National Geographic presented to its readers but also examines the magazine's own institutional world of writers photographers and editors Particular attention is paid to Gilbert H Grosvenor the magazine's editor for over 50 years Maynard Owen Williams a writer and photographer who worked on nearly 100 articles from 1919 to 1960 and Harriet Chalmers Adams a freelancer explorer and Pan American activist who contributed 21 articles
