were simply bunting using the hit and run and stealing bases to win games to the Live Ball Era where teams are now investing in sluggers to hit them 30 home runs per season in hopes of scoring more runs per game and driving up attendance numbers Before Babe Ruth's arrival in New York Yankees in the 1920s the Yankees were unknown team He was the one to bring the franchise to stardom When Ruth first played with the Yankees attendance in the stadiums rose dramatically eventually bring the Yankees management and ownership enough money to build their own stadium Yankee Stadium If you want to learn more about Babe Ruth's life and accomplishments grab your copy now [Companion Characters: A Series of Studies in Bible Biography](#) Oscar Armstrong Hills,2024-01-08 Reprint of the original first published in 1883 *Sacred Biography, Or, The History of the Patriarchs* Henry Hunter,1828 **Ruth and Esther** Bruce G Epperly,2016-01-12 How does one read the literature of a patriarchal society in a 21st century context Where can one find good role models for girls and women in the Bible All too often these questions are answered by presenting the answers given by patriarchal society and not by looking for liberating examples It is all too easy to let God's message of setting the captives free ring forth but directed to a limited audience But Ruth and Esther provide strong counter examples of women who had to struggle against the cultural norms in order to live and to do great things for their people All too often these women are excluded from our studies or when included are portrayed as subordinate people But Dr Bruce Epperly pastor father grandfather and theology sees them as women of agency and adventure resourceful and proactive women in patriarchal cultures But despite being subject to the apparently arbitrary decisions of males with authority both women were agents in their destiny fulfilling their vocations in their particular culture If you are a Christian pastor or teacher you owe it to those in your circle of influence to let them experience these two Bible books in new ways to see them as liberating documents that let everyone know that God doesn't exclude them From these women of agency and adventure those who find themselves excluded from power can find encouragement to stand up and be the persons of agency and adventure that God created them to be no matter what restrictions others have placed upon them **Breaking Babe Ruth** Edmund F. Wehrle,2018-05-31 Rather than as a Falstaffian figure of limited intellect Edmund Wehrle reveals Babe Ruth as an ambitious independent operator one not afraid to challenge baseball's draconian labor system To the baseball establishment Ruth's immense popularity represented opportunity but his rebelliousness and potential to overturn the status quo presented a threat After a decades long campaign waged by baseball to contain and discredit him the Babe frustrated and struggling with injuries and illness grew more acquiescent but the image of Ruth that baseball perpetuated still informs how many people remember Babe Ruth to this day This new perspective approaching Ruth more seriously and placing his life in fuller context is long overdue [Ruth Davidson](#) Andrew Liddle,2018-05-24 Ruth Davidson has enjoyed a stratospheric rise to prominence within the Scottish Conservative Party winning her surprise leadership victory an astonishing six months after becoming an MSP Under her redoubtable leadership the Tory Party have revitalised their fortunes north of the border more than doubling their seats and

overtaking Labour for the first time in sixty years A lesbian kick boxing former Territorial Army reservist Davidson has broken the mould of both Tory and Scottish politics and has been touted as a future Prime Minister Yet little is known of Ms Davidson and her remarkable journey outside of Scotland With Scottish politics in flux following the hard fought independence referendum and Britain s imminent departure from the EU Davidson s profile will only become more prominent as she heads up the official opposition This first biography of one of Britain s rising political stars examines how Davidson rejuvenated the toxic Tory brand and asks what the future holds both in Scotland and beyond for this extraordinary young politician
