Russias Restless Frontier The Chechnya Factor In Post Soviet Russia

R. Fawn

Russias Restless Frontier The Chechnya Factor In Post Soviet Russia:

Russia's Restless Frontier Dmitri V. Trenin,Alexey Malashenko,2010-04 The conflict in Chechnya going through its low and high intensity phases has been doggedly accompanying Russia s development In the last decade the Chechen war was widely covered both in Russia and in the West While most books look at the causes of the war explain its zigzag course and condemn the brutalities and crimes associated with it this book is different Its focus lies beyond the Caucasus battlefield In Russia s Restless Frontier Dmitri Trenin and Aleksei Malashenko examine the implications of the war with Chechnya for Russia s post Soviet evolution Considering Chechnya s impact on Russia s military domestic politics foreign policy and ethnic relations the authors contend that the Chechen factor must be addressed before Russia can continue its development

Russia's Restless Frontier Dmitri Trenin,Aleksei Vsevolodovich Malashenko,Anatol Lieven,2004 The conflict in Chechnya going through its low and high intensity phases has been doggedly accompanying Russia s development In the last decade the Chechen war was widely covered both in Russia and in the West While most books look at the causes of the war explain its zigzag course and condemn the brutalities and crimes associated with it this book is different Its focus lies beyond the Caucasus battlefield In Russia s Restless Frontier Dmitri Trenin and Aleksei Malashenko examine the implications of the war with Chechnya for Russia s post Soviet evolution Considering Chechnya s impact on Russia s military domestic politics foreign policy and ethnic relations the authors contend that the Chechen factor must be addressed before Russia can continue its development

Conflict in the Former USSR Matthew Sussex,2012-10-04 Since the collapse of the Soviet Union conflict in the former USSR has been a key concern in international security This book fills a gap in the literature on violent conflict evaluating a region that contains all the modern ingredients for instability and aggression Bringing together leading experts on war and security the book addresses current debates in international relations about power interests globalisation and the politics of identity as major drivers of contemporary war Incidents such as the 2008 Russo Georgian conflict the wars in Chechnya and Russia s struggles over national identity and resources with former communist states are all thoroughly examined With new issues like energy security terrorism and transnational crime and older tensions between East and West threatening to deepen once more this is an important contribution to the international security literature

Ethnic Relations in Post-Soviet Russia Andrew Foxall,2014-10-03 While the collapse of communism in Russia was relatively peaceful ethnic relations have been deteriorating since then This deterioration poses a threat to the functioning of the Russian state and is a major obstacle to its future development Analysing ethnic relations in the North Caucasus this book demonstrates how a myriad of processes that characterised post Soviet transition including demographic change economic upheaval geopolitical instability and political re structuring have affected daily life for citizens It raises important questions about ethnicity identity nationalism sovereignty and territoriality in the post Soviet space

Russian Foreign Policy toward Missile Defense Bilyana Lilly,2014-08-21 This book is devoted to one of the central issues in U S Russian and NATO Russian relations ballistic missile

defense Drawing on more than 2 000 primary sources interviews with Russian and NATO officials and a variety of Russian and Western publications this book offers an unparalleled in depth analysis of the reasons behind Russia s policy towards the construction of a U S ballistic missile defense in Europe It provides a critical assessment of the decision making mechanisms that shape Russia s position on ballistic missile defense as well as Russia s strategic relations with the United States and Russia s interaction with European and non European powers Lilly argues that contrary to Moscow s official claims during the Putin era Russian objections to the construction of ballistic missile defense in Europe have not been wholly dictated by security concerns To Russia missile defense is not purely an issue in and of itself but rather a symbol and instrument of broader political considerations At the international level the factors that have shaped Russia s response include Moscow s perception of the overall state of U S Russian relations the Kremlin s capacity to project influence and power abroad and NATO s behavior in the post Soviet space Domestically the issue of missile defense has been a facilitating instrument for strengthening Putin s regime and justifying military modernization Taken together these instrumental considerations and their fluctuating intensity in different periods prompt the Russian leadership to pursue contradictory policy approaches simultaneously On the one hand the Kremlin seeks U S cooperation while on the other hand it threatens retaliation and reinforces Russian offensive capabilities The result is Moscow s incoherence inconsistency and double speak over the issue of missile defense

From Conquest to Deportation Jeronim Perovic, 2018-06-01 This book is about a region on the fringes of empire which neither Tsarist Russia nor the Soviet Union nor in fact the Russian Federation ever really managed to control Starting with the nineteenth century it analyses the state s various strategies to establish its rule over populations highly resilient to change imposed from outside who frequently resorted to arms to resist interference in their religious practices and beliefs traditional customs and ways of life Jeronim Perovic offers a major contribution to our knowledge of the early Soviet era a crucial yet overlooked period in this region s troubled history During the 1920s and 1930s the various peoples of this predominantly Muslim region came into contact for the first time with a modernising state demanding not only unconditional loyalty but active participation in the project of socialist transformation Drawing on unpublished documents from Russian archives Perovi investigates the changes wrought by Russian policy and explains why from Moscow s perspective these modernization attempts failed ultimately prompting the Stalinist leadership to forcefully exile the Chechens and other North Caucasians to Central Asia in 1943 4

