IX INTRODUCTION The study of case once primarily of interest to philologists has only recently begun to receive the attention it deserves from syntacticians      Russian Paul Cubberley, 2002-10-17 This book provides an accessible introduction to the linguistic structure of Russian including its history dialects and sociolinguistics as well as the central issues of phonology morphology syntax and word formation lexicology It particularly emphasises the special linguistic features of Russian which are not shared with English and other non Slavic languages For intermediate advanced students of Russian this will help to reinforce their understanding of how all levels of Russian function Students and scholars of linguistics will find it a useful starting point for comparative work

involving the structure of Russian and the Slavic languages or issues such as standardisation multilingualism and the fate of former colonial languages Each chapter begins with an introduction to the basic theoretical concepts of the area covered presenting the linguistic facts and relationships in an easily accessible form It will also serve as a learning aid to Cyrillic with all examples transliterated *Dutch Contributions to the Eighth International Congress of Slavists, Zagreb, Ljubljana, September 3-9, 1978* Jan M. Meijer,1979-01-01 This volume contains 18 papers derived from presentations by Dutch linguists at the Eighth International Congress of Slavists Russian Reflexive Verbs Nelleke Gerritsen,2024-08-26

Studies in Slavic and General Linguistics. Volume 1 ,2023-12-04 Studies in Slavic and General Linguistics is mainly devoted to the field of descriptive linguistics Although the series is primarily intended to be a means of publication for linguists from the Low Countries the editors are pleased to accept contributions by linguists from abroad **Bibliography of Publications on the Languages of the World: Europe and USSR** United States. Army Map Service. Library. Book and Periodical Branch,1967 **Content-Based Foreign Language Teaching** Laurent Cammarata,2016-02-26 Pushing the field forward in critically important ways this book offers clear curricular directions and pedagogical guidelines to transform foreign language classrooms into environments where stimulating intellectual curiosity and tapping critical thinking abilities are as important as developing students linguistic repertoires The case is made for content based instruction an approach to making FL classrooms sites where intellectually stimulating explorations are the norm rather than the exception The book explicitly describes in detail how teachers could and should use content based instruction explains how integration of content and language aims can be accomplished within a program identifies essential strategies to support this curricular and pedagogical approach discusses issues of assessment within this context and more Content Based Foreign Language Teaching provides theoretical perspectives and empirical evidence for reforming curricula and instruction describes models and curriculum planning strategies that support implementation of well balanced FL programs explores the transformative potential of critical pedagogy in the FL classroom and offers illustrations of secondary and post secondary language programs that have experimented with alternative approaches Advancing alternatives to conventional curriculum design this volume posits meaning oriented approaches as necessary to create language programs that make a great difference in the overall educational lives of learners *Dictionary Catalog of the Slavonic Collection* New York Public Library. Slavonic Division,New York Public Library. Research Libraries,1974 Corpus-based Approaches to Contrastive Linguistics and Translation Studies ,2021-08-04 Corpus based Approaches to Contrastive Linguistics and Translation Studies presents readers with up to date research in corpus based contrastive linguistics and translation studies showing the high degree of complementarity between the two fields in terms of research methodology interests and objectives Offering theoretical descriptive and applied perspectives the articles show how translation and contrastive approaches to grammar lexis and discourse can be harmoniously combined through the use of monolingual bilingual and multilingual corpora and how

contrastive information needs to inform translation research and vice versa The notion of contrastive linguistics adopted here is broad thus alongside comparisons of Malay English idioms and the French imparfait and its English equivalents there are articles comparing different varieties of French and sign language with spoken language This collection should be of interest to researchers in corpus linguistics contrastive linguistics and translation studies In addition the section on corpus based teaching applications will be of great value to teachers of translation and contrastive linguistics

*Reported Speech* Theo Janssen, Wim van der Wurff, 1996-09-24 In sentences containing reported speech thought or perception it is possible to distinguish different voices or views associated with different discourse roles They originate in two different clauses one clause signals a reporting situation and the other a reported situation This volume examines the methods used for combining these two types of clauses in a range of languages In each of the contributions the focus is on the forms and functions of verbs topics dealt with include the meaning of tense mood and aspect and their interaction in the various types of reported speech the speech act status of reported utterances correlations between reporting verbs and verbs in reported clauses and the conjunctions introducing them and possible intra systemic and cross linguistic correlations of these properties The articles concentrate on the Slavic languages Russian Bulgarian Macedonian Serbian Croatian and Slovene the Romance languages Latin Old and Modern French and Spanish the Germanic languages Swedish German Dutch and English the Indo Iranian language Bengali and Mandarin Chinese
