

Russian Marxists

- In 1903, Russian Marxists split into two groups. Moderate revolutionaries were known as Mensheviks. The more radical Bolsheviks- were a small group of revolutionaries willing to sacrifice everything for change. Led by Vladimir Lenin-(1870-1924)he fled Russia in early 1900 to avoid arrest. He maintained contact with the Bolsheviks and waited until he could safely return.

Russian Marxists

Sheila Fitzpatrick

Russian Marxists:

The Russian Marxists & the Origins of Bolshevism Leopold H. Haimson, 1966 **Vladimir Akimov on the Dilemmas of Russian Marxism 1895-1903** Vladimir Akimov, 1969 **Jewish Intelligentsia and Russian Marxism** Robert J. Brym, 1978-06-17 **The Invention of Marxism** Christina Morina, 2023 The Invention of Marxism shows how a theory of the capitalist system grew into a political philosophy that shaped the history of the twentieth century in extremely destructive as well as productive ways how an idea conquered the world **Marxism in Russia** Neil Harding, 2008-11-13 This book is a documentary record of the statements and debates that defined the formative period of a movement that has affected modern politics and history more than any other It is generally acknowledged that not only were the theoretical problems faced by Russian Marxists during this period more complex than those encountered elsewhere but that they also brought to the resolution of these problems an originality and intellectual rigour second to none in the Marxist tradition As predominantly a movement of intellectuals during these years they achieved a level of articulation and sophistication unsurpassed in the literature of Marxism and that makes them such a rewarding subject of study Plekhanov Akselrod Lenin Struve Martov Trotsky Luxemburg and Kautsky all feature in both celebrated and little known texts alongside anonymous pamphleteers and writers of resolutions editorials flyers and programmes **Russian Culture At The Crossroads** Dmitri N Shalin, 2018-02-12 The reexamination of values that began during the USSR's last years continues today in the search for a new Russian culture one rooted in the pre Soviet past but dynamic and evolving Multi textual polyphonic and contradictory the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles The chapters explore specific cultural domains surveying Russian and Soviet beliefs and behaviors and highlighting the range of choices that Russians are facing at this critical juncture During the waning years of Soviet power glasnost laid bare the distress of people trapped in a system they despised but felt powerless to change The reexamination of values that began then continues today in the search for a new Russian culture one rooted in the pre Soviet past but dynamic and evolving enabling Russians to meet the challenges they face in the contemporary world Multi textual polyphonic and contradictory the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles Each chapter focuses on a particular cultural domain surveying the historical origins of Russian beliefs and behaviors exploring their Soviet and post Soviet permutations and highlighting the range of choices that Russians are facing at this critical juncture The decisions they make will shape their society and culture for generations to come Illuminating the universal significance of the Soviet experience this volume raises provocative questions about the social political and economic sources of cultural change **Marx's Russian Moment** Vesa Oittinen, 2023-05-17 This book discusses Marx's relations with Russia which have always been ambivalent In his youth and indeed a good way into the 1860s Marx might even be called a Russophobe Around 1870

however his views on Russia undergo a change he becomes acquainted with a new kind of Russian radical and revolutionary movement and begins to study Russian It becomes clear that Marx begins to feel that Russia is some kind of a touchstone for his theories Offering a new and original interpretation of Marx's theoretical development Marx's Russian Moment analyzes the following themes Marx's concept of ideology as developed in the German Ideology and its fortunes in Russia Marx's encounter with Bakunin and Russian nihilism Marx's and Engels's studies of primitive societies Engels's views of the developmental perspectives of small Slavic nations and Marx's views on Finland the Russian Grand Duchy Considering these topics as case studies Oittinen argues that Marx's encounter with Russia substantially influenced Marx's and Engels's views not just on current political and economic matters but also on a philosophical and methodological level **Marxism and**

the Philosophy of Science Helena Sheehan, 2018-01-23 Skillfully deploying a large cast of characters Sheehan retraces the development of Marxist philosophy of science through detailed and highly readable accounts of the debates that have characterized it Approaching Marxism from the perspective of the philosophy of science Sheehan shows how Marx's and Engel's ideas on the development and structure of natural science had a crucial impact on the work of early twentieth century natural philosophers historians of science and natural scientists From the ideas of Marx and Engels those of the Marxist theoreticians of the Second International to the debates within Russian Marxism up to World War II Sheehan masterfully surveys the history of marxist philosophy of science concluding with a close analysis of the development of the debate among non Soviet Marxists placing particular emphasis on the contributions of leading British Marxists in the 1930s

A History of Russian Thought William Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia's political and social history Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today This history examines important intellectual and cultural currents the Enlightenment nationalism nihilism and religious revival and key themes conceptions of the West and East the common people and attitudes to capitalism and natural science in Russian intellectual history Concentrating on the Golden Age of Russian thought in the mid nineteenth century the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras With brief biographical details of over fifty key thinkers and an extensive bibliography this book provides a fresh comprehensive overview of Russian intellectual history *The Russian*

Revolution Sheila Fitzpatrick, 2001 The Russian Revolution had a decisive impact on the history of the twentieth century Now following the collapse of the Soviet regime and the opening of its archives it is possible to step back and see the full picture In this classic work the author incorporates data from archives that were previously inaccessible not only to Western but also to Soviet historians as well as drawing on important recent Russian publications such as the memoirs of one of the great survivors of Soviet politics Vyacheslav Molotov Impeccable in its scholarship and objectivity the book tells a gripping story of

a Marxist revolution that was intended to transform the world visited enormous suffering on the Russian people and like the French Revolution before it ended up by devouring its own children In a concluding section that will be of great interest to scholars in the field as well as the general reader the author treats the Stalinist Great Purges as the last act of the drama of the Russian Revolution

