Odyssey Nancy Seifer, 2003-06-18 *Russian Odyssey* is the story of a seeker whose quest leads her back to the unfinished business of a previous lifetime Unaware of her soul s hidden agenda she first visits the Soviet Union as a citizen diplomat While there she is inspired to write a book about the Soul of Russia Through the ensuing interplay between her own soul and the Russian soul during the 1990s she ultimately discovers the purpose of her life s journey *Russian Odyssey* is the outcome of her decade long struggle It is an honest book about the challenges faced by seekers of Truth on the threshold of the Aquarian Age *The "Russian" Civil Wars, 1916-1926* Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

White Road Olga Ilyin,1984-01-01 Memoir of conditions in Russia during the Russian Revolution Published under the same title New York 1984 *The Russian Revolution and Civil War 1917-1921* Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **China's Russian Princess—the Silent Wife** Mark O'Neill,2020-02-01
