**Jon L. Berquist, Alice Hunt**

## **Ruth And Esther Women In Alien Lands:**

Ruth and Esther Johanna W. H. Van Wijk-Bos, 2001 Six session study focuses on the Old Testament books of Ruth and Esther      *Women in Alien Lands* Johanna W. H. Van Wijk-Bos, 1988      *Ruth and Esther* Marcia Y. Riggs, 2025-04-22 Ruth and Esther theologically examines Ruth and Esther as moral agents who overcome gendered violence with moral courage and imagination In this volume of the Belief commentary series Marcia Y Riggs brings a womanist social ethical reading of the books of Ruth and Esther to reveal the intersection of various forms of gendered violence social political ethnic economic Riggs insightfully invites readers to examine how Ruth and Esther are social actors and moral agents responding constructively to gendered violence in their contexts and she offers historical and contemporary examples of gendered violence to juxtapose with the experiences of Ruth and Esther In the process readers are inspired to ask who are the Ruths and Esthers in our society How is the church responding to the marginalization of these women How are people of faith doing ministry in solidarity with the struggles of these women In all this resource for preaching and teaching provides insights about faithful ethical responses to violence encouraging readers to be in dialogue with biblical texts as they ask questions about their complicity with violence in our environments today      Esther and Ruth Patricia K. Tull, 2003-09-30 In classic Interpretation Bible Studies style Patricia Tull leads the reader through a ten session study of the entire Old Testament books of Esther with its stories of faithfulness courage and survival and the ethical questions posed by its ending and Ruth with its themes of community loyalty and friendship Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth Interpretation Bible Studies can be used in small groups in church school classes in large group presentations or in personal study      Women and Exilic Identity in the Hebrew Bible Martien A. Halvorson-Taylor, Katherine E. Southwood, 2017-12-28 Notions of women as found in the Bible have had an incalculable impact on western cultures influencing perspectives on marriage kinship legal practice political status and general attitudes Women and Exilic Identity in the Hebrew Bible is drawn from three separate strands to address and analyse this phenomenon The first examines how women were conceptualized and represented during the exilic period The second focuses on methodological possibilities and drawbacks connected to investigating women and exile The third reviews current prominent literature on the topic with responses from authors With chapters from a range of contributors topics move from an analysis of Ruth as a woman returning to her homeland and issues concerning the foreign presence who brings foreign family members into the midst of a community and how this is dealt with through the intermarriage crisis portrayed in Ezra 9 10 to an analysis of Judean constructions of gender in the exilic and early post exilic periods The contributions show an exciting range of the best scholarship on women and foreign identities with important consequences for how the foreign known is perceived and what that has meant for women through the

centuries      *Focusing Biblical Studies: The Crucial Nature of the Persian and Hellenistic Periods* Jon L. Berquist, Alice Hunt, 2012-10-25 This volume makes a positive intervention into maximalist minimalist debates about Israelite historiography by pointing to the events that happened during the Persian and Hellenistic periods During this historical epoch traditions about Israel and Judah's founding became fixed as markers of ethnic identity and much of the canonical Hebrew Bible came into its present form Concentrating on these events a clearer historical picture emerges The entire volume is set within the context of Douglas A Knight's contributions which have encouraged a rigorous social scientific and tradition historical approach to the Hebrew Bible and ancient Israel in general      *Hidden in Plain Sight* Robert P. Debelak Jr., 2008-02-15 Hidden in Plain Sight explores the potential contours of reading biblical narrative The Old Testament book of Esther is used to advance a prospective shape for this reading method and proposes a profile for curriculum design This work demonstrates that the text of Scripture itself proposes a reading method Esther is an underestimated heroine in her story world Her character is informed by the silent actions of Vashti and by the intentionality of Mordecai She is confronted with a writing that challenges her with few options each of which is deconstructed and focused in community dialogue At a pivotal stage in the narrative she acts in solidarity with those under a death threat emerging as an agent of life Esther's actions and speeches are traced as one entry into a story world proposing a means for students of Scripture to gain appreciable reading skills via sensitivity to the general components of Old Testament narrative This reading informs a study method enabling direct engagement with a text and appreciation for the art of literary crafting The approach is suitable for Christian education and biblical study settings at the academic level and for use in local church ministries      *A Feminist Companion to Ruth and Esther* Athalya Brenner-Idan, 1999-04-01 The second series of Feminist Companions moves beyond the confines of sex and gender specific issues and studies of biblical women Biblical feminist critics now address contemporary life situations marginalization and a range of questions once not thought accessible to such critique Feminist theory has also continued a rapid evolution Among the topics included in this volume are composition Torah Ruth the Cat female networking together with much else to inform and stimulate female and male biblical scholars and non scholars      *Ruth and Esther* Bruce G Epperly, 2016-01-12 How does one read the literature of a patriarchal society in a 21st century context Where can one find good role models for girls and women in the Bible All too often these questions are answered by presenting the answers given by patriarchal society and not by looking for liberating examples It is all too easy to let God's message of setting the captives free ring forth but directed to a limited audience But Ruth and Esther provide strong counter examples of women who had to struggle against the cultural norms in order to live and to do great things for their people All too often these women are excluded from our studies or when included are portrayed as subordinate people But Dr Bruce Epperly pastor father grandfather and theology sees them as women of agency and adventure resourceful and proactive women in patriarchal cultures But despite being subject to the apparently arbitrary decisions of males with authority both women were