Terrorism and the Politics of Naming Michael Bhatia, 2013-10-18 Previously published as a special issue of Third World Quarterly this volume assesses the nature power role and function of names in global politics and the international media Names are not objective they accrue subjective associations for example Terrorist has a very different connotation to Freedom fighter The contributors seek the truth beneath the names assigned in an effort to remove the obscurity created by the power of the politics of naming to the reality of the situation taking examples from Al Qaeda Russia s demonization of the Chechens and naming in the Israeli Palestine

conflict among other important contemporary debates Terrorism and the Politics of Naming makes a substantial contribution towards elucidating the power of naming in the discourse of conflict and will be of great interest to students and scholars of political philosophy political theory and politics and the media *The Caucasus - An Introduction* Frederik Coene, 2009-10-16 This book presents a comprehensive introduction to the Caucasus It covers the geography and the historical development of the region economics politics and government population religion and society culture and traditions and conflicts and international relations It is written throughout in an accessible style and requires no prior knowledge

International Organizations and Internal Conditionality R. Fawn, 2013-11-12 This book explores how norms based international organizations namely the Council of Europe and the OSCE are still able to win in world politics Fawn uses the concept of internal conditionality to explain how these organizations have been able to respond to members with a lack of material incentives or instruments of coercion *The Foreign Policy of Russia* Robert H. Donaldson, *Terrorism and*

Human Rights Magnus Ranstorp, Paul Wilkinson, 2013-09-13 This book reinforces our knowledge and understanding of the problems involved in balancing human rights protection and security concerns considering how these human rights issues have been raised by the various international debates and policy issues which have been created by the continuing global war on terrorism In the shadow of 9 11 the threat of terrorism is an ever increasing global preoccupation Terrorism and Human Rights discusses the effects of the legal and social aspects of terrorism by examining the relation between security issues and human rights from the angle of international organizations political bodies and different countries Some of the examples covered and which are examined in light of their approach and reaction to terrorism include the European Union the UN Russia and the United States Previously published as a special issue of Terrorism and Political Violence this volume will be useful for all students of security politics and terrorism studies but also for policy makers legislators and law enforcers **The New Tsar** Steven Lee Myers, 2015-09-24 The epic tale of Vladimir Putin s path to power as he emerged from obscurity to become one of the world s most important and dangerous leaders Former New York Times Moscow Bureau Chief Steven Lee Myers has followed Putin since well before the recent events in the Ukraine and gives us the fullest and most engaging account available of his rise to power A gripping page turning narrative about Russian power and prestige the book depicts a cool and calculating leader with enormous ambition and few scruples As the world struggles to confront a newly assertive Russia the importance of understanding Putin has never been greater Vladimir Putin rose out of Soviet deprivation to the pinnacle of influence in the new Russian nation He came to office in 2000 as a reformer cutting taxes and expanding property rights bringing a measure of order and eventually prosperity to millions whose only experience of democracy in the early years following the Soviet collapse was instability poverty and criminality On the other Putin has ushered in a new authoritarianism unyielding in its brutal repression of dissent and newly assertive politically and militarily in regions like Crimea and the Middle East The New Tsar is a staggering achievement a deeply researched and essential

biography of one of the most important and destabilising world leaders in recent history a man whose merciless rule has become inextricably bound to Russia's foreseeable future Globalization and Conflict Robert G. Patman, 2006-08-10 This volume highlights the gap between the new security environment and the notion of state centred national security favoured by Washington showing how a Cold War phenomenon known as the national security state in which defence and foreign policy interests essentially converge remains largely intact The conventional wisdom since the suicide attacks of 9 11 is that the world has been transformed and according to President Bush September 11 changed the strategic thinking of the US This book challenges these assumptions Indeed the Bush administration's National Security strategy of 2002 has reinvigorated and even extended the idea of national security Paradoxically the renewed emphasis on a distinctly state centred approach to security including the War on Terror has unfolded during an era of deepening globalization Drawing on the international expertise of fourteen specialists the book examines four inter related themes the impact of globalization on the concept of security the strategic outlook of the world's only superpower the US the new conflicts that have come to characterize the post Cold War era efforts to regulate the emerging patterns of conflict in the world Globalization and Conflict will be essential reading for students of strategic studies security studies and international relations

