Russian Comic Fiction Brenda Jackson, Penguin Books Staff, Ronald L McDonald, 1970-08-01 **Russian Comic Fiction** Guy Daniels, 1986 *How the Two Ivans Quarrelled and Other Russian Comic Stories* Nikolai Gogol, 2019-07-07 The first story in this volume *How the Two Ivans Quarrelled* is an amusing portrayal of two exceptionally close friends the mortal insult that drives them apart and the ensuing chaos that occurs This is Gogol's humour at its best where the most irrelevant seeming details and turns of phrase suddenly take on a bizarre life of their own The second story *Ivan Krylov's Panegyric in Memory of My Grandfather* has an ingenuous narrator praise the nobility and modesty of a landowner whose actions prove him to be otherwise The final two stories by the Russian satirist Mikhail Saltykov Shchedrin are satirical attacks on the inability of civil servants to cope with real life and on Russia's autocracy Together they represent some of Russia's finest comic writing before the twentieth century **How the Two Ivans Quarrelled** Nikolaï Vasil'evich Gogol', 2011 No Marketing Blurb **The Comic Stories** Anton Chekhov, 1999-02-23 The first substantial volume in English devoted solely to the full range of Chekhov's comic mastery forty stories in all employing a variety of techniques and twists and all with a sense of fun and infectious good humor Tolstoy who disliked Chekhov's plays was reduced to helpless fits of laughter by his comic stories Translated from the Russian and with an Introduction by Harvey Pitcher Penetrating social satire and trenchant character analysis In story after story Chekhov displays techniques especially the use of a few telling details to suggest a whole that he would later employ to stunning effect Philip Gambone New York Times Book Review **Russian Postmodernist Fiction** Mark Lipovetsky, Eliot Borenstein, 2016-09-16 This text offers a critical study of postmodernism in Russian literature It takes some of the central issues of the critical debate to develop a conception of postmodern poetics as a dialogue with chaos and places Russian literature in the context of an enriched postmodernism **The History of Russian Literature on Film** Marina Korneeva, David Gillespie, 2023-12-28 Unlike most previous studies of literature and film which tend to privilege particular authors texts or literary periods David Gillespie and Marina Korneeva consider the multiple functions of filmed Russian literature as a cinematic subject in its own right one reflecting the specific political and aesthetic priorities of different national and historical cinemas In this first and only comprehensive study of cinema's various engagements of Russian literature focusing on the large period 1895-2015 *The History of Russian Literature on Film* highlights the ways these adaptations emerged from and continue to shape the social artistic and commercial aspects of film history Russian Subjects Monika Greenleaf, Stephen Moeller-Sally, 1998 This collection of essays resituates poetic works by Derzhavin Krylov Batisushkov Pushkin Girboedov Lermontov Baratynsky and Pavlova within the force fields of contradictory cultural pressures as are the once best selling prose narratives of Narezhnyi Karamzin Viazemsky and others **Russian Children's Literature and Culture** Marina Balina, Larissa Rudova, 2008 Soviet literature in general and Soviet children's literature in particular have often been labeled by Western and post Soviet Russian scholars and critics as

propaganda Below the surface however Soviet children s literature and culture allowed its creators greater experimental and creative freedom than did the socialist realist culture for adults This volume explores the importance of children s culture from literature to comics to theater to film in the formation of Soviet social identity and in connection with broader Russian culture history and society *A Survey of Russian Literature, with Selections* Isabel Florence Hapgood,2019-12-02 In *A Survey of Russian Literature with Selections* Isabel Florence Hapgood presents a comprehensive exploration of the rich and diverse literary traditions of Russia spanning from its medieval roots to the contemporary period The book is structured to provide both analytical essays and carefully curated excerpts embracing a literary style that is both scholarly and accessible Hapgood navigates the intricate cultural and historical contexts that have shaped Russian literature offering insights into key authors such as Pushkin Dostoevsky and Tolstoy while also highlighting lesser known literary figures who have contributed to the national narrative Her methodical approach combines critical analysis with an appreciation of the aesthetic qualities of the works making this text an invaluable resource for scholars and general readers alike Isabel Florence Hapgood an American translator and scholar was deeply influenced by her extensive studies in Russian language and literature as well as her commitment to fostering cross cultural understanding Her own experiences living in Russia afforded her a unique perspective on the literary landscape allowing her to engage meaningfully with the texts and their authors Hapgood s passionate advocacy for Russian literature and her expertise in translation have established her as a pivotal figure in bridging the literary gap between the East and West This book is highly recommended for anyone seeking a deeper understanding of Russian literary heritage or looking for a gateway into the classics of this captivating tradition Whether you are a student of literature or simply an avid reader Hapgood s insightful commentary and selections will enhance your appreciation of Russia s literary masterpieces and inspire you to explore further *Literary Translation in Russia* Maurice Friedberg,2012-05-31 In this rich historical study Maurice Friedberg recounts the impact of translation on the Russian literary process In tracing the explosion of literary translation in nineteenth century Russia Friedberg determines that it introduced new issues of cultural aesthetic and political values Beginning with Pushkin in the early nineteenth century Friedberg traces the history of translation throughout the lives of Dostoevsky Tolstoy and more recently Pasternak His analysis includes two translators who became Russia s leading literary figures Zhukovsky whose renditions of German poetry became famous and Vvedensky who introduced Charles Dickens to Russia In the twentieth century Friedberg points to Pasternak s *Faust* to show how apolitical authors welcomed free translation which offered them an alternative to the original writing from which they had been banned by Soviet authorities By introducing Western literary works Russian translators provided new models for Russian literature Friedberg discusses the usual battles fought between partisans of literalism and of free translation the influence of Stalinist Soviet government on literary translation and the political implications of aesthetic clashes He also considers the impetus of translated Western fiction poetry and drama as remaining links to Western

civilization during the decades of Russia's isolation from the West Friedberg argues that literary translation had a profound effect on Russia by helping to erode the Soviet Union's isolation which ultimately came to an end with the dissolution of the Soviet Union in 1991