agents in their destiny fulfilling their vocations in their particular culture If you are a Christian pastor or teacher you owe it to those in your circle of influence to let them experience these two Bible books in new ways to see them as liberating documents that let everyone know that God doesn't exclude them From these women of agency and adventure those who find themselves excluded from power can find encouragement to stand up and be the persons of agency and adventure that God created them to be no matter what restrictions others have placed upon them

**Reformed and Feminist** Johanna W. H. Van Wijk-Bos, 1991-01-01 Explores the nature and function of Biblical authority in Christian feminism Drawing on her personal experiences of an early childhood spent in the Nazi occupied Netherlands and an adolescence in a faith community with a strong Calvinist cast the author illustrates the ways in which Biblical authority undergirds and expands feminist perspectives back cover

**Ancient Laws and Contemporary Controversies** Cheryl Anderson, 2009-11-16 The Ten Commandments condone slavery and Deuteronomy 22 deems the rape of an unmarried woman to injure her father rather than the woman herself While many Christians ignore most Old Testament laws as obsolete or irrelevant with others picking and choosing among them in support of specific political and social agendas it remains a basic tenet of Christian doctrine that the faith is contained in both the Old and the New Testament If the law is ignored an important aspect of the faith tradition is denied In *Ancient Laws and Contemporary Controversies* Cheryl B Anderson tackles this problem head on attempting to answer the question whether the laws of the Old Testament are authoritative for Christians today The issue is crucial some Christians actually believe that the New Testament abolishes the law or that the Protestant reformers Luther Calvin and Wesley rejected the law Acknowledging the deeply problematic nature of some Old Testament law especially as it applies to women the poor and homosexuals Anderson finds that contemporary controversies are the result of such groups now expressing their own realities and faith perspectives Anderson suggests that we approach biblical law in much the same way that we approach the U S Constitution While the nation's founding fathers all privileged white men did not have the poor women or people of color in mind when they referred in its preamble to We the people Subsequently the Constitution has evolved through amendment and interpretation to include those who were initially excluded Although it is impossible to amend the biblical texts themselves the way in which they are interpreted can and should change With previous scholarship grounded in the Old Testament as well as critical legal and feminist theory Anderson is uniquely qualified to apply insights from contemporary law to the interpretive history of biblical law and to draw out their implications for issues of gender class and race ethnicity In so doing she lays the groundwork for an inclusive mode of biblical interpretation

**Postcolonial Commentary and the Old Testament** Hemchand Gossai, 2018-11-01 This is the first volume to provide a wide range of postcolonial interpretations of and commentaries upon significant texts in the Hebrew Bible The volume intersects with the work of the key theorists in postcolonial studies such as Fanon Senghor Said and Spivak as well as with scholars such as Sugirtharajah Kwok Pui lan and Segovia who have applied this theory to biblical studies Texts have been chosen specifically

for their relevance to postcolonial discourse rather than seeking to cover each biblical document This volume is designed to demonstrate how historical criticism postmodernism and the important concerns of postcolonial readings may be integrated to obtain an informed explanation of the Hebrew Bible and the writings of early Judaism The chapters are written by scholars who represent a spectrum of national indigenous and diasporic contexts Taken together these perspectives and the interpretations they yield represent a continued expansion of the manner in which Old Testament texts are read and interpreted through postcolonial lenses reminding readers that the interpretive trajectories of these texts are almost inexhaustible As such the volume serves as not only an addition to ongoing scholarship on postcolonialism but also as an expansion of the horizon for dialogue