The Palgrave Handbook of Russian Thought Marina F. Bykova, Michael N. Forster, Lina Steiner, 2021-05-22 This volume is a comprehensive Handbook of Russian thought that provides an in depth survey of major figures currents and developments in Russian intellectual history spanning the period from the late eighteenth century to the late twentieth century Written by a group of distinguished scholars as well as some younger ones from Russia Europe the United States and Canada this Handbook reconstructs a vibrant picture of the intellectual and cultural life in Russia and the Soviet Union during the most buoyant period in the country's history Contrary to the widespread view of Russian modernity as a product of intellectual borrowing and imitation the essays collected in this volume reveal the creative spirit of Russian thought which produced a range of original philosophical and social ideas as well as great literature art and criticism While rejecting reductive interpretations the Handbook employs a unifying approach to its subject matter presenting Russian thought in the context of the country's changing historical landscape This Handbook will open up a new intellectual world to many readers and provide a secure base for its further exploration

Russian Identities Nicholas V. Riasanovsky, 2005-09-29 Investigates the question of Russian identity spanning a territory centuries and a variety of political social and economic structures This book places emphases on the struggle against the steppe peoples Orthodox Christianity autocratic monarchy and Westernization

Varieties of Marxism Shlomo Avineri, 2012-12-06 The essays included in this volume are based on papers delivered at the International Symposium on Varieties of Marxism held at the Van Leer Jerusalem Foundation on June 16 19 1974 and dedicated to the memory of George Lichtheim When the idea of such a symposium was first raised the organizers planned to have George Lichtheim as one of the main speakers at the event In our last and brief meeting in London I suggested this to him and Lichtheim gave his consent to attend the symposium though at that time no date was yet fixed His tragic death a few months later left a gap not only in the program of the symposium but in Marxist studies generally it was felt that perhaps one way of paying tribute to his contribution to the study of a subject so near to his mind would be to name the symposium in his memory and devote an introductory paper to an attempt at an intellectual portrait of George Lichtheim as an historian of ideas The volume as published includes all papers delivered at the symposium with the exception of the papers of J L Talmon Jerusalem on Marxism and Nationalism and Gajo Petrovic Zagreb on Yugoslav Marxism Appended is also a short obituary written by me on Lichtheim for the journal Political Science published by the American Political Science Association

The Russian Intelligentsia Vladimir C. Nahirny, *The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture* Jay Bergman, 2019 The Bolsheviks sought legitimacy and inspiration in historic revolutionary traditions and Jay Bergman argues that they saw the revolutions in France in 1789 1830

1848 and 1871 as supplying practically everything Marxism lacked including guidance in constructing socialism and communism and useful fodder for political and personal polemics Main Currents of Marxism Leszek Kołakowski, 2005 The commanding study of Marxism now in one masterful volume with a new preface and epilogue by the author

Revolutionary Social Democracy: Working-Class Politics Across the Russian Empire (1882-1917) Eric Blanc, 2021-06-29 This groundbreaking study rediscovers the socialists of Tsarist Russia's imperial borderlands upending conventional interpretations of working class politics the Russian Revolution and Second International socialism Based on archival research in eight languages Revolutionary Social Democracy is the first comparative account of the numerous socialist parties that fought for democracy and workers power across the entire span of the Russian Empire from the factories of Warsaw to the oil fields of Baku to the autonomous parliament of Finland By demonstrating that the Russian Revolution was far less Russian than commonly assumed Eric Blanc challenges long held assumptions of historians sociologists and activists about the dynamics of revolutionary change under autocratic and democratic conditions Listen to Lay Led Unions episode on Revolutionary Social Democracy Working Class Politics Across the Russian Empire 1882 1917 featuring Eric Blanc Also listen to a panel discussion of Eric Blanc's groundbreaking new book *Marxism & Nationalism* Vladimir Il'ich Lenin, 2002 *A History of Russian Thought from the Enlightenment to Marxism* Andrzej Walicki, 1979 This book covers virtually all the significant Russian thinkers from the age of Catherine the Great Down to the eve of the 1905 Revolution *Demythologizing Marxism* F.J. Adelman, 2012-12-06 This second volume of the Boston College Studies in Philosophy commemorates the one hundred and fiftieth anniversary of the birth of Karl Marx This dedication bespeaks the evolution permeating the entire world today not only in the sense of a development of ideas but more especially of the inner and sincere quest for peace intensifying in the hearts of all men We Christians rejoice in the drive onward toward the fulfillment of peace on earth We are sorry however that it is so late in Christian history and that it received its impulse more from the fear of nuclear armaments than from the development of Christian ideas Nonetheless here in the midst of so much bewilderment we can optimistically note in the realization that these ideas can now touch at long last offer hope for a peaceful future Strange as it may seem there is currently a new interest in the philosophy of Marxism This stems in part from the renewed study of the writings of the young Marx and a concentration on that aspect of his work which is more philosophical than politico economic such as is more prominent in the later *Das Kapital* But even more our interest in Marxism has occurred because of what has happened to the contemporary Marxists themselves First of all after Stalin's time a certain new openness not yet perfect but nonetheless real has developed in Russia to the benefit of scholars

Discover tales of courage and bravery in is empowering ebook, **Russian Marxists** . In a downloadable PDF format (*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
