Provides commentary on each of the four Gospels **The Christian Advocate** , 1929 **Sacred Secrets** Mike
Neville, 2012-06-01 Who were Tubalcain Aholiab and Zabud and what is their significance for the Freemason There is a
general interest in the rituals of Freemasonry generated in part by the apparently obscure references they contain This is the
only book that offers a guide to the stories used in Masonic ritual and their links to the Bible and Christianity The new Mason
is directed to a serious contemplation of the Volume of the Sacred Law but that is easier said than done without a grounding
in the Scriptures something that fewer and fewer people have The historical and geographical setting of the Bible is
explained here making such contemplation easier for Mason and non Mason alike Mike Neville has systematically cross
referenced the most influential Chapters of the Bible to the ceremonies It is his intention to get Freemasons to understand
the ritual not just to memorise and regurgitate as well as to elucidate for the non Mason Sacred Secrets will aid the clergy
theologians and any other person interested in Freemasonry to see the links between ritual and scripture *T&T Clark*