Post-Imperium Dmitri V. Trenin, 2011-08-01 The war in Georgia Tensions with Ukraine and other nearby countries Moscow's bid to consolidate its zone of privileged interests among the Commonwealth of Independent States These volatile situations all raise questions about the nature of and prospects for Russia's relations with its neighbors In this book Carnegie scholar Dmitri Trenin argues that Moscow needs to drop the notion of creating an exclusive power center out of the post Soviet space Like other former European empires Russia will need to reinvent itself as a global player and as part of a wider community Trenin's vision of Russia is an open Euro Pacific country that is savvy in its use of soft power and fully reconciled with its former borderlands and dependents He acknowledges that this scenario may sound too optimistic but warns that the alternative is not a new version of the historic empire but instead is the ultimate marginalization of Russia Russia and Globalization Douglas W. Blum, 2008-03-26 Russia is a battered giant struggling to rebuild its power and identity in an era of globalization Several of the essays in this diverse and original collection point to the difficulty of guaranteeing a stable domestic order due to demographic shifts economic changes and institutional weaknesses Other contributors focus on the country's efforts to respond to the challenges posed by globalization and discuss the various ways in which Russia is reconceptualizing its role as an international actor Ambivalence is a recurrent theme according to editor Douglas W Blum ambivalence about globalization's costs and benefits and the efforts required to manage them **Contesting History** Matthew Flynn, 2010-06-03 In this book the Bush administration's war in Iraq is assessed using an interdisciplinary approach and historical analysis that will help readers better understand the results of the U S counterinsurgency doctrine from 2003 to the present Contesting History The Bush Counterinsurgency Legacy in Iraq uses a comparative analysis of history to

assess the Bush administration's actions in Iraq focusing specifically on the policy of counterinsurgency. Insurgency exists within an extended timeframe and exhibits a global reach, argues comparative warfare expert Matthew J. Flynn. Therefore, understanding this phenomenon is best realized through an examination of guerrilla conflicts around the world over time. This book provides that approach. The work analyzes U.S. counterinsurgency doctrine during the Iraq War from 2003 to the present and offers relevant historical comparisons to conflicts dating back to the mid 19th century in which a nation enjoyed marked military superiority over their enemy. In doing so, it encourages readers to link the Afghanistan and Iraq wars in the broad context of the utilization of counterinsurgency operations to achieve policy objectives. Ultimately, the book illustrates how the tactical military success of the U.S. surge in Iraq still nets a strategic failure.

The SAGE Encyclopedia of Terrorism, Second Edition Gus Martin, 2011-06-15

Six years after publication of the first edition of the best-selling *Encyclopedia of Terrorism*, much has changed on the national security scene. Despite the dark promises of Osama bin Laden following the 9/11 attacks, the United States has not experienced any major domestic terror incidents. Al Qaeda itself is believed to be a severely crippled organization. But while U.S. wars in Afghanistan and Iraq, not to mention the arrival of the Obama administration, a new balance of power within Congress, and an increasingly fragile economic picture have significantly affected the national security picture, the threat of economic chaos and massive loss of life due to terror attacks has not abated. Indeed, in July 2008, analysts pointed out that even a relatively small terrorist organization could present a dire threat, with some experts arguing that a biological, chemical, or even nuclear attack on a major U.S. city is all but inevitable. In this highly charged, rapidly shifting environment, we are pleased to present the *The SAGE Encyclopedia of Terrorism, Second Edition*, a thoroughly updated and expanded edition of the original, highly regarded reference work. Nearly 100,000 words of new material will be added, along with fully updated original entries and expanded coverage. New introductory essays will explore the impact of terrorism on economics, public health, religion, and even pop culture. Ethical issues such as the role of torture in interrogations, competing notions of security versus liberty, and the debates over FISA legislation and Guantanamo Bay will also be covered. Two dozen entries on significant recent events such as the London bombings, Chechen attacks on Russian interests, and the rescue of Ingrid Bettancourt, and some 60 additional new entries will restore the work as an up-to-the-minute, natural first stop for researchers.

Casebook on Insurgency and Revolutionary Warfare, 2012

Massacres and Morality Alex J. Bellamy, 2012-09-27

Most cultural and legal codes agree that the intentional killing of civilians, whether in peacetime or war, is prohibited. Yet despite this fact, the deliberate killing of large numbers of civilians remains a persistent feature of global political life.

HIV/AIDS in Russia and Eurasia J. Twigg, 2007-01-08

Russia and a few other Eurasian countries have been home to the fastest growing epidemics of HIV in the world over the last several years. This volume offers country-specific accounts authored by the leading players in the analysis of the situation and the fight against the virus.

Getting the books **Russias Restless Frontier The Chechnya Factor In Post Soviet Russia** now is not type of challenging means. You could not abandoned going considering book deposit or library or borrowing from your links to right of entry them. This is an totally easy means to specifically get guide by on-line. Russias Restless Frontier The Chechnya Factor In Post Soviet Russia Introduction

In today's digital age, the availability of Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russias Restless Frontier The Chechnya Factor In Post Soviet Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books and manuals for download and embark on your journey of knowledge?

FAQs About Russias Restless Frontier The Chechnya Factor In Post Soviet Russia Books

1. Where can I buy Russias Restless Frontier The Chechnya Factor In Post Soviet Russia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