*Asylum-Seeking, Migration and Church* Susanna Snyder, 2016-04-15 *Asylum Seeking Migration and Church* addresses one of the most pressing issues confronting contemporary society How are we to engage with migrants Drawing on studies of church engagement with asylum seekers in the UK and critical immigration and refugee issues in North America Snyder presents an extended theological reflection on both the issue of asylum seeking and the fears of established populations surrounding immigration This book outlines ways in which churches are currently supporting asylum seekers encouraging closer engagement with people seen as other and more thoughtful responses to newcomers Creatively exploring biblical and theological traditions surrounding the stranger Snyder argues that as well as practising a vision of inclusive community churches would do well to engage with established population fears Trends in global migration and the dynamics of fear and hostility surrounding immigration are critically and creatively explored throughout the book Inviting more complex nuanced responses to asylum seekers and immigrants this book offers invaluable insights to those interested in Christian ethics practical theology social work mission and faith and social action as well as those working in the field of migration

*Women's Bible Commentary* Carol Ann Newsom, Sharon H. Ringe, 1998-01-01 In the critically acclaimed best seller *Women's Bible Commentary* an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women focusing on female characters symbols life situations such as marriage and family the legal status of women and religious principles that affect relationships of women and men Now this expanded edition provides similar insights on the Apocrypha presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period This expanded edition sets a new standard for women's and biblical studies

*Aurora Borealis* Art Guillermo, Cora Guillermo, 2014-05-13 The harvest is plenty but the gatherers are few A Filipino American couple proved that a few could yield fruitful result through their unique way of modern day witnessing that is dramatic and practical Their scintillating account in reaching out to compatriots kababayans is gleaned in their descriptive narration and inspiring messages of love that encapsulates their cultural background contemporary events and vision This inspirational historical book provides a pragmatic model of discipleship in reaching ethnic constituencies in America

**Lutheran Woman Today**

,1990     **Ruth, Jonah, Esther** Eugene F. Roop,2010-07-01 In three of the Bible's most compelling short stories Eugene F. Roop draws attention to the distinctive narrative characteristics of these magnificent dramas. Such scrutiny opens new vistas of interpretation that can undergird the faith life and neighborly relations of the church. As we enter the world of these struggles and events we will experience in the stories: sorrow and laughter, hope and loyalty, and God's mercy and grace.

Flame of Yahweh Richard M. Davidson,2007 The Flame of Yahweh offers a thorough exploration of gender relationships and sexual activity in the Old Testament. Topics include sexuality in Eden, the elevation vs. the denigration of women, exclusivity vs. adultery, and pre-marital sex, permanence vs. divorce and remarriage, intimacy vs. incest, and sexuality in the Song of Songs.

**Character Complexity in the Book of Ruth** Kristin Moen Saxegaard,2010 Kristen Moen Saxegaard demonstrates how character complexity generates theological themes in the Book of Ruth. Each character has its specific voice which raises a particular topic. The interaction between the characters elaborates multiple perspectives to these themes which offer new approaches and alternative answers to the reading of Ruth.

**The Story of Naomi--The Book of Ruth** Terry Giles,William J. Doan,2016-01-29 The book of Ruth is probably best known as a romantic love story that through the expression of loving devotion overcomes tragedy and ends with the founding of the most famous family in all of biblical Israel. But the book wasn't always this way. In fact, it wasn't a book at all, but rather a story told with a very different purpose in mind. Before Ruth there was the Story of Naomi, a subversive story designed to challenge a male-dominated status quo. Through comedy, sarcastic irony, and unparalleled rhetorical skill, the Naomi storyteller holds up for inspection social gender roles and the power of sexuality in a manner that resonates yet today. The Story of Naomi: The Book of Ruth goes behind the literary rendition of the story and recaptures the original oral tale with script and performance directions that brings to life the humor, tragedy, and transparent honesty shared between the Naomi storyteller and her audience.

Recognizing the showing off ways to acquire this ebook **Ruth And Esther Women In Alien Lands** is additionally useful. You have remained in right site to start getting this info. acquire the Ruth And Esther Women In Alien Lands link that we meet the expense of here and check out the link.

You could buy lead Ruth And Esther Women In Alien Lands or get it as soon as feasible. You could speedily download this Ruth And Esther Women In Alien Lands after getting deal. So, once you require the book swiftly, you can straight acquire it. Its fittingly definitely easy and suitably fats, isnt it? You have to favor to in this expose
