The Slave Soul of Russia Daniel Rancour-Laferriere, 1995 Why asks Daniel Rancour Laferriere in this controversial book has Russia been a country of suffering Russian history religion folklore and literature are rife with suffering The plight of Anna Karenina the submissiveness of serfs in the 16th and 17th centuries ancient religious tracts emphasizing humility as the mother of virtues the trauma of the Bolshevik revolution the current economic upheavals wracking the country these are only a few of the symptoms of what The Slave Soul of Russia identifies as a veritable cult of suffering that has been centuries in the making Bringing to light dozens of examples of self defeating activities and behaviors that have become an integral component of the Russian psyche Rancour Laferriere convincingly illustrates how masochism has become a fact of everyday life in Russia Until now much attention has been paid to the psychology of Russia's leaders and their impact on the country's condition Here for the first time is a compelling portrait of the Russian people's psychology *Herstories on Screen*

Kathleen Cummins, 2020-05-19 From the late 1970s into the early 1990s a generation of female filmmakers took aim at their home countries popular myths of the frontier Deeply influenced by second wave feminism and supported by hard won access to governmental and institutional funding and training their trailblazing films challenged traditionally male genres like the Western Instead of reinforcing the myths of nationhood often portrayed in such films invariably featuring a lone white male hero pitted against the savage and uncivilized native terrain these filmmakers constructed counternarratives centering on women and marginalized communities In place of rugged cowboys violently removing indigenous peoples to make the frontier safe for their virtuous wives and daughters these filmmakers told the stories of colonial and postcolonial societies from a female and or subaltern point of view *Herstories on Screen* is a transnational study of feature narrative films from Australia Canada the United States and New Zealand Aotearoa that deconstruct settler colonial myths Kathleen Cummins offers in depth readings of ten works by a diverse range of women filmmakers including Jane Campion Julie Dash Merata Mita Tracey Moffatt and Anne Wheeler She reveals how they skillfully deploy genre tropes and popular storytelling conventions in order to critique master narratives of feminine domesticity and purity and depict women and subaltern people performing acts of agency and resistance Cummins details the ways in which second wave feminist theory and aesthetics

informed these filmmakers efforts to debunk idealized Anglo Saxon femininity and motherhood and lay bare gendered and sexual violence and colonial oppression      Bulletin of the Russian Information Bureau in the U.S. Russian Information Bureau in the U.S.,1920      **The Planet of Conscience Maternal Russia** ЭЛЬМАРИЯ,2020-10-23 Mother is Happiness of Russian Orthodox God s People Earthlings Happiness of the planet is people s conscience THE PLANET OF CONSCIENCE Is important milestone in history of E rthmen The civilization perishes in absence of conscience therefore Forces which is called Heavenly Drivers THE PLANET OF CONSCIENCE IS PLANET OF THE FUTURE WORLD OF MANKIND THE PLANET OF GODS OF CONSCIENCE THE ALGORITHM OF CONSCIENCE IS THE PEAK OF HONOR OF EVERYONE IN THE CONSTRUCTION OF A NEW QUALITI OF LIVE      The Russian Mind Since Stalin's Death Yuri Glazov,2012-12-06 I have been working on this book since leaving Russia in April of 1972 It was my wish to write this book in English and there were what seemed to me to be serious reasons for doing so In recent years there has appeared a wealth of literature in Russian about Russia As a rule this literature has been published outside the USSR by authors who still live in the Soviet Union or who have only recently left it A fair amount of important literature is being translated into English but I believe it will be read main ly by specialists in Russian studies or by those who have a great interest in the subject already The majority of Russian authors write of course for the Russian reader or for an imagined Western public It is my feeling that Russian authors have serious difficulties in understanding the men tality of Westerners and that there still exists a gap between the visions of Russians and non Russians I have made my humble attempt to bridge his gap and I will be happy if I am even partly successful The Russian world is indeed fascinating Many people who visit Russia for a few days or weeks find it a country full of historical charm fantastic architecture and infinite mystery For many inside the country especial ly for those in conflict with the Soviet authorities      *Russian and Post-Soviet Organized Crime* Mark Galeotti,2017-09-08 A timely look at a widespread yet largely uninvestigated area of Russian life Chapters include consideration of the history and basis in culture for the organization of crime in Russia the actions of emigres to the USA and the development of modern sophistications of exchange and networking that currently blight privatization Diverse perspectives including comparative structural and ethnic frameworks give unprecedented national and international insights into a pervasive element of modern Russia      **My Russian Wife. **Intermarriage and the Friendship of Peoples** Adrienne Edgar, 2022-05-15 Co winner of the Central Eurasian Studies Society's prize for best book in History and the Humanities in 2022 and 2023 and winner of the The Joseph Rothschild Prize in Nationalism and Ethnic Studies of the Association for the Study of Nationalities Intermarriage and the Friendship of Peoples examines the racialization of identities and its impact on mixed couples and families in Soviet Central Asia In marked contrast to its Cold War rivals the Soviet Union celebrated mixed marriages among its diverse ethnic groups as a sign of the unbreakable friendship of peoples and the imminent emergence of a single Soviet people Yet the official Soviet view of ethnic nationality became increasingly primordial and even racialized in the USSR's final decades In this context Adrienne Edgar argues mixed families and individuals found it impossible to transcend ethnicity fully embrace their complex identities and become simply Soviet Looking back on their lives in the Soviet Union ethnically mixed people often reported that the official nationality in their identity documents did not match their subjective feelings of identity that they were unable to speak their own native language and that their ambiguous physical appearance prevented them from claiming the nationality with which they most

identified In all these ways mixed couples and families were acutely and painfully affected by the growth of ethnic primordialism and by the tensions between the national and supranational projects in the Soviet Union Intermarriage and the Friendship of Peoples is based on more than eighty in depth oral history interviews with members of mixed families in Kazakhstan and Tajikistan along with published and unpublished Soviet documents scholarly and popular articles from the Soviet press memoirs and films and interviews with Soviet era sociologists and ethnographers
